

HUNDREDS TAKE SAWDUST TRAIL

Record Mark of Services in Omaha Reached When Four Hundred Forty-One March to Front.

LOBECK AND THOMAS ALSO HIT

The Norfolk High school foot ball team hit the sawdust trail at the tabernacle Friday. So did Congressman C. O. Lobeck. So did B. F. Thomas, former postmaster and state senator.

All records of the campaign were broken when the trail hitters totalled 441.

It was "Rody," who had engineered the bringing in of the foot ball boys. They had good seats right in the middle of the choir and when "Billy" gave the call there were personal workers ready to "tackle" the team.

"Rody" presided over the program. "Billy" told them they had won a big victory on their trip to Omaha even though they had lost the foot ball game.

After "Billy" had gone, an old soldier came up to the platform and asked to shake "Rody's" hand in token that he had hit the trail. "Rody" received him with a fine talk and offered a special prayer for him.

So great was the gathering of trail-hitters on the front benches that the house of secretaries for taking the names was quite too small and men were led down from the rostrum to assist in the work.

Many special delegations were there and their greetings and the presentation of their gifts were a happy part of the meeting. The live stock exchange men from the stock yards sent up a big basket of flowers.

From the Brandeis store there was a delegation of several sundries and Arthur Brandeis sat on the rostrum beside "Ma" Sunday. The Brandeis folks had yells and chose as their favorite song "Ball On," and when Rodeheaver inquired whether the "ale was on tomorrow" the whole audience caught the josh and rocked with merriment.

A big delegation was there, also, from Hayden Brothers' store. When the employees of the Loyal hotel stood up "Rody" told the audience they were "our own home folks." The delegation from the Yagels & Hines Candy company sent up two boxes of candy for Miss Miller and Mrs. Asher.

The business women came direct from their banquet at the First Methodist church and occupied a big reserved section. They were the hosts of candy for Miss Miller and Mrs. Asher.

Employees of the Standard Oil company were there and also 200 doctors and their wives.

The "temperance engine" was fitted with a bell for the first time when "Rody" sang "The Brewer's Big Homes" and a pretty girl in the front row added the ringing of a bell which she had brought to the whistles and "choo-choo" of the audience.

W. G. Ure made the announcement before the collection was taken and pleaded with the people, please, please to get it into their hearts that Mr. Sunday did not require the guaranty of a single cent before he consented to come to Omaha. Though the newspapers have repeatedly stated this, there are still some who don't seem to know it.

"Billy's" sermon was a strong argument to those who are skeptical or hesitating about accepting the gospel of Jesus Christ. He pointed out the things of the world and the things of the hereafter.

He found opportunity to pour out the vials of his wrath again on some citizens of whom he does not approve.

Imps of Hell in Omaha. "You have some of the lowest imps this side of hell in Omaha," he shouted. "For twenty-five years they've had their heels on the throat and neck of Omaha. For twenty-five years they've been the gang have run you. That is why conditions are what they are. These white-livered, degenerate imps of hell would do anything to keep people from coming to the tabernacle for fear they would be converted."

HARBOR AT VARNA.

DUNDY COUNTY JAIL IN BAD

Secretary Shahan of Charity Board Finds it Decidedly Unsafe and Unsanitary.

NICE IN FURNAS, RED WILLOW

(From a Staff Correspondent.) LINCOLN, Oct. 23.—(Special.)—The Dundy county jail at Benkleman was severely condemned in a report on the condition of three jails and two poor farms in Nebraska filed today with Governor Morehead by J. W. Shahan, chief clerk of the Board of Charities and Corrections.

The jail, according to the report, is a small room, ten by twelve feet on the ground floor of a building that is not fireproof. It has no sewer connections, no water, no toilets, and therefore is decided unsafe and unsanitary for the housing of prisoners.

While Furnas county has a basement jail in the court house at Beaver City, the report says it is well ventilated and up to requirements. The county fair was found large and adequate, with a large supply of stock and 100 acres of land.

Red Willow county has a basement jail at McCook, reported fitted with all necessary sanitary equipment and kept neat by Sheriff L. A. Fitch. While the county farm has only one inmate it is roomy and adequate.

Presbyterian Synod Holding Its Session In City of Aurora

AURORA, Neb., Oct. 23.—(Special.)—The Presbyterian synod of Nebraska in annual convention here, is experiencing one of the most interesting sessions in years. The attendance is very large.

