TOTAL ATTENDANCE 32,666

CHICAGO, Oct. 10.—The Chicago American league team won the championship of Chicago from the National league by taking today's game, 11 to 3. The American's standing is four games to one. Jimmy Lavender, who shut out the American leaguers in the second game of the series, was hit hard today and the slugging, with erratic fielding gave the White Sox the victory. The total paid attendance was given at 32,666.

Browns Are Victors In City Championship

ST. LOUIS, Oct. 10.—"Tim" McCabe, who came to the local Americans from the Three-I league only a few months ago, won the post-season city championship for his team today by shutting out the local Nationals, 5 to 0, in the second game of a double-header.

McCabe struck out five men, walked one and granted the Cardinals seven scratches and scattered hits. The first game on today's program which the Nationals took, 7 to 2, was their first victory in the series. The final standing in games won follows: Americans, 4; Nationals, 1; one game tied. Score, first game: R.H.E. Nationals, 7 0 0 0 1 1 0 3 17 4; Americans, 0 1 0 0 0 0 0 0 2 2 1. Batteries: Nationals, Doak and Snyder; Americans, Hamilton, Koob and Seyler. Score, second game: R.H.E. Yale Defeats Lehigh In Desperate Battle

NEW HAVEN, Oct. 10.—Yale defeated the powerful Lehigh eleven yesterday 7 to 6, in one of the most bitterly contested football games seen here in years. The visitors' score came through two field goals by Cahill. Lehigh gained ground almost at will by brilliant forward passing and long end runs. Chenoweth of Lehigh fractured his ankle in a scrimmage. Several Yale players left the game on account of injuries.

Omaha Luxus Team Beaten at Cleveland

CLEVELAND, Oct. 10.—By beating the Luxus team of Omaha, 11 to 6 today, the White Autos of Cleveland won the amateur base ball championship east of the Pacific coast. The winners are scheduled to play the Tacoma team, champions of the coast, at San Francisco, for the world's title.

Crimson Has Easy Time with Carlisle

CAMBRIDGE, Mass., Oct. 10.—Harvard scored a comparatively easy victory over the Carlisle Indians yesterday, rolling up 29 points in three periods at fast work by the backs. In the third period with a number of substitutes in the Crimson line, the Indians rushed the ball eighty yards, on long forward passes and line plunging, for their only score. The most spectacular play of the game was when McKinnock intercepted a forward pass in the second period and ran seventy yards for a touchdown.

Edgar Defeats Giltner

EDGAR, Neb., Oct. 10.—(Special)—The Edgar High school eleven easily trimmed the Giltner High school eleven on the home grounds yesterday afternoon. Edgar won the kick off and started a vigorous play, winning a touchdown within five minutes. Edgar's most successful tactics were line plunges and end runs and they kept the visitors on the defensive. Edgar's line was superior but only during the game. Score: Edgar, 6; Giltner, 0. Referee: Wright. Coach: Aurora Outlines.

Aurora Outlines

AURORA, Neb., Oct. 9.—(Special)—By a score of 4 to 0, Aurora lost the second game of the season to Lincoln. The superior weight of the Lincoln team told heavily against Aurora during the first quarter, but the home team held firm in the second. The loss of Quarter Back Shelton for the second half of the game crippled Aurora's team and compelled it to resort to the forward pass and open play for all its gains.

Harvard High Wins

HARVARD, Oct. 10.—(Special)—Harvard High school out-played Superior High school in every stage of game yesterday and won, 67 to 6. Superior was much heavier, but Harvard made up in speed.

Injuries Weaken University Team

Coch DeLamatre of the University of Omaha foot ball team has a strenuous week's practice mapped out for his squad in preparation for the Grand Island game at Grand Island Friday. Injuries to players last week made such inroads on the first team that a let-up on hard work was found necessary. DeLamatre has been having trouble with his halfbacks, Melchior and Duncan, who gave promise of filling the bill, are on the hospital list with injuries that will keep them out of the Grand Island game. The men working in the backfield at present are light and undisciplined. The coach turns a miracle in conditioning a heavier backfield the prospects of piercing the heavy Grand Island line are nil. Because of this the mentor has inaugurated a system of practice which calls for speed, by which he hopes in some measure to overcome the drawback.

