## BOSTON RED SOX CAPTURE FINAL GAME AND FLAG

PHILADELPHIA, Pa., Oct. 13.—A home run clouted over the center field fence by Harry Hooper of Capitola, Cal., this afternoon put a clincher on the claim of the Boston American league club to the base ball championship of the world. The home run marked the final scoring efforts of the 1915 world's series and gave the deciding game to the Boston Red Sox by a score of 5 to 4. Four games for the Red Sox to one for the National league champions was the game record for the series.

Today's game was one to stir the blood. It was a battle from the jump, with the issue ever in doubt. Twice it seemed that Philadelphia had a winning margin, but twice the Red Sox hammered their way to the front. The game was a batting bee, in which the Phillies got an early start. For the first time in the series the hum of the homer was heard in the land. The Boston hitters sent three balls hurtling to the center field stands for the circuit. Hooper got two of the home runs smashes and Lewis another.

Ludrus Lifts One Over Fence. The Philadelphia players valiantly tried to meet the invaders at the home run game. Ludrus lifted one high over the right field fence in the fourth, but here the heavy firing of the home folks ended for the last five innings there was never a threat of Philadelphia rallies.

Hard One to Lose. Never very far above their rivals in any one of the five games, the men of the American league in the last four games were always just within the shadow line of success. It was a hard series for the Phillies to lose, but a brilliant victory for the Sox.

Surprises Fans with Mayer. When the official announcement megaphoned to the grandstand that Manager Moran had started Erskine Mayer to pitch, there were expressions of surprise as the fans fully expected that Alexander would be called upon to ward off final defeat for the champions. Hooper began his busy afternoon by lacing the first ball pitched to center field. Scott

## DANCE AND MOVIES GET ANOTHER BLOW

After Severe Scoring by "Billy" Sunday, Miss McDowell Follows with Mild Denunciation.

### SHOULD REDEEM SOCIETY DANCE

Modern society dances and the movies, both of which have been lambasted by "Billy" Sunday and members of the Woman's club this week, received another blow, though a tempered one, at the hands of Miss Mary E. McDowell, head of the University of Chicago settlement, who spoke at the Commercial club Wednesday noon.

Though opposed to the tango, Miss McDowell thinks that "Billy" Sunday is all wrong on the recreation subject. "If I could discuss it with him, he would preach another sermon on recreation," said Miss McDowell.

"Recreation is a necessity. Dancing is as natural to the child as dramatics. The trouble is most recreations are exploited for profit. If you make money from the play instinct, you build the wrong kind of citizenship. Let us redeem dancing. Why should the devil have it? There is nothing but ugliness in the dances you have been doing lately. At the settlements they dance folk dances, nothing as bad as they do in your circles," she declared.

"Let it true society dances should be redeemed before the municipal dances, Miss McDowell" she was asked. "I wouldn't wait for that," was the quick reply. Careful censorship of movies, awaiting the inevitable return to the spoken drama, was advised by the speaker. "We'll all be bored soon because there is no talking back in the pictures. Sometimes I am tempted to talk back myself," she exclaimed.

## GUAYMAS TAKEN FROM VILLISTAS

Last Port on West Coast of Mexico Captured by the Carranza Forces.

### RAE POWDER AT TEXAS LINE

NOGALTES, Ariz., Oct. 13.—Agents here stated today that Guaymas, Sonora, the only port on the west coast of Mexico under Villa control, had fallen. Carlo Randall, successor of Jose Maria Maytorena as Villa governor of Sonora, said the Villa garrison at Guaymas, under General Sosa, evacuated the town last night. A Carranza force of 1,000 men were landed from the gunboat Guerrero and transports, a few miles south of the city, last night and attacked the town, he said.

General Calles Reports. General Calles, commanding the Carranza forces in Sonora, stated today that he had been informed that the attack on Guaymas, Sonora, by Carranza forces, under General M. M. Diguez, began last night. It was rumored that the town had fallen.

### Hold Up Arms.

EL PASO, Tex., Oct. 13.—Customs officials refused to permit a shipment of powder to cross the border today. This was the first indication that an embargo on the exportation of arms and ammunition is in effect.

### Official Reports.

Official reports from Chihuahua received at Juarez relate that General Canuta Reyes, heading an expeditionary force of Villa troops, has attacked the rear guard of General Obregon and forced it back upon Torreon. Fighting in the neighborhood of Toluca was also reported.

## GERMANS CAPTURE VOSGES TRENCHES

French Report Admits Loss of Some Ground in Shell Fire of Great Intensity Long Carried On.

### RAIDS MADE BY AIR SQUADRONS

PARIS, Oct. 13.—In the Vosges the Germans were successful in gaining possession of a French trench, says the Paris official report. The text of the communication follows: "At the conclusion of the bombardment yesterday, the enemy delivered an infantry attack against our positions to the northeast of Souches. These attacks, like the preceding ones, were everywhere completely repulsed.

