

"BILLY" DEFILES DEV'L AT START OF NEW BATTLE

Tells Syracuse that Lies Told About Him Will Be Downed There as Everywhere He Has Appeared.

STUDENTS JOIN IN BIG PARADE

Fifteen Hundred of Them Welcome Evangelist with Shouts and Yells.

CAMPAIGN WILL BEGIN TODAY

SYRACUSE, N. Y., Oct. 30.—(Special Telegram.)—"Syracuse will do what Omaha and every decent community does, come to God." These words uttered by "Billy" Sunday this afternoon as his train entered New York Central depot ushered in his Syracuse campaign which has as its slogan, "Win the Vale of Onondaga for Christ."

Hundreds of cheering enthusiasts greeted "Billy" and his party on their arrival from Winona Lake, Ind., this afternoon. Met by leaders of the campaign, the Sunday party pushed their way through jostling crowds, fairly fighting their way to the street to reach the waiting automobiles.

Students in Parade.
Wearing arm bands, singing songs and giving yells just as if they were celebrating a great battle victory, 1,500 university students participated in the parade. On arrival at their home, the Sunday party reviewed the parade while standing on the porch. The bands played in front of the residence while under the direction of a choir leader. Rah, rah boys cheered the evangelist to the echo.

Sunday's first statement to the newspaper men concerned rumors about his health.

"I like to see any man in the country step up to me and call me a grifter. What would I do? Just let anyone try it, and see."

"I don't care what John read (referring to a Metropolitan magazine correspondent), I know what John is, and I would like to tell him so. He came to the House in Philadelphia, was royally entertained and went away and insulted every woman in the party, although he had only seen me and Mrs. Sunday. His lies and the lies of Windle, (referring to the editor of the Iconoclast), that he had seen me and Mrs. Sunday, the lie of all the rest of the gang, no matter where, are uttered, because they know I've got 'em on the run."

Devil on Run in Omaha.

"I've fought them for eighteen years. And I'll go on fighting them from hell to breakfast. Omaha knows what I can do. And I know what Omaha can do and will do."

"It was a hard fight in Omaha, but God won, and once carried, Omaha will stand firm. They have promised me to keep on making good, and with God's help, the people of Omaha will keep the devil on the run."

The Sunday tabernacle meeting will start tomorrow. Nearly all protestant churches will be closed. There was just one discordant note in the Sunday welcome. The Syracuse Messenger, edited by the Rev. U. J. Klingensmith, in the October number out today, said editorially: "The church of the Redeemer will be open during the Sunday revival. The Lutheran church does not approve of the methods of the modern revivalist, or wandering evangelist. Ours is a Lutheran congregation, and hence we cannot consistently take part in the Sunday revival, nor close our church during it."

Germany Requests Americans to Extend Relief to Poland

WASHINGTON, Oct. 30.—Germany has asked the American commission for relief in Belgium to undertake in Poland relief measures similar to those taken in Belgium. Officials of the State department have been informed that the commission has been told that between 200,000 and 300,000 people in that part of Poland occupied by German troops are destitute and in dire need. To adequately care for them would mean, it was said, an expenditure of approximately \$20,000,000 a month. Substantial negotiations are said to be proceeding, despite great difficulties.

CHAIRMAN HILLIS OUTLINES ISSUES

Head of Republican Organization Issues Statement in Connection with Call of Committee.

MANY LIGHTNING RODS ARE UP

NEW YORK, Oct. 30.—Chairman of both the democrat and republican national committees last night issued calls for meetings in Washington to select cities for the coming national conventions.

The democrats will meet on December 7, and the republicans December 14.

In addition to issuing his call, Chairman Charles Hillis, of the republican national committee set forth the probable line of campaign to be followed by his party. It will include:

An attack upon the democratic tariff. Criticism of the administration's handling of the affairs in Europe and Mexico. Charges that democracy has failed to keep its promise of an economical administration and has failed to keep its promises of peace and prosperity.

Attacks on the administration's government ship bill and other administration measures.

Mr. Hillis declared that there was no lack of interest in the presidential race. Active organizations, he said, are in the field for Senators Burton, Weeks, Cummings, Borah, Smith and Sherman.