The moderator elected to preside over this year's meeting was Rev. Nathaniel McClinton, D. D., of Fremont.

College interests were given prominence yesterday, along with home missions, Sunday school work and evangelism.

President R. B. Crowe of Hastings college related how that school was experiencing the best year in student strength in its history of more than thirty years. Bellevue college was heard in a report from its vice president, Rev. Charles B. Baekerville, II, too, reported a good year, the best financially in the school's experience.

The progress of Presbyterian work at the state university was told by the student pastor, Rev. Dean R. Leonard, who ministers to the 900 Presbyterian young people at the institution.

Rev. J. P. Anderson of Lincoln told the synod that home missions in this state was being well cared for with the funds at the disposal of the committee. An additional \$1,000 was pledged at the close of his report.

The educational superintendent of the synod, Rev. R. H. Housman of Omaha, said in his annual report that along lines of better curriculum, standard adoption, promotion day, organized class certification and teacher training, Presbyterians had had the best year in their history.

The advance made in teacher training was the most pronounced of any denomination in the state. Two Sunday school ministers to the 900 Presbyterians in York county, had each risen through several years of fine work, to the place they were to be awarded the certificate of efficiency for having attained all the twenty points of the efficiency standard for Nebraska Presbyterians Sunday schools, a standard as heavy and balanced as any in America.

Evangelism is receiving conspicuous attention at the hands of the synod. This last year it has had heading this work, Rev. B. M. Long, D. D., of Lincoln. His report of field work was encouraging.

The committee on evangelism had been able to place eight evangelists in different parts of the state in meetings between now and the holidays.

Narrow Escape When Car Backs Off Long Bridge

WEEPING WATER, Neb., Oct. 23.—(Special Telegram.)—Six young men returning from a dance at Louisville narrowly escaped death in an automobile accident at 3 o'clock this morning when something went wrong with the rear of the car as they were ascending a hill just after crossing a sixty-foot bridge across the Weeping Water river.

The car started to back down the hill, and, becoming uncontrollable, struck the end of the bridge, and was only saved by a tree from plunging over the high embankment. The four occupants of the rear seat—Will Fahnestock, Harold Barnes, Vernon Smoots and Gus Wilk—were thrown into the stream thirty feet below. Fahnestock was the most seriously injured, sustaining severe cuts about the mouth and barely escaping drowning in the creek.

Fahnestock was still unconscious this morning. Witake sustained a sprained ankle, while the other two who went into the creek were only slightly injured.

The driver, Harry Leach, and his companion, John Conrad, escaped serious injury, all through the tree, which saved the car from going over, crashing through the side of the car on which Conrad sat.

News and Gossip Gathered at Beatrice

BEATRICE, Neb., Oct. 23.—(Special.)—Fire, starting in the coal supply in the boiler room of the Beatrice Creamery company's plant on lower o'Court street Friday evening, threatened the building, for a time threatened the building. The damage will be between \$500 and \$1,000 from smoke and water. The loss is covered by insurance.

Two new cases of diptheria were reported to the Board of Health Friday and the homes were promptly placed under quarantine. As a precautionary measure all the schools of the city will be thoroughly fumigated Saturday and Sunday. There are at present six cases in the city, and the authorities are doing everything possible to keep the disease from spreading.

Scott Hallet of Lincoln and Miss Inez Lewis were married at the home of the bride's parents, Mr. and Mrs. H. L. Lewis in this city. After a brief wedding trip the couple will make their home at Lincoln, where the groom is employed with a creamery company.

Harvey Young was severely burned on the face, head and arm with boiling asphalt while he was at work on his new store building at Adams. He was carrying a bucket of hot asphalt when he slipped and fell, the contents splashing over him, burning him severely about the face and one arm, his clothing saving his body.

Ex-Representative Dwight S. Dalbey was called to Taylorville, Ill., Friday night by a telegram announcing the death of his father, William Dalbey, an old resident of that city. He was 71 years of age and leaves a widow and five children.

At a meeting held east of Blue Springs Thursday night by Farm Demonstrator Liebers at which he discussed the hog cholera situation in the county, preliminary steps were taken for the purpose of fighting the disease. It is proposed for the farmers in four sections to organize and fight the scourge as a club and not individually, uniting in the burning of carcasses of hogs, in cleaning out the pens, etc.

