

A young fellow saved all his money, The outlook for him was quite sunny 'Till down town he-started His cash soon departed; That's not what you'd call very funny.

Another pedestrian passed And the roll on the sidewalk did spy; Said, he look around No address can be found," "But it's owner I'll find if I try.

When the owner discovered he'd lost His money and the labor it cost It sure made him fell blue, And he said "so would you If your dream of a home was a frost."

But of BE WANT ADS he'd been reading; He wondered if they were misleading.
"If they'll bring back my pile I'll just give 'em a trial The money I surely am needing

The WANT AD found his purse (it is true, And it would do the same thing for you.
For a WANT AD at that Gets 'em hot off the bat. Use THE BEE; it's the best thing to do.

A rebuilt Cadillac is superior to any new cur at the same price. They are the truest values on the street. By rebuilt, we mean that the cars have been taken entirely apart, each part examined, and, it necessary, replaced by a new part made at the Cadillac factory; the entire car repainted and refinished like new, all equipment put in first-class condition — the whole car, in fact, carefully reconstructed until it is good as new in every detail.
