TODAY'S BEAUTY AIDS

To clear up and whiten the skin and secure that charm of pink and white youthful freshness so much desired by all women you will find it far safer to rely upon a good face lotion rather than powder. To get rid of that shiny and muddy appearance in your complexion, dissolve four ounces of spumax in one-half pint hot water, and add two tea-spoonfuls glycerin. Apply this to your face, neck and arms, rubbing gently until dry. This lotion does not show or rub off like powder and is much better. It is splendid for removing tan, freckles, pimples and sallowness.

You can make a delightful shampoo for a very trifling cost if you get from your druggist a package of canthoxyl and dissolve a teaspoonful in a cup of hot water. Pour a little at a time on the scalp and rub briskly. This creates an abundance of thick, white lather that thoroughly dissolves and removes all dandruff, excess oil and dirt. After rinsing, the hair dries quickly with a fluffiness that makes it seem heavier than it is, and takes on a rich lustre and a softness that makes arranging it a pleasure.—Advertisement.

SQUEAKING KIDNEYS!

Do not hesitate to promptly treat your kidneys if you feel them begin to lag in their work. When you feel those little "squeaky" pains in the "small of the back," loss of appetite, heat, cold, urine, weariness you cannot account for, you know your kidneys are not doing their work properly. The result may be fatal if neglected.

The remedy is a simple matter if you act promptly. Go to your druggist and get a box of genuine GOLD MEDAL HARMON Oil Capsules. Harmon Oil has been a standard remedy for all kidney and bladder troubles since 1896. It is imported direct from the ancient laboratories at Harmon, Holland. By taking one and a half capsules a day, you will give the proper result. Prices, 25c and 50c. Your money positively returned if you do not get prompt relief and soon feel the old-time "ginger" of youth.—Advertisement.

Discovery Enables Any One to Have Curly Hair

Quite accidentally some one made the discovery that the application of ordinary hair salmerine would actually turn straight hair curly and wavy in a few hours. He in turn told others and now thousands of women have profited by the information. The simplicity and harmlessness of this method, and the way the hair turns out, is pretty curl and crinkles, will appeal to any one who tries it.

The favorite way is to apply the salmerine with a clean tooth brush before retiring. The effect upon arising is quite surprising, the curliness having such a natural appearance and the hair being so soft and elastic. It will be appreciated by the habitual user of the despolishing waving iron—which, happily, can now be discarded. The hair—unquestioned—can be curled and crinkled from any druggist, is neither sticky nor greasy. A few ounces will keep the hair curly for many weeks.—Mirror of Fashion.—Advertisement.

The Easiest Way To End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp; and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fruffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces in all you will need. This simple remedy has never been known to fail.—Advertisement.

THREAT IS MADE TO KILL SUNDAY

Black Hand Letter Says Bomb Will Be Thrown Into the Big Tabernacle.

THURSDAY AFTERNOON IS TIME

A "black-hand" letter was received by "Billy" Sunday through the mails yesterday.

The letter states that Sunday will be killed at the tabernacle on Thursday, September 23, by a bomb, which will explode at 2 o'clock.

The letter is written on an ordinary sheet of note paper, in a poor handwriting, the lines running "down hill" across the sheet. It is as follows:

"Omaha, Neb., Sept. 20-15: Mr. Billie Sunday if you don leave ton to day you will be killed by a bomb in the tabernacle on Sept. 23 at 15 Capt dont talk this for Jok for we busses from the unknown."

At the lower, left-hand corner is a rudely drawn black hand. At the lower right-hand corner is a large, black circle representing a bomb, with a fuse running from it to a clock. The hands of the clock mark the hour of 2 o'clock.

Secretary Mathews read the letter, but did not show it to "Billy." He turned it over to Chief of Police Dunn after it was found that none of the postoffice inspectors is in the city.

Chief Dunn detailed detectives to try to trace the author of the communication. If found, he will have to face a federal court.

PINKERTON NOTES THE WONDERFUL GROWTH HERE

William A. Pinkerton, head of the Pinkerton Detective Agency, was a caller at Chief Dunn's office Tuesday afternoon. Mr. Pinkerton is enroute to California, where he will stay until after the holidays. He remarked with enthusiasm on the growth of Omaha since last he was in the city.

GRAIN TAKES ANOTHER SLIGHT TUMBLE HERE

Numerous reports to the effect that the frost of Monday night had not damaged the Nebraska and Iowa corn to any extent had a tendency to send everything except oats down another notch on the Omaha Grain exchange again. Wheat went off a cent; corn 1/4 cent, while oats, on account of heavy demand, advanced 1/4 to 5 cents.

Wheat receipts were thirty-one cars, selling at \$3.00-\$3.05. Corn sold at 65¢ cents, with twenty-nine cars.

His Rest Was Broken.

O. D. Wright, Rossmere, Neb., writes: "For about six months I was bothered with shooting and continual pains in the region of my kidneys. My rest was broke nearly every night by frequent actions of my kidneys. I was advised by my doctor to try Foley Kidney Pills and one 50-cent bottle made a well man of me. I can always recommend Foley Kidney Pills for I know they are good." This splendid remedy for backache, rheumatism, sore muscles and swollen joints contains no habit forming drugs. Sold everywhere.—Advertisement.

J. W. RIGGS ASPHYXIATED ACCIDENTALLY; OPEN JET

The odor of escaping gas at 1422 North Nineteenth street at 8:30 a.m. led to the discovery that J. W. Riggs had been asphyxiated, presumably by accident.

J. P. Wilson, a roomer, who opened the door to Mr. Riggs' room, found an open gas jet.

The dead man was 40 years of age and was employed as teamster by the Omaha Van company. A daughter, son and other relatives, reside at Princeton, Ind. Coroner Crosby took charge of the body and may hold an inquest.

FOR A BAD COUGH

Here is a fine old-fashioned recipe for coughs, colds or catarrh trouble that is absolutely unequalled. Get from your druggist 1 oz. of Parmint (Double Strength) and add to it 1/4 pint of hot water and 4 oz. of granulated sugar. Take one tablespoonful 4 times a day.

No more racking your whole body with a cough. Clogged nostrils will open, air passages of your head will clear, and you can breathe freely. It is easy to prepare, costs little and is pleasant to take. Anyone who has a stubborn cough, hard cold or catarrh in any form, should give this prescription a trial.—Advertisement.