To Enforce Law Against Cigarettes

FALLS CITY, Oct. 23.—(Special.)—Members of the Welfare League and Parents-Teachers' association, with the chief of police, picked up twenty-five boys, who have confessed to the use of tobacco, mostly in the form of cigarettes. These boys have divulged to the county attorney the names of the merchants from which they bought the cigarettes.

The boys are all minors from one school and the number will surprise some of the parents as much as the public. The committee are going further into the business and see that the state law against selling cigarettes, which is getting such a foothold on the youth of Falls City, is enforced.

AFFAIRS AT SOUTH OMAHA

Two Hundred Stockmen Leave to See Cornhuskers Battle with Notre Dame.

BYRNES INQUEST ON TODAY

Two hundred stockmen left at 8 o'clock this morning on their annual excursion trip to the state farm at Lincoln. They will see the Notre-Dame-Nebraska foot ball game this afternoon at the university athletic field.

A visit to the state farm will precede the game. The stockmen have always been strong boosters for the Cornhusker combination. The special will return at 5:30 o'clock from the Lincoln depot, just ahead of the regular Omaha train.

Byrnes Inquest. An inquest into the death of Joseph Byrnes, shot to death by Will McLaughlin, watchman in the employ of the elder Byrnes, last week, will be held this morning at the Larkin chapel. Twenty-four and a half days ago, the inquest was held at the Larkin chapel.

Cohn Goes West. Morrie Cohn, alumnus of the high school, will leave Monday for the west, where he will travel in the services of a big electric sign company. "Morrie" finished his course at the University of Wisconsin last semester. He dropped out a few days in Omaha and assumed tutorship of the high school foot ball team for the Bluffs game.

Traps on Tracks. Railroad special agents are having a troublesome time keeping women ignorant of the law from trespassing on the stock yards. Yesterday afternoon Special Agent Keiler of the Union Stock Yards company arrested two women, Agnes Chester, 308 G street, and Paulina Pede, Thirty-sixth and J streets, on a charge of trespassing. It is often found that these women pick coal from the tracks and steal it from coal cars sidetracked in the yards. Many similar arrests have been made in past months and the railroad company will prosecute all who trespass on the property.

Church Notes. St. Martin's, Corner Twenty-fourth and J. Rev. J. J. Walls, Ohl, Rector—Service for twenty-first Sunday after Trinity. Holy eucharist at 7:30 Sunday school at 9 a. m. Mattins and litany at 11:00. Evening: "The Resurrection of the Dead." Thursday evening: "Feast of Saints and Judl. Eucharist at 7:30.

Central Interdenominational Headquarters Temple Hall at Twenty-fifth and M—Bible school at 9:45. Morning worship at 11:00. "The Resurrection of the Dead." Evening: Song service at 7:30. Gospel sermon at 8:00. "God's Masterpiece—Man." Special music. Public is welcome.

Armies Fight on Their Stomachs

It Takes Good Digestion to Win in War or Anything Else—Use Stuart's Dyspepsia Tablets to Aid Digestion.

If your stomach can't take care of your food properly by itself, what is the logical thing to do? Not to give up and resign yourself to being a dyspeptic semi-invalid. No, the thing to do is to aid your stomach, to give it a little vacation.

Stuart's Dyspepsia Tablets go into your stomach just like food. They help digest this food. Then they enrich the blood and thus when the next meal is eaten the system is better prepared to do its work without assistance.

BRIEF CITY NEWS

Lincoln. Fall—600 Paxton Bk. Coffee processor, \$5, Burgess-Granden Have Best Print Is—Now Beacon Press "Today's Complete Movie Program" The Bee EXCLUSIVELY. Find out what the various moving picture theaters offer.

South Side Progressives Entertain—The South Side Progressive club will entertain next Friday evening at its hall, Fourteenth and Castelar streets.

Associated Charities Meeting—The annual meeting of the Associated Charities of Omaha will be held at the office of the society at Gardner hall, 1718 Dodge street, at 3 p. m. Monday.

For Safety First in Life Insurance—State Mutual Life Assurance Co. of Worcester, Mass., one of the oldest, 71 years, and best companies on earth.

Brookton Wants Sunday—A call was received for a "Billy" Sunday campaign in Brookton, Mass., which is the center of the shoe industry. Brookton is on Cape Code and would be the farthest east that "Billy" has ever gone in preaching. Honolulu, whether he goes next summer, will be the farthest west.