"Last night saw artillery actions of intensity in which both sides took part between the Somme and the Oise, in the region of Andechy and to the east of Rheims, in the direction of Moronville. Batteries of the enemy have delivered a violent cannonade in the region to the south of Thure and to the east of Butte de Meil. Our artillery held this fire back effectively, and in the meantime we are making further progress from trench to trench at a point to the east of the earthworks known as 'Le Trapèze.'"

"There has been fairly intense fighting with trench machines around Filrey, and more violent fighting, accompanied by artillery exchanges, in which both sides took part, in the suburbs of Reillon. "In the Vosges the enemy, after a complete check to his attack along the front from the Lingé to the Schratzmannle, resumed his effort yesterday evening. A second outburst of artillery fire along the entire front, in preparation for an infantry advance, was followed by a fresh attack, generally speaking, resulting in failure.

"The Germans were able to gain a footing in our first line trenches at only one point, and this was to the south of the Lingé hills. The trench they took was between sixty and eighty yards long. Our counter attacks made it possible for us to reoccupy a portion of this trench immediately. "A squadron of nineteen French aeroplanes has thrown down 140 shells on the railroad station at Basancourt, whence movements of the enemy have been reported. "Another air squadron composed of eighteen machines has bombarded the railroad junction at Achet-Le-Grand, Sapaume. Other machines have bombarded the railroad tracks at a point near Warmerville."

### BOYS AND GIRLS TRAIL MITTNER

11 a. m. to 2 p. m.—Business women's luncheon, 1209 Parson street, Miss Miller. 12:00 to 12:15 p. m.—Men's prayer meeting, Y. W. C. 2 p. m.—Sunday at the Tabernacle. 3 p. m.—Tabernacle Bible class. 3 p. m.—Koreanists' meeting, Y. W. C. Yesterday afternoon "Billy" Sunday smote those who call themselves Christians and yet do not "follow Jesus" whole heartedly, those who are lured away by the vanities of the world. "Serving the Lord should be your principal business," he said. "You can practice a profession or engage in business as a side line just to pay expenses. "A man who would delay serving Christ for something else is as bad as a man who would go in a barber shop for a haircut after he heard his wife was dying.

"What kind of a Christian are you? Do you ride up to the church once a week in a \$400 automobile and drop 25 cents in the collection basket and then sit among the soft cushions and sing 'Jesus Paid It All'? Do you pay \$5 for a hat and drop a nickel in the collection? Tote fair with God. Don't be a hobo in knees when you can be a millionaire. "You must deny yourself, keep down your worse nature. I'm naturally of a combative disposition. I meet people and I feel like knocking down, but I haven't done it yet. It takes half Mrs. Sunday's time holding me in. I haven't cut loose since I've been in Omaha, but I may."

He sarcastically imitated the whine of people whose feelings are always being hurt and who have to be smoothed down by the minister so they'll keep coming to church. He called them people with "no disposition." E. W. Chafin, candidate of the prohibition party for president in 1912 and for many years a lecturer and worker in the cause of temperance, occupied a place on the rostrum. He was warmly greeted by Mr. Sunday after the sermon. Mr. Chafin was delighted. "I never heard you preach before," he said, "but you certainly are all right. Keep hitting the saloon and God bless you."

## Two Million Men Made Cripples by the War in Europe

NEW YORK, Oct. 13.—There are now 2,000,000 men in Europe who have suffered the loss of limbs, faculties, or both, as a result of injury in the war, according to Frank B. Galbreth of Providence, R. I., who has just returned from Germany, where he has been studying methods for giving employment to cripples. Mr. Galbreth has been requested by Germany to instruct a corps of teachers how to enable crippled fighting men to become productive members of society after the war.

Delcasse at a conference of cabinet members and the retirement was sanctioned. Premier Viviani will take the portfolio of foreign affairs with the presidency of the council.

Foreign Minister Delcasse's resignation was commented upon in parliamentary quarters. The Chamber of Deputies this evening adopted a resolution of confidence in the government. The vote was 313 to 8.

### HEAVY LOSSES FOR GERMANS

BULLETIN. PETROGRAD, Oct. 13.—Another striking victory has been won by the Russians on the southern front in eastern Galicia. BUCHAREST, Oct. 13.—A dispatch from the Bulgarian frontier states that a declaration of war against Serbia will be posted throughout Bulgaria tonight.

LONDON, Oct. 13.—The issue between Bulgaria and Serbia apparently has been joined squarely. It is reported unofficially that Bulgaria has declared war. Little is known here of the progress of hostilities between these combatants, beyond the fact that Bulgaria has invaded Serbia and is said to have suffered reverses in the opening engagements. In northern Serbia the Austro-German invaders are meeting with stubborn resistance.

