CHICAGO, Oct. 14.—Wheat showed de cided weakness the greater part of the time today, although in the middle of the session the market for a while made a lively raily. Bearish cables formed the chief depreasing influence. The market closed heavy, 154962 to 2494 not lower, with December at \$1.058,001.058 and May at \$1.078, Corn finished 154716 to 3494 not lower, with December at \$1.058,001.058 and May at \$1.078, Corn finished 154716 to 3494 not lower, with December at \$1.058,001.058 and May at \$1.078, Corn finished 154716 to 3494 not lower, out the said of the Atlantic put the wheat bulls at a disadvantage from the start Advices were at hand also that France was obtaining shipments on a liberal scale from northern ports of Russia, one day's total being represented as \$0.000 hushels. Moreover, country offerings in the Dakotas and Minnesota were said to be established. The stimulus to buying though, failed to last.

That Europeans were buying futures here and milling demand in the northwest was of a persistent character led toward a decided upturn in values, with goasip meanwhile current, that a big new foreign credit in the United States was likely to be established. The stimulus to buying, though, failed to last.