The line, which up to last week has caused the coach much worry, is rapidly rounding into shape. Though it still is not in the condition DeLamatre hopes to have it, it has shown marked improvement since the York contest. Captain Bruce is back in his old position of guard and will make a valuable contribution to the line. It is probable, however, that he will be shifted to the backfield because of his speed and experience.

Bacelli Wins Chief Event at Lexington

LEXINGTON, Ky., Oct. 10.—The Pastime stable's Bertini colt Bacelli won the thirty-eighth event of the Kentucky stake for 3-year-old trotters, the chief event on the Grand Circuit card yesterday after losing the first heat to Colorado Range. Driven by Ben White, Bacelli made good in each mile except the first, and it probably would have been a straight heat race but for White's getting his charge into a pocket in the first round. He led easily in the other two. The dinner stakes, a sweepstakes affair, resulted in a straight-heat victory for Sunloch, driven by Murphy. The 2:15 pace, carried over from yesterday, was captured by Peter Worshy, Fox Gray, Earl, Jr., to victory in the 2:36 pace. Ames Abington made a straight heat race of the 2:15 trot. Because of the cold weather Peter Volo (2:02) did not start to lower his record, but it was announced he will make the attempt Monday.

Marquette Is Easy For the Badger Clan

MADISON, Wis., Oct. 10.—Marquette proved easy for Wisconsin yesterday and the Badgers ran up a score of 55 to 6, the largest count ever made by a Wisconsin eleven. The Marquette line crumpled before Wisconsin's crushing attack. The Badgers seldom failed to gain. Marquette's attack was weak. Wisconsin showed a slight improvement over work of last Saturday, but was over-anxious and received numerous penalties for offside play and holdings. The injury was sustained in a head-on collision with one of the Wesleyan players, Burford playing without a headgear, as was his custom. Kamanski, formerly of Bellevue college, and also an old Creighton letter man, will fill Burford's place on the team.

Creighton's Center In Omaha Hospital

Burford, center on the Creighton university foot ball team, is in St. Joseph's hospital, suffering from injuries to his head, sustained Friday in the game with Nebraska Wesleyan. Dr. Stapleton, Creighton trainer, says he will be obliged to remain in the hospital at least a week, and will be out of the game for the rest of the season. The injury was sustained in a head-on collision with one of the Wesleyan players, Burford playing without a headgear, as was his custom. Kamanski, formerly of Bellevue college, and also an old Creighton letter man, will fill Burford's place on the team.

NEW ENGLAND GIANT ASKS MATCH WITH JOE STECHER

Emil Klank, manager of Frank Gotch, writes from Chicago that he has a letter from Joe Stecher, the "New England Giant," who claims the American title, and is anxious to secure a match with Joe Stecher, "at Dodge, on Joe's farm, or any place Joseph says." Klank vouches for Stecher, who is six feet four inches in height and weighs 245 pounds in condition, and beside, asserts that Stecher is quick as lightning and will give Stecher the time of his life, if a match is arranged for. The "New England Giant" has never been thrown by an American wrestler, and has won handicaps from Haeckenschmidt, Zbyzsko and Frank Gotch.

Diarrhoea Quickly Cured

"About two years ago I had a severe attack of diarrhoea which lasted for over a week," writes W. C. Jones, Buford, N. D. "I became so weak that I could not stand upright. A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose relieved me and within two days I was as well as ever." Obtainable everywhere.—Advertisement.

HAL MCKINNEY SOLD TO TOM DENNISON

Famous California Pacing Horse Which Raced in Nebraska This Year Stays in State.

BEN EARL HAS FAST WORKOUT

By G. K. MURRAY. Tome Dennison Saturday bought Hal McKinney 2:05 1/2, the sensational California pacing stallion which has been making turf history in Nebraska this year, from Clark & Sebastian of Hemet, Cal. Ed Peterson's new bear cat pacer, Ben Earl, reeled off three miles in 2:12 1/2, 2:13 1/2 and 2:11 over the East Omaha track, stepping a last quarter in 2 1/4 seconds and last eighth in 1 1/4 seconds and doing it with the enthusiasm of a small boy just released from school.

