Campbell Says Farmer Forced Way to Front

"Farmers of the state spanked the school teachers until they were forced to give the rural population the kind of education we demanded," declared W. H. Campbell of Central City last night as he discussed the outlook for the coming convention of the Nebraska Teachers' association, to which he is a Board of Education delegate.
"We farmers long were ignored, but we have forced the people of the state to recognize our claims, and as they are now being carried out by State Superintendent Thomas, they are quite satisfactory to us. The rural school is coming into its own rapidly."
Mr. Campbell is a guiding spirit in the Nebraska Farmers' congress and expects to take a deep interest in the convention. He said the association constitution now permits the school boards to have full membership, and if the farmers who constitute the great majority of these boards, should ever take a notion to attend a teachers' convention in force, they might see to it that their desires were fully carried out.

King George Pins Cross on Soldier

LONDON, Nov. 3.—While King George was in an ambulance train yesterday, being conveyed from an unnamed town in France to the coast, it developed today, he directed that Lance Sergeant Oliver Brooks of the Coldstream guards, who had just been awarded the Victoria cross, be brought to the royal car, and there, despite his weakness, due to his recent accident, the king pinned the medal on the soldier's tunic. He did so while lying prone and was as weak that he found it difficult to push the pin through the khaki.
With his face flushed with pride, Sergeant Brooks knelt by the king's bed until the medal had been affixed.
The king's journey across the channel was exceedingly rough but his majesty bore well. On his arrival at the Victoria station he had to be carried on a stretcher to a waiting ambulance, which took him to Buckingham palace.

LIBERAL AID SOCIETY GIVES HELP TO FAMILY

Police Matron Gibbons, who does a great deal of charity work in her leisure time, found out about the case and tried to obtain relief from a local charity. Considerable delay resulted and meanwhile the family was in want.

Norman Green, 12 of 2430 Charles, was painfully injured yesterday afternoon when he was run over by an auto driven by George Butler, 2215 North Twenty-second. The youngster was stealing a ride on a truck that was preceding the Butler machine on Twenty-fourth and he dropped off directly in front of the other car.
Butler could not stop in time to avoid hitting the boy. He picked him up and took him to police headquarters, where he received medical aid.

An Omaha Case

Mrs. W. D. Woodworth, 2623 Franklin St., says: "I was having awful trouble with my kidneys. My back ached and my kidneys didn't act properly. After using one box of Doan's Kidney Pills, I was no longer bothered by any symptoms of kidney trouble."

Dandruff Soon Ruins The Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and itching of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.—Advertisement.