Elliot Holbrook to Lecture—"The Age of Man" will be the subject of a lecture by Elliott Holbrook at Theological hall, suite 701, Bee building, Sunday evening at 8 o'clock, in which he will discuss the theory of man's evolution through millions of years up to his present stage, and the ultimate goal to be reached. The lecture is free to the public.

To Run Sunday Trains—Beginning Sunday the northwestern road will run Sunday as well as week-day trains between Omaha and Okadale, via Albion and Scribner. This will afford through train service between those points daily, instead of daily except Sunday, as heretofore. Trains Nos. 209 and 210 will make this schedule: Leave Omaha 8:30 p. m., arrive Okadale 1:15 p. m.; leave Okadale 6 a. m., arrive Omaha 1:30 p. m.

LARGE DEMAND FOR SEATS AT BANQUET

All Sections of Nebraska to Be Represented at McKinley Club Dinner Friday.

ESTABROOK WILL BE SPEAKER

Not only Omaha, but all sections of the state will be represented at the McKinley club's banquet at Hotel Rome next Friday evening, according to announcement by President Harry S. Byrne. He has had calls for tickets from all quarters, including some of the most distant parts of Nebraska.

Henry D. Estabrook of New York, a former Omahan who has achieved national prominence, will be the principal speaker at the banquet. O. S. Spillman of Pierce will speak for the republicans out in the state, while the local republicans will be represented by an Omaha speaker yet to be named.

Reservations have been made for an attendance of 500 diners and it is expected that this reservation will have to be increased.

Mr. Estabrook will be the guest of the club as well as Mr. Spillman. Estabrook is regarded as one of the presidential possibilities of the next campaign while Spillman is looked upon with much favor as a leader among the younger republicans of the state. Estabrook and Spillman are regarded as orators of much ability.

The McKinley club is a young man's club principally. It has always taken prominent part in republican politics, both locally and in the state. The program of the club at its public meetings is to have one speaker representing republicans of the nation; one who speaks for the republicans of the state and a speaker from the ranks of the club itself.

Tickets for the dinner October 29 are now on sale at different places downtown. The tickets will cost \$1 each.

WANT EMPLOYMENT FOR THE RETURNING SOLDIERS

(Correspondence of the Associated Press.) LEIPZIG, Oct. 18.—In anticipation of the end of the war, thirteen of the most important branches of labor in Leipzig petitioned the city fathers to install, as a separate and distinct branch of the municipal employment bureau, a department specially for returning soldiers.

Store employees estimate that between 20,000 and 40,000 of their number will come back when peace is declared. The number of clerks is expected to be correspondingly large and the number of technical workers is also very great. The figures refer to entire Germany.

The Leipzigers believe that the work of finding places for Leipzig's share of the returning throng must be begun now if there is not to be confusion and suffering for many seeking work. The mercantile, technical and office employees of the city are pressing the matter especially in the belief that their branches of labor are going to be particularly hard pressed. In their petition, however, they do not hazard a guess as to when the return will begin.

Use The Bee's "Swapper" column.

NO UNEMPLOYED IN LONDON FOR BOARD TO FIND WORK FOR

(Correspondence of the Associated Press.) LONDON, Oct. 18.—The central unemployed body for London has practically gone out of business because there is no work for it to do. Organized primarily to find work for the unemployed in London, it now finds there are no unemployed to find work for.

The war, so far from increasing unemployment and poverty, was generally anticipated when the conflict began, has had the contrary effect.

"After nearly fifteen months of war," said Mr. Brinsley Harper, presiding at a meeting of the organization, "there is not only no evidence of distress but there is abundant evidence of abnormally plentiful employment and exceptionally high wages. Nor do the reports we have received indicate that the increased cost of living has led to an increase of poverty and destitution. A partial explanation may be found in the fact that owing to the great demand for juvenile labor young wage earners have been able to supplement the family income to an unprecedented extent."

Under these circumstances, Mr. Harper explained, it had been decided to close most of the offices of the organization and to retain only enough clerks to keep the machinery at the head office going.

Apartments, flats, houses and cottages can be rented quickly and cheaply by a Bee "For Rent."

Meat Cause of Lame Back and Kidney Trouble

Take a glass of Salts to flush Kidneys if your back is aching.

Noted authority says Uric Acid from meat irritates the Bladder.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick-headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Advertisement.
