

### MANY TOWNS SEND ALL THE TEACHERS

But Hastings School Board Decides Not to Give Its Force Any Time Off.

### MANY COMING FROM IOWA, TOO

The Hastings Board of Education is urged all the teachers to attend. Schuyler has granted the three days and is coming with twenty-two teachers. Superintendent J. A. Truse has written the fact to the Bureau of Publicity in reply to the neat little card of invitation and greeting the bureau sent out in behalf of Omaha.

Merna, Neb., is coming with three teachers. Lynch is coming with its entire force. Columbus has granted the three days and is to be represented by the entire force of teachers of this county with its force, and Avery is coming with its ten teachers. Astell is coming with the force and Cook has promised its seven teachers as delegates. Prosser has promised three, Dodge, nine, and Malmo, three. Grand Island comes forward with a promise to dismiss the school for the three days and send the sixty-eight teachers. The president of the association is from that place, Superintendent R. J. Barr.

Deerfield is coming with its entire force of teachers for the three days time to attend the convention. The Nebraska State Teachers' association in Omaha next week. Brady, Neb., is the one other town thus far reported, where the teachers will not be allowed the three days time to attend the convention.

In contrast to these are dozens of other places in the state where the board has long since granted the three days and seven from Elkhorst.

The Kearney Normal is to dismiss and send the teaching force. The Peru schools are to dismiss and send the force. Elkhorst is to send its seven teachers. Crab Orchard, its four, and Nebraska City has promised the entire force of forty-two teachers. The whole force from Lyons has promised to come. Overton is to bring seven, David City is to bring the whole force, Central City, twenty-two, and Fremont thus far has reported the largest delegation, which is sixty-four. McCook is to send all its high school teachers. Sidney is to be here with seven, Bellwood, four; Gresham, five, and Battle Creek and Colyer, their entire forces.

The Iowa towns have begun to report the number they are to send. Shenandoah, Clarinda, Dunlap and Arion have promised their teaching forces as delegates.

### OMAHA MAN HONORED BY DAIRY INSPECTORS

CLAUDE F. BOSSE. Elected President of International Milk and Dairy Inspectors' Association.

### FIRST PASTOR ENTERTAINED

Rev. Willard Scott at Annual Dinner of St. Mary's Avenue Congregational Church.

### PASTOR HULBERT WELCOMED

The annual dinner of St. Mary's Avenue Congregational church was held last evening in the Sunday school room of the church. This event marked the beginning of a strenuous season that has been planned by Pastor Hulbert for the church. The gathering of 300 members and friends of the congregation was conspicuous for its unusual enthusiasm. It was the first time that Rev. Mr. Hulbert had met the congregation as a whole since his enforced absence of several months. He was welcomed with prolonged applause.

W. S. Wright was toastmaster. His introductions were the occasion of much mirth. T. W. Blackburn was the first victim of his wit. The latter proved very entertaining in spite of the toastmaster's doubt.

W. J. Connell was called upon to relate to the present congregation of the humble beginnings of the church. At the speakers' table were seated nineteen of the original membership. Mr. Connell related how thirty-three years ago, when Omaha was mud, the idea of St. Mary's church was conceived by a small group of men gathered beneath an old elm which still stands on St. Mary's avenue.

The present pastor followed Mr. Connell. In the course of his brief remarks he thanked the congregation for its loyalty to him during his recent ill health.

The guest of the evening was Rev. Willard Scott, D. D., the founder and first pastor of the church. He made the point that in church work, the

foundation must be continually re-founded, that the life of the church is centered in the youth of the church.

Between speeches "The Kelly Choir" rendered pleasing selections. The dinner was characteristic of those given by the women of St. Mary's in the abundance of good things to eat, while the occasion was characterized by a splendid spirit of harmony and goodwill. The overcrowded hall was prophetic of the accomplishment of a big work which shall be in part, perhaps, the providing of new and larger accommodations.

### Throws \$50 Bill Into the Sewer

Deputy sheriffs and jailers at the court house are bemoaning the loss of \$50 which William Smith, a prisoner, threw into a sewer in order to keep it from being found on his person and used against him as evidence.

However, the county jail attaches had the satisfaction of seeing Smith plead guilty to larceny from the person Friday and get a sentence of from one to seven years in prison.

He was discovered to have the \$50 piece of currency sewed in his clothes when he was sent to jail for picking a man's pocket, but before the money could be secured by the jailer Smith threw it into a sewer.