Others who have strong followings he said, are Justice Hughes, Elihu Root, Philander C. Knox, Charles Warren Fairbanks, and Governor Brumbaugh of Pennsylvania. He also added that he had positive assurance that former President William Howard Taft will not consider another nomination for the presidency.

Besides selecting a convention city, the republicans will arrange for the appointment of various subcommittees and make other arrangements for the campaign.

Chicago, St. Louis and Dallas have applied for the democratic convention. The first two named have offered to meet all of the expenses of the national committee. Dallas has offered the use of an auditorium and a bonus of \$100,000.

FIRST SKIRMISH NEAR AGUA PRIETA

Indications Are that Villa Intends to Attack the Carranza Garrison from the East.

U. S. ARMY IS ON GUARD

WASHINGTON, Oct. 30.—Skirmishing between Villa and Carranza forces near Agua Prieta were reported today by Major General Fustun. Three hundred Villa troops were attacked at Cabilona by a Carranza patrol and forced to retreat to Anaveachi Pass, west of Agua Prieta.

The main Villa army camped last night on the banks of San Bernardino river, fifteen miles from Slaughter's ranch. Information in the possession of General Fustun led him to believe that the army today would march to a point twelve miles east of Agua Prieta. The attack, he said, probably will be from the east.

The position of the main Villa force was satisfactory to officials of the War department for the reason that, barring accidents, the entire force of Carranza troops now being transported through American territory, will have crossed the border to Agua Prieta before night.

Conditions at Cananea were reported improved. General Uricolea, the Villa commander, it was said, had promised to protect railroad and copper company property here, upon the condition that work be resumed at the earliest possible moment.

Villa is Expected Soon.

DOUGLAS, Ariz., Oct. 30.—Nigger Head, a black butte faintly representing the Villa army, was seen today. (Continued on Page Four, Column Three.)

BRITISH WARSHIP SUNK IN COLLISION

Mine Sweeper Hythe is Run Down by Another of His Majesty's Ships in Dardanelles.

HUNDRED MEN ARE DROWNED

LONDON, Oct. 30.—One hundred men are reported missing after a collision between the British auxiliary mine sweeper Hythe and another British warship off the Gallipoli peninsula, in which the Hythe was sunk.

The announcement was made today in an official statement by the British admiralty as follows:

"During the night of October 25-26, H. M. S. Hythe, an auxiliary mine sweeper, Lieutenant Commander Arthur Bird, was sunk after being in collision with another of his majesty's ships off the Gallipoli peninsula."

"At the time of the collision she had on board about 250 men in addition to her crew. One hundred are reported missing."

The Hythe was a merchant vessel taken over by the British admiralty for naval uses. It was a steamer of 500 tons gross and was built in 1905 at Dumbarton.

Reading Lamp Explodes.

STELLA, Neb., Oct. 30.—(Special.)—Mr. and Mrs. Dan Kelly, southeast of Stella, near Subert, sustained quite severe burns at 7 o'clock last evening, by the explosion of a large gasoline reading lamp. They were putting a wick into the lamp, and believed it to be entirely empty of gasoline. Mr. Kelly sustained burns on the hands, and Mrs. Kelly, about the face.

SHIP HESPERIAN SUNK BY TORPEDO

United States Naval Experts Report on Fragment of War Engine Found On Its Deck.

GERMANY WILL BE NOTIFIED

WASHINGTON, Oct. 30.—Secretary Lansing announced today that the Navy department had indicated that the fragment of the engine of war which sank the Allied liner Hesperian was a part of a torpedo. The German government has persistently denied that the Hesperian was torpedoed. In the opinion of United States naval experts the fragment could not have been a part of a machine mine.

The secretary said the result of the Navy department's investigation would immediately be communicated either to the German government directly or to Ambassador Bernstorff. The secretary volunteered no information regarding what form the communication to the German government might take.

Germany has made to the United States a qualified disclaimer of responsibility for the sinking of the Hesperian. In a note to Ambassador Gerard on September 14, the foreign office said that on the face of the evidence then at hand, Germany was satisfied that the Hesperian was not sunk by a German submarine.

