PHILLIES PULL FOR FRIDAY

NEW YORK, Oct. 1 .- All the details of the coming world's series between the Boston Americans and the Philadelphia Nationals will be arranged at a meeting of the National commission to be held in this city tomorrow. On the tess of a coin will depend the choice of the city in which the opening game will be played, but there appears to be more interest in the date of the opening contest than in the location of the initial battle for the championship of 1915.

Whether the series will begin on Friday, October 8, or on Saturday, October 9, is causing much discussion among followers of base ball in this city. Many express the belief that the American league interests will endeavor to have the play begin on Friday, October 8, the day after the close of the league season.
