RUBEL'S CREDIT PLA APPEALS TO WAGE-EARNERS

To the vast majority of Omaha's population who work with hands and brains and with whom the comforts of home life is toil's sole reward, Rubel's Credit Plan appeals most forcibly. Those who know the value of money and must make every dollar count appreciate * the fact that credit prices are no higher here than though cash were paid—our system

of marking goods in plain figures proves this. We make the terms of payment so reasonable that the smallest salaried man can pay for his goods with the greatest ease. We'll treat you generously-we'll respond to every requirement and render that sort of satisfactory service to you that has made the Rubel stores rise so conspicuously into prominence here in Omaha.
