

"What Must I Do To Be Saved?" Text Taken by Sunday

(Continued from Page Four)

He came in and saw the sleeping young man, who was the son of a personal friend...

When the young man awoke and saw the royal seal he was afraid, but after awhile he broke it and found that the czar had written an order on the treasurer for the amount of his debts.

He told his friends and on their advice the order was presented. The treasurer refused it when it was offered, but they made an appeal to the czar, and he ordered it paid, and it was.

It didn't make any difference what he said, it was what they thought. Men go to hell for what they think. Men go to penitentiaries and jails for what they think if their thoughts are not in accord with the law. I told him he did not have a right to his opinions if they led him against the laws of God. I told him he was not a Christian at all.

How Are You Going to Cross the Line? Maybe your a drunkard, an adulterer, a prostitute, a liar, won't admit you are lost, are you proud, are you even proud you're not proud and Jesus has a time of it.

Jesus said: "Come to Me," not to the church. "To Me," not to a creed; "To Me," not to a preacher; "To Me," not to an evangelist; "To Me," not to a priest; "To Me," not to a pope.

God will not grant any extrajudicial papers. Get over the old line. A man isn't a soldier because he wears a uniform or carries a gun, or carries a canteen. He is a soldier when he makes a definite enlistment. All of the others can be bought without enlisting.

When a man becomes a soldier he goes out on master duty and takes an oath to defend his country. It's the oath that makes him a soldier. Going to church doesn't make a Christian any more than going to a garage makes you an automobilist, but public, definite enlistment for Christ makes you a Christian.

"Oh," a woman said me out in Iowa, "Mr. Sunday, I don't think I have to confess with my mouth." I said: "You're a fool, then, putting up your thought against God's."

M-o-u-t-h doesn't spell intellect. It spells mouth, and you can't confess with your mouth. The mouth is the biggest part about most people any how.

Jesus Understands Both Sides. What must I do? Philosophy doesn't answer it. Infidelity doesn't answer it. First, believe on the Lord Jesus Christ and thou shalt be saved. Believe in the Lord, Lord—that's His kingly name. That's the name He reigns under.

It takes that kind of a confession. Give me a Saviour with a sympathetic eye to watch me so I shall not wander. Give me a Saviour with a strong arm to catch me if I stumble. Give me a Saviour that will hear my slightest theory.

Believe on the Lord Jesus Christ and be saved. Christ is His resurrection name. He is sitting at the right hand of the Father now interceding for us. Because of His divinity He understands God's side of it and because of His humanity He understands our side of it.

Who is better qualified to be the mediator? He's a mediator. What is that? (Continued on Page Eleven, Column 3)

This Quaker Cooker

We have supplied perfect double Cookers to over 700,000 homes, to make Quaker Oats more delightful. They are made to our order to bring out the fullness of the flavor and aroma.

Such a Cooker as this, if sold at retail, would cost more than most homes would pay. But our purpose requires it in every home where Quaker Oats are used, so we ourselves supply it.

Our purpose is this: To create more Quaker Oats users, by making this the best-loved morning dish.

To this end, we use queen grains only in this brand—just the big, plump grains. We get but ten pounds per bushel. That means that two-thirds of the oats as they come to us are discarded in Quaker Oats.

The result is large, luscious flakes. They make this dish doubly delicious. Yet they cost you no extra price.

These flavory flakes have won the world to Quaker. In a hundred nations this is the favorite brand. Millions of oat lovers send thousands of miles to get it.

Our next object is right cooking, and we offer this Cooker to every home to attain it. But we supply only one to a home.

Get this Cooker next week under this special offer. You want children to delight in this vim-food. You want them to eat an abundance. The way to attain that is to serve Quaker Oats cooked in this Quaker Cooker.

For one week—for next week—we cut the payment in two. For 50c you get this big Aluminum Cooker. But this offer will never be repeated. No requests will be honored unless mailed next week. And the offer is confined to this county.

Next week's offer is this: Send us five trademarks—the picture of the Quaker—cut from the fronts of five Quaker Oats packages, 10c size, or two from the 25c size. Send with them only 50 cents, and we will send the Cooker by parcel post.

Note the grocers who have the Cooker on show. You will find Quaker Oats displayed with it. See the Cooker and, if you approve it, arrange next week to get it. It will mean a 50-cent saving under the lowest price we have ever offered. Please don't forget.
