

SOUTH SIDE HIGH TIES THE BLUFFS

Outweighed and inexperienced Magic City team outplays leads from Over River and Earn Tie.

PENALTY COSTS THE GAME

Defeated by splendid manipulation of the forward pass, led by the famous "Wisconsin shift," Council Bluffs fought blindingly fifty minutes yesterday afternoon in an effort to defeat South High school on their own grounds. Their cause proved fruitless, however, and although they possessed every advantage from the start to the end of the game, they were unable to score a point.

Possessing power both as an invincible open field combination and as a great line plunging machine the South eleven was able to rip off gains with little effort and made 267 yards to their opponents' seventy-six. Council Bluffs outweighed the Omaha team by 10 pounds to the man, yet was forced to back out of danger at practically every other fourth down, but inexperience kept the Magic City team from victory.

The game was played almost exclusively in Council Bluffs territory. Three times during the contest South advanced the ball to their opponents' six-yard line or less the ball ones on a fumble and the other two times on inability to make their yards. The fast light backfield with Shainholts at full was unable to show its accustomed speed in the pinches. Alkie when the Bluffs punted out of danger, it was the South backs who failed to gather in the ball even after they had touched it. This little oversight cost them half the field in yards.

In the last quarter came the South score. Fired and away under the battering ram avalanche of the packer backfield, the Council Bluffs line failed to pile up with its usual swiftness and the local team took the cue. Twice within ten yards of goal the packers fumbled the ball only to recover it and smash through for their last gain. On one of these instances, a beautiful forward pass from Nestor, sailed right in the arms of Captain Bott, eluding one man obstructing his path by a clever ruse and side dive, the captain races twelve yards over goal. Due to a misunderstanding of signals, Nixon sailed his ball wrong and the pignakins said a few inches under the crossbar. But the score had been tied with two minutes still to play.

ARMY OF SERBIA DRAWN INTO THE BULGARIAN NET

(Continued from Page One.) A victory over the Turks in the Balkan war of 1912. According to an unofficial report the Bulgarians have taken the town.

Greece still hesitates. England's offer of Cyprus and according to report, a considerable extension of Greece's territory along the Aegean sea, and of colonies in Asia have brought no outward change in the situation.

On most of the long eastern front the Russians seem to be in the ascendancy, but both Petrograd and Berlin emphasize the increasing danger of Riga's position.

From the southwest the Germans are nearing the village of Olai, which is only twelve miles from Riga. They are also increasing their hold along the Dvina river, to the southeast of the city, being in that quarter within eight miles of their goal.

The Russians assert that German attacks in the region of Olai were repulsed, but the Germans are bombarding the Riga-Dvinsk railway beyond the Dvina, interfering with the forwarding of Russian reinforcements.

According to dispatches from Christiania the Russian port of Archangel already had been closed by ice. If this be true Russia will be deprived of this means of bringing in supplies unless ice breakers are able to work successfully.

School Board is Not Perturbed Over Remarks of Sunday

Members of the teachers' committee of the Board of Education made merry over "Billy" Sunday's appellation of "mutts," which name he was reported as having ascribed to members of the board who refused to allow him to speak in the public schools.

Thomas Fry of the board pushed his head into the committee room and greeted his fellow members with "Hello, mutts!" Frank H. Woodland was designated as "Jeff," because he voted to allow the Sunday people to speak in the schools. Mr. Woodland is tall and he accepted the honor with thanks.

"I will tell you what is the matter with this board! If you will get right down to the bottom of things you will find 'boozers,' facetiously remarked one of the committee.

As for their heavenly manions being "for rent," as asserted by Mr. Sunday, members of the board aver they are unfortunate in not having an enterprising real estate man on the board.

INDIANS BATTLE CREIGHTON TODAY

Kennedy Switches Redskin Lineup on Account of Injuries and Fontenelle Goes to Quarter.

BIG MASS MEETING IS HELD

Creighton university and the Haskell Indians will clash on Creighton field this afternoon at 2 o'clock. Both teams are in the best of condition, and both are expecting a victory, although by a stiff margin. Coach Kennedy has been obliged to shift his lineup somewhat, due to injuries to some of his men, and may present a weakened team thereby. Fontenelle, halfback, will start the game at quarter, both the regular quarterbacks being on the hospital list. McCloskey will probably work at Fontenelle's half.

