

SEMI-CENTENNIAL TO BE CELEBRATED

State Historical Society Suggests that Spectacular Celebration Be Held Next Fall.

FOLLOWED BY SOME OTHERS

To commemorate the first movement toward organizing Nebraska into a state, a big celebration and pageant is to be held in Omaha under the auspices of the Knights of Ak-Sar-Ben in the fall of 1916. The executive committee of twenty-five appointed from the committee of 100, at a meeting at the Fontenelle hotel, made a definite line of recommendations for this semi-centennial celebration in the following resolution:

"1. That a spectacular celebration be held in the city of Omaha in the fall of 1916 to commemorate the first steps toward statehood, which were taken in this city during the summer and fall of 1866 by the state legislature then in session in this city, and later by the election of United States senators and members of congress in the same year; that the principal features of the Omaha celebration shall be a historical, spectacular street pageant under the supervision and control of the Knights of Ak-Sar-Ben; that such additional features be added to the street pageant as may be found expedient, such as a pageant in the Auditorium illustrating the growth and development of the state, together with motion pictures illustrating the present state of our principal industries and civilization; the production in one of the theaters of a historical drama during the period of the celebration, and other similar features to be worked out by the local committees.

"2. That under the supervision of a committee, of which the superintendent of public instruction of the state shall be the chairman, celebrations be held on the first day of March, 1917, in the schools throughout the state; that such contests be arranged as will best serve to secure historical sketches of pioneer life and of the elements of progress, which have made up the last fifty years' history of this state; that county superintendents of schools be invited to co-operate, to the end that at each county seat in the state on March 1, the day of the admission of Nebraska into the union, such celebrations and contests may be held as will best serve to commemorate this occasion.

"3. That in the spring or early summer of 1917, at a date to be selected by local committees, a celebration, literary in character, be held at Lincoln, Neb.; that the state university, the State Historical society and other institutions and societies be invited to co-operate and assist in this celebration; that reunions of soldiers, state officials, university students and others, who have had a prominent part in the upbuilding of Nebraska, be arranged as a part of the program; that a musical program, and oratorical and literary productions, and reunions of pioneers be central features of this celebration.

"4. That the governor of the state be urged to invite all citizens to participate in these celebrations, and by proclamation to designate the several dates of the celebrations to be held.

"The following committees were appointed to arrange the details and fix the dates of these celebrations and to report later at a general meeting of the committee of 100 appointed by the State Historical society:

On arrangements for the Omaha celebration:
Gordon W. Wattles, A. L. Reed, Gilbert M. Hitchcock, Home Miller, Victor Rosenster, W. F. Fraser, E. E. Buckingham, W. H. Bucholz, Casper E. York, Norris Brown.

On arrangements for the school and county celebrations:
Prof. A. O. Thomas, Lincoln. Ross L. Hammond, Fremont. Judge Paul Jensen, Nebraska City.

On arrangements for the Lincoln celebration:
Dr. H. B. Lewry, H. B. Bushnell, A. J. Sawyer, Col. E. R. Sizer.

THE ONLY SUCCESSFUL TREATMENT FOR LIQUOR AND DRUG USING

The KEELY TREATMENT removes the craving for liquor and drugs and leaves the patient a new man. IT IS THE ONLY TREATMENT THAT WILL DO THIS, and the only one that cures alcoholic and drug inebriety. This treatment has restored over 400,000 men and women who were addicted to liquor and drugs; among the number are over 200,000 physicians. It is the PIONEER in this work and has many imitators, but no rivals or competitors as far as RESULTS are concerned.

During the THIRD OF A CENTURY that this treatment has been continuously and successfully administered, nearly two thousand imitators or alleged "cure" concerns have started out as our competitors; today scarcely a dozen survive. Some of them so closely imitate our claims, literature, etc., to such an extent, as to indicate a pre-determined intent to deceive.

They appear almost under every conceivable name, fool the people for a little while and pass on into oblivion, forgotten by the public, but not by the unfortunate whom they deluded and duped into trying their methods. The one regrettable feature is that they should be able to deceive any through false pretensions, or with their absurd and preposterous claims, for in many cases they drive all hope and confidence out of the lives of those whom they have thus misled.

If you need to take treatment for the liquor and drug addiction, investigate THE KEELY TREATMENT, a treatment that is known the world around and which is recognized by the public and the medical profession as the SUCCESSFUL TREATMENT for these addictions. Look up some of our former patients, whom you will find in every community. They are healthy, happy and prosperous; many of them will tell you that they would not be living today if it had not been for the KEELY TREATMENT. All business and correspondence with us is strictly confidential and all inquiries answered in plain sealed envelope.

H. W. Green of this city, announced he had closed a contract with Russian purchasing agents for 6,000,000 red oak railroad ties and L. F. Coleman announced he had secured contracts for 1,000,000 more. The ties will be used in double tracking the Riga to Moscow railroad.

"Just the Thing"
A tailor's work is sedentary. That is why most tailors suffer from constipation. G. W. Hoberson, Wichita Falls, Tex., says: "I find Foley Cathartic Tablets the most delightful, cleansing cathartic I have ever taken. They are just the thing." They keep the stomach sweet and the liver active, drive away headache, dullness, tired feeling, biliousness, flat and other results of clogged bowels. Prompt and effective, without gripe or pain. Most people praise them for the light, free feeling they give. Sold everywhere.—Advertisement.