A goodly crowd of horse enthusiasts who gathered at the East Omaha track yesterday afternoon had the pleasure of seeing Marvin Childs, the clever reinsman who recently returned to Omaha from a campaign down the Grand circuit, team Ben Earl in a nice contest with Hal McKinney. The same crowd of devoted victims of the horse germ inspected the Omaha Driving club's track which has been resurfaced with clay and its huge new barn where the horses will have winter quarters and they found that Omaha now has the best facilities for the winter care of race horses in the state. All these events made yesterday rather a notable day in the history of the revival of the harness game in Omaha.

Hal a Real Race Horse

Omaha is to be congratulated on becoming the home of such a racehorse as Hal McKinney and Mr. Dennison, an owning him. He has been in the front rank of race horse pacers on half-mile tracks for several seasons and this year has been the object of admiration of all the horsemen of the middle west by reason of his accomplishments on Nebraska tracks.

He is a bay stallion by Hal B. of elegant conformation and finish. He is not a large horse but has such a striking carriage and such a pleasing, relentless gait that he is usually the favorite of the grandstand, even the veriest trog being able to pick him out as a horse "above the ordinary."

Hal races best "from behind" and "Bob" Sebastian his driver always has humored him in this respect, utilizing his phenomenal speed to smother his opponents in the home stretch. Consequently scores of thousands of folks in the grandstands of many cities have been thrilled by the sight of the pretty little horse coming from out of the rack around the last turn and nosing out the leaders in a sprint to the wire. He can brush considerably better than a two-minute gait, in fact has been timed quarters in 29 1/2 seconds and he makes nothing of a quarter in 0:30.

At Benson Hal McKinney stepped a mile in 2:09, over a slow track and against a gale of wind and clouds of dust. In a period of ten days this year he won three races in each of which there was a heat better than 2:10 and one of the races was at Lincoln where every heat was in 2:09 or better and the third was in 2:07 1/2. Late in July he turned the Wahoo track three heats in practically the same time as at Lincoln.

Peterson Shows a Bear Cat?

The horsemen were all pleased when Ed Peterson, former owner of Hal Boy, 2:05 1/2, and Marvin Childs, his trainer, who developed Hal Boy, showed up with a new pacer which looks as though he is of Grand circuit caliber. Ben Earl is the steed's name and he is bred by The Earl 2:17 (p. 2:14 1/2). He is a stoutly made bay gelding and he seems to have no idea but that of attending strictly to business. Mr. Peterson acquired him from Elmer Jefferson of Clarion, Ia. Ben Earl had it on Hal McKinney in the workout yesterday, although it must be said that Hal was by no means in his best form, while Ben seemed to be boiling over with speed and capability. Ben started as a green horse this year and won as regularly as a clock works. Childs was greatly pleased with Ben's showing yesterday. In fact, everybody was somewhat surprised to find that he had about as much speed anywhere in the mile as Hal McKinney. He worked well in front or behind on the turns and in the stretches and had his ear open all the while for the word to go on. He finished ahead of Hal McKinney in all three heats.

If extreme speed, the best of manners, good legs and good feet and freedom from objectionable faults of gait will make a first-class race horse, this fellow surely can lay claim to that title. Ben has an eye and facial expression (if that term is permitted in speaking of a horse) which seems to say, "Come and step along by my side while we look you over a little." He is rather a plain horse all over, but capability seems to be his middle name.

By the way, the story that goes with Ben Earl is that he was not broken to harness until last year and that he has "done time" not only as a saddle horse, but as a plow slave and a buggy horse. He has the harness and saddle marks to show, too, in the form of certain tell-tale white hairs. It is said that he is a very nice saddle horse.

Navy Badly Beaten By Pittsburgh Team

ANNAPOLIS, Md., Oct. 10.—One of the worst defeats they have suffered in years was administered to Navy yesterday by Pittsburgh university. The score was: Pittsburgh, 47; Navy, 12. The second was in consequence of a Pittsburgh fumble.

Army Eleven Wins From Gettysburg

WEST POINT, N. Y., Oct. 10.—The Army won from Gettysburg yesterday, 22 to 0. The visitors presented a strong line that held back the Army's attack time and again, but they failed to cope with a head-bending repertoire of forward pass plays by the Army. Keenness following the ball also counted in the Army's favor. Oliphant scored sixteen of the Army's twenty-two points.
