

SHIRLEY AND WIFE REST IN ONE GRAVE

Coffins Containing Bodies of Young Couple Who Met Tragic Death in Single Vault.

MANY PEOPLE AT FUNERAL

Coffins containing the bodies of E. George Shirley, 27, and his wife, Mrs. Edith Shirley, 24, who were suffocated while asleep in their home by fumes of a gas heater, were placed close together in a single grave at St. Mary's cemetery Saturday.

The young couple had been married a few months more than a year. Relatives expressed the belief that both would have requested that their bodies should lie side by side in their last resting place had death not come in such form that neither knew of its approach. Their married life, it was said, had been uniformly happy.

Services were held at the home of Mr. Shirley's father, Michael Shirley, 3311 Burt street, and at St. Cecilia's church. The church was crowded by friends and acquaintances of the dead couple. A vast number of beautiful floral tributes were sent by friends. Mrs. S. M. Collins of Sacramento, Cal., mother of the dead woman, was among those who came to the funeral from out of town.

Rev. Joseph A. Weis preached the funeral sermon. He called attention to the value and beauty of the lives which Mr. and Mrs. Shirley had lived and compared their untimely deaths to the destruction of a flower. A musical and song program was a part of the services at the church.

A long procession of vehicles followed the bodies to their grave. Father Gately and Father McDermott officiated at the services at the grave. The pallbearers were:

Guy Furay, Charles McLaughlin, Dr. F. E. Dalley, Howard Farrell, E. Blaine Young, Bernard Siska, Herbert Connell, Robert Connell, Fred Meyers, Ed Murphy, R. Carstensen, George Meyer, Henry C. Forster, G. H. Miller, Dr. C. Hall, T. B. Coleman.

High mass was celebrated by Rev. W. P. Harrington as celebrant. Rev. J. F. McCarthy as deacon, Rev. William Fitzgerald as sub deacon, and Rev. Hugh Gately as master of ceremonies.

In the sanctuary were Father Stenson, Father Treney, Father McDermott of Measina, Ia., and Father McDaid of North Platte, Neb.

Russia Satisfied With the Progress Along the Front

PETROGRAD, Oct. 23.—Russia military authorities regard the situation along the entire front of approximately 975 miles as favorable from their point of view. Three days ago the German efforts between Mitau and the Gulf of Riga presented a serious problem. At the present time the status in that sector is considered by the Russians as satisfactory. The Germans have been checked and their sphere of action is being narrowed constantly.

Eastward the Russians are successfully pressing the Germans, gaining ground in many places. Their most considerable success recently has been at Postavy. This town was taken and the Germans were driven westward through Duka, in a fierce battle.

From that vicinity, south to the Baranovichi region, there is little activity at present. In the immediate vicinity of Baranovichi the Russians are still on the offensive.

In Galicia, the Russians are following up their successes at Novo Alexinetz. It is stated that three German divisions were cut to pieces there.

The Russian authorities attributed their successes to the vigor of the Russian attack, the exhaustion of German troops and the increasing difficulties of transportation with which the Austrians and Germans have to contend. It is stated, however, that the Germans have detached two armies for service in Serbia. These are the armies of Generals von Gallwitz and Koevess.

Serbian Legation Hears from Front

PARIS, Oct. 23.—The Serbian legation today received an official despatch dated October 20, giving the Serbian military situation up to October 20. It follows:

"Northwest front of Austro-German army: After determined fighting the enemy has taken the village of Rachanatz, the Serbian left wing south of Belgrade having been attacked by strong columns and obliged to withdraw upon their position of Koeman. Large hostile forces are in the direction of Borak-Stepolovatz.

"Eastern front: A column advancing toward the village Kraljevo Selox was repulsed by the Serbians and is retreating toward the village of Ochisau.

"Upon the Niolava there is no change.

"At Vlasinaia desperate fighting continues.

"In the new provinces the enemy has taken Velice.

"Upon the front of Strumitsa-Krivopalak (French troops) there is no change."

Mrs. George Meck Dies at Hospital

Mrs. George Meck, resident of Omaha since 1881, died at a local hospital, after an illness of about three weeks, caused largely from grief over the death of her son in August.

Mrs. Meck was the wife of George S. Meck, in charge of the mailing department of the Woodmen of the World, having been connected with the order for the last twenty years. She is survived by her husband, one son and two daughters, Mrs. Julius Wils, 1064 South Twenty-eighth street, and Delma, who lived at home. The son is Casatus H. Meck, mailing clerk in the postoffice.

The funeral will be held from the residence, 1514 South Twenty-eighth street, at 1 o'clock Sunday afternoon, with interment at West Lawn cemetery. The services will be held at St. Peter's church at 2 o'clock.
