SNAPPY GAME ENDS 48 TO 13

LINCOLN, Oct. 2 - (Special Telegram.) -Coach Stiehm's Huskers Inaugurated the 1915 foot ball season here this afternoon against a Missouri Valley conference opponent by trouncing Drake, 48 to 13. Griffith's pupils earned one touchdown by pounding the Nebraska line for steady and consistent gains. Captain Blackburn boosted his team's total to thirteen after he had scooped up a for-ward pass, which Warnock fumbled, and with a clear field in front of him scooted twenty-five yards across the Husker goal

The Nebraska backfield played midseason foot ball, but the line, which has been Stishm's worry, showed fatal weaknesses and allowed Drake to pile up more points than any Drake cleven has ever cored against a Nebraska team. Bender brings his team, the Kansas Agg'es of Manhattan, Kan., to Lincoln next Saturday for the annual game between these two Missouri Valley schools. There is nothing quite so sweet to the former Cornbusker star as a victory over his alma mater. Nebraska will not forget very soon how Bender's Haskell Indians gave the hunkers one of the worst trouncings in their history the only year the little wizard was at the head of the coaching system of the Indian school.

Back of Bender's desire to humble his ma mater is more pross than fiction. Bender wanted to be coach at Nebraska when Jumbo Stiehm was chosen to take charge of affairs. Admitting he was the eleverest foot ball man evr put out by th school, a large number of the alumni rebelled at the thought of Bender being placed in charge, and his application received slight consideration. Johnny Bender has not forgotten and his season will virtually begin and end with the game next Saturday.