The report from Petrograd yesterday of an important Russian success in Galicia has been confirmed officially. General Ivanoff has broken the Austro-German front along the Stripa, taking (Continued on Page Two, Column Two.)

## Permanent Bible Classes Will Be Formed This Week

Permanent classes looking to the organization of permanent neighborhood Bible classes throughout the city and Council Bluffs will be taken after the afternoon Tabernacle meeting Thursday, when Miss Grace Saxe will explain just how the neighborhood prayer meetings are changed into the Bible classes, which continue their work after the Sunday party has gone. There were 15 of these neighborhood prayer meetings instituted before the campaign started and most of them have continued, meeting every Tuesday and Friday mornings during the campaign. These and the persons engaged in them form the basis for the permanent Bible classes. In Denver, Des Moines and other cities scores of these classes are still in active existence and meeting once a week the year round. It is expected that in Omaha nearly 100 such permanent classes will be organized with a membership of about 2,000. Just before coming to Omaha Miss Saxe made a special trip to Denver to confer with the Bible classes there and to review the work that has been accomplished by them.

## Coal Tar Dye On Way from Germany

WASHINGTON, Oct. 13.—Fifty tons of coal tar dyes of German manufacture were due in New York today on the steamer St. Louis, consigned to the secretary of commerce. The consignment is for the account of William A. Mitchell, Lowell, Mass., representing the National Association of Cotton Manufacturers. In a statement the Department of Commerce said:

"Several months ago the secretary commented to act as consignee of two cargoes of dyes from Germany, for which safe passage was assured by permits granted by the British government, upon the express condition that the secretary of commerce would be the consignee. The embargo upon the exportation of these cargoes from Germany has not been lifted. Arrangements were made, however, by American manufacturers with the British government whereby that government has permitted the exportation to the United States of the dyes coming on the St. Louis. It is hoped that this is the first of a series of similar shipments. The consignment was shipped into Holland before the German embargo was made and the consent of the British government was all that was necessary to secure its release.

## MAYOR GRACE DEFEATED IN DEMO PRIMARIES

CHARLESTON, S. C., Oct. 13.—State troops still were held in their armories here early today, where they had been ordered by Governor Manning to be ready to take over police duty, if necessary, to preserve order in yesterday's democratic primaries. No disturbance had been reported, however, up to an early hour. Unofficial advices from the governor's office at Columbia were that the troops, which consisted of four companies of the National Guard of South Carolina and three divisions of the naval companies, would be relieved today. The ticket headed by Mayor John P. Grace apparently was defeated in the primary by that led by his opponent for the majority nomination, Tristram T. Hyde. Hyde, according to virtually complete unofficial returns, had a majority of less than 100 out of 400 votes cast.

DENVER, Colo., Oct. 13.—The suffragists' automobile party, carrying resolutions adopted by the woman's voters convention in San Francisco in September, and a petition bearing 50,000 signatures of electors in the twelve suffrage states, arrived today on their overland journey from San Francisco to Washington. The party was met several miles north of Denver by local suffragists and escorted to the steps of the state capitol, where at 3 o'clock they met Governor Carlson. The resolutions to be presented to congress, pledge support of those congressmen, senators and government officials, irrespective of party, who favor the adoption of the Susan B. Anthony amendment to the federal constitution, providing equal suffrage for women.

## Morgenthau to Inquire About the Persecutions

WASHINGTON, Oct. 13.—Ambassador Morgenthau has been directed to inquire of the Turkish foreign office, it was learned today, as to whether concessions regarding exemption from persecution of Protestant and Catholic Armenians were being carried out. The concessions were made in response to recent representations by the United States. Very confidential information has reached here indicating that the persecutions were continuing. Officials of the department asserted today that the delay in receiving the Turkish answer might be due to interrupted cable communication.

## The Day's War News

IT IS UNOFFICIALLY announced that Bulgaria has declared war on Serbia. Already Bulgarian troops have advanced to the attack on the Serbian flank. GREECE IS MAINTAINING its attitude of armed neutrality. Athens advisers state that the Greek government does not consider the existing situation a purely Balkan affair and that therefore Greece is not bound by its treaty with Serbia to come to the latter's aid in resisting the present Bulgarian attack.

TEUTONIC ADVANCE in Serbia south of the Danube is admittedly progressing, although apparently with no great speed.

DEFINITE DECISION for or against conscription in Great Britain may be made at today's meeting of the British cabinet.

BRITISH SUBMARINES are making incursions upon German commerce in the Baltic. Five steamers have been sunk within the last day or two, the latest reported being the Walter Leonhardt, of 1,201 tons.