The fragment of metal examined by the Navy department experts was said to have been picked from the deck of the Hesperian after the explosion. The Hesperian sank early in September off the Irish coast while making its way to port after being disabled by the explosion. The fragment was sent to the State department by the American embassy at London.

The State department heretofore had been in doubt regarding the direct cause of the sinking of the Hesperian. A number of affidavits from passengers and officers of the ship have been received by the State department.

The signers swore that the ship had been torpedoed. Two Americans were aboard.

Posthumous Papers Show Bishop Sacrifices His Life to His Work

As though death itself was powerless to halt the devoted service of the late Bishop George Biller of South Dakota, several posthumous papers were read at the session of the Episcopal synod of the Province of the Northwest at its meeting Saturday morning.

These papers showed that Bishop Biller had sacrificed his life for his work. "If I accept my election and appointment as bishop of South Dakota, I sign my own death warrant," he solemnly declared to a near friend at the time of his election. His prophecy was true, for he died October 22 at the age of 49 years.

The papers were read by Rev. Paul Roberts of Brookings, S. D. There were other speakers to show that South Dakota is by far the largest missionary district in the United States and entirely too large for one bishop. At the close of the discussion the synod voted unanimously to memorialize the general convention of the church at its meeting next year in St. Louis to appoint an assistant as well as a

CARRANZA TROOPS NEAR AGUA PRIETA

Reinforcements Arriving to Assist in Defense of Town Against Army of Villa.

FIFTEEN AMERICANS UNHARMED

DOUGLAS, Ariz., Oct. 30.—Reinforcements for the Carranza government of Agua Prieta, Sonora, across the border here, probably all will be here by night in readiness for the defense of the Mexican town against the Villa army, slowly approaching for battle or siege.

Villa's main army was reported today by General Calles to have been located at Corral de Pablos, on the San Bernardino river about twenty-five miles southeast of here. General Calles said he did not expect an attack until tomorrow or Monday.

Villa authorities sent word today to United States officials here that fifteen Americans held by Villa troops at El Tierno and Cananea, Sonora, were safe and would not be harmed. The message said the Americans probably would reach the border tomorrow, traveling in wagons.

Villa Resumes March.

General Francisco Villa's army resumed at daylight its march on Agua Prieta, Sonora, across the border from here, preceded by a cavalry advance guard which reached a point eighteen miles east of here.

Scouts of General P. Elias Calles, Carranza commander of Agua Prieta, reported Villa's troops were hardly able to fight and that women and children composing the customary camp followers were in a pitiable state.

Villa's main army, which camped last night in the San Bernardino valley, about forty miles southeast, began at daylight its slow journey up the valley.

Five hundred cavalrymen reached Slaughter's ranch, eighteen miles east along the border, where horses were turned loose in the alfalfa fields. Fifteen head of cattle that wandered across the line from the American side disappeared. Their return was not expected.

Villistas Near Maricao.

General Calles reported officially today that a detachment of 800 men sent to Cabilona yesterday killed twenty men in the Villa advance guard and scattered more than 1,000 after capturing fourteen. The prisoners were brought to Agua Prieta. Carranza officials said the men admitted Villa's army was in bad shape. They said the soldiers actually were starving and mutinous and that the condition of women and children in the camp was unfortunate.

Detachments of United States troops which arrived here last night joined the Carranza army. The complete capture of the town was expected.

Two troops of United States cavalry and a machine gun platoon were placed on guard at Slaughter's ranch today across the border from Villa's cavalry advance guard.

TEUTON ARMIES MENACE GREAT SERB ARSENAL

Position of the Little Slavonic Kingdom is Daily Becoming More and More Desperate as Invaders Push On.

BULGARS TAKE MORE TOWNS

Serbians Are in Retreat in Westerly Direction Along the Entire Battle Front.

FRENCH HOLDING STRUMITZA

PARIS, Oct. 30.—The British troops which were landed at Saloniki are said by the Havas correspondent there to have received orders from London to depart for the Serbian front. The correspondent adds that a junction with Serbian troops already has been effected.