So far as the Creighton team is concerned the men are in the best of condition, with the exception of Fullback Doty, who is suffering from a badly injured arm and will hardly be able to appear in the game. Lutes, the dazzling Omaha High player, has been worked in this position and will start the game.

Following is the lineup: CREIGHTON: Position. HASKELL: Kananaski, C. C. Stover Warren, R. G. L. G. Timothy Shannon, C. J. R. E. Campbell Hanson, C. R. E. Prader Gray, L. T. R. G. Fire Wright, L. E. OMAHA NOSES OUT WIN OVER NORFOLK

Headwork by Ed Doherty in Third Quarter Nets Purple and White Touchdown Which Counts.

M'ORMICK MAKES LONG RUN

A little headwork by one Edward Doherty, brand from the burning, who deserted Creighton High school after Creighton was licked by the purple and white and became a student in the Omaha High school, was what saved Omaha from defeat at the hands of Norfolk High school yesterday afternoon at Bourke park.

In the third quarter, with the score 9 to 7 against the local lads a forward pass was signaled by Quarter Neville. The play was to be made over the right wing, but the Norfolk defense covered up this wing, and it is probable that if the pass had been attempted as signaled it would have failed. But young Doherty got away clear on the left wing and he suddenly called for the ball. It was thrown him and he carried it over for a touchdown, making the final score 14 to 9. It was a little too warm for foot ball, and it seemed the athletes could not put the ginger into their work.

Norfolk Threatens.

The first quarter went scoreless, although Norfolk threatened twice. The lads from upstairs carried the ball within ten yards of the Omaha goal line on two occasions, but lacked the punch to put it across. By intercepting a forward pass on Norfolk's thirty-yard line in the second quarter Weirich counted Omaha's first touchdown. He nailed the pigskin while on the dead run and carried it across. Fullaway kicked the goal. A few seconds later in the same period McCormick caught a punt from Fullaway's boot in the middle of the lot and scrambled through a broken field for fifty yards and a touchdown. It was a foot run, one of the most spectacular of the game. Rorapough's attempt at goal failed. The half ended shortly afterward with the score 7 to 6 in Omaha's favor.

Piece Kick Successful.

After pushing the ball within twenty-five yards of Omaha's goal line the Norfolk attack failed in the third quarter, and Rorapough was called upon for a kick. With the ball directly in front of the posts he booted a pretty place kick directly through the bars for three points, putting his team in the lead, 9 to 7. But a few moments later Omaha by a series of spread formations carried the ball within twenty yards of the Norfolk goal, and then it was that Doherty called

for the forward pass and made the touchdown that won the game. There was no scoring in the last period. Norfolk made desperate attempts to count by frequent use of the forward pass, but the passes were intercepted or fumbled at the critical times and Omaha was victorious.

White Autos Beaten by South Tacomas

SAN FRANCISCO, Oct. 22.—The South Tacomas (Wash.) Tigers defeated the White Autos of Cleveland, O., here today in the first game of a series of three for the amateur base ball championship of the world, excluding intercollegiate games. The game was closely contested, no runs being scored after the fourth frame, when Tacomas bunched two hits and sent across the deciding tally in a 3 to 2 score.

Gopher's Captain Barred from Play

MINNEAPOLIS, Oct. 22.—Lorin Solon, captain of the University of Minnesota foot ball eleven, was this afternoon declared ineligible to take part in future intercollegiate competitions. The charge against him was that he played summer base ball on the Havre, Mont., team under the name of "Stone," receiving money for his services, in direct violation of the conference rules. The eligibility committee, which includes two foot ball players—Barton and Bierman—by unanimous vote withheld the charge of professionalism against the foot ball leader. In view of the fact that Solon signed an affidavit that he was an amateur, it was said that expulsion from the university might be asked by the eligibility board. The loss of Solon, foot ball followers assert, will be seriously felt by the Gophers. He was the team's surest ground gainer, its best goal kicker, a defense