LONDON, Oct. 30.—The position of Serbia is becoming more desperate daily. Nish is threatened by the Bulgarians, while the Austrians and Germans are gradually opening the way toward the great Serbian arsenal at Kraguevats. Rome reports that the Serbian capital has been removed to a "certain point."

According to the latest official reports from Sofia the Serbians are in retreat in a westerly direction all along the Bulgarian front. Unofficial dispatches state that a Bulgarian officer commanding an advance patrol has dined with the Austro-German staff.

The Bulgarians assert that they are in possession of Negotin, Brza Palanka, Zajecar, Kraljeva and several villages in the Timok valley, which gives them a strategic position of primary importance. The complete capture of Pirot is not claimed by the war office at Sofia, which says the Bulgarians, after storming the southern fortifications, penetrated the town, where night put an end to the fighting.

French Hold Strumitza.

With the exception of the unofficial report that the French are now firmly in possession of Strumitza, no news has been received concerning the military movements of the entente allies in the Balkans.

From Bulgarian sources admissions have been received that the seaports recently bombarded suffered severely. A Bucharest dispatch says that Russian troops have set sail from Odessa and Sebastopol for the Bulgarian coast.

Along the other fronts severe fighting is reported without decisive results. An important struggle is in progress on the Austro-Italian line. Vienna reports Italian attacks were repulsed after a sanguinary struggle.

Germany to Restrict Meat Consumption

LONDON, Oct. 30.—German newspapers publish the schedule prepared by the German federal council for the execution of the decision to restrict consumption of meat. The schedule, as forwarded by Reuters's Amsterdam correspondent, is as follows:

Mondays and Thursdays: Restaurants shall offer no meat, fish, fowl or dishes cooked in lard, bacon or drippings.

Tuesdays and Fridays: Butchers shall sell no raw or cooked meats.

Saturdays: Pork shall not be sold.

Thus far, the federal council has placed no restrictions on cooking of meats in homes.

British Recruiters Fined Thousand Each

SAN FRANCISCO, Oct. 30.—Dr. Thomas Addis and Ralph K. Blair, both of San Francisco, convicted of violating the neutrality of the United States by conspiring to hire and recruit men in this country for the British army, in the United States district court today were fined \$1,000 each. No prison sentence was imposed.

King George is Reported Better

LONDON, Oct. 30.—King George, who was injured on Thursday by being thrown from his horse while reviewing troops in the field, continues to improve. An official statement issued today says:

"The king's condition shows further improvement. There has been some sleep and the pain is diminishing. Temperature and pulse are normal."

Pirot Falls After Three Days' Battle

SOPIA, Oct. 27.—(Via London, Oct. 30.)—The fall of Pirot this morning (Wednesday) was a severe blow to the Serbian army, since the reduction of this strong position leaves open the road to Nish and invites a strong Bulgarian advance towards the center of old Serbia. The capture of Pirot followed three days of desperate fighting, ending at nightfall on October 26.

The Day's War News

LARGE RUSSIAN FORCES are to attempt a landing on the Bulgarian Black Sea coast, according to advice received in Berlin.

DEFINITE ANNOUNCEMENT of the capture of the Serbian stronghold of Pirot is carried in the current statement by the Vienna war office.

FRENCH HAVE MADE further gains in the Artois region, occupying a section of German trenches at Bois En Hache. They repulsed a German attack near Hill No. 140, southeast of Souchez. These announcements are made in today's official statement from Paris.

FOUR VIOLENT counter attacks by the Germans near the position of "La Courtine," in the Champagne, where the French made gains yesterday, are declared to have been completely repulsed and all the French gains retained.

TURKISH TRENCHES near the tip of the Gallipoli peninsula were destroyed by allied fire and Turkish guns blew up an ammunition storehouse of the expeditionary force, an official Turkish statement says.

MONTENEGRIN TROOPS have taken the offensive against the Austrians in Bosnia, near the Serbian border, and have inflicted large losses, according to a statement issued by the Montenegrin legation in Paris. An important battle began south of Visegrad Thursday, the result of which is not yet known.
