

LUCKY LEADS
TEACHERS' RACE
FOR PRESIDENT

University of Nebraska Man Receives Highest Vote Among Five Leaders Nominated for Chief Office.

HAS MARGIN OF THREE HUNDRED

Principal Hillyer of Beatrice Receives Largest Vote Cast for Vice President.

MANY BALLOTS FOR MATTHEWS

Dr. G. W. A. Luckey of the University of Nebraska is high man in the five nominations for president of the Nebraska State Teachers' association, with 627 votes, as against 358 for H. H. Hahn, dean of the Wayne normal school, who is second man in the list.

Principal A. P. Hillyer of Beatrice leads in the nominees for vice president.

J. F. Matthews of Grand Island, present treasurer of the association, received by far the highest vote in any of the races for office. His vote for the nomination for re-election to the treasurer's office is 1,019 as against 74 for E. U. Graf of Omaha, next highest man in the running in this primary.

Five candidates are nominated for each of the offices. The five for the respective places given in the list will all be placed on the official ballot, which will go out by mail within ten days to all the members of the association in the state. They will record their preference for one man for each office at that time, and when the vote is officially tabulated the official announcement of the election will be made.

Many Candidates for Offices. The primary system brought out a great block of candidates for president, 22 names appeared on the 4,183 ballots cast.

For vice president 264 names appeared. For treasurer 214 names appeared.

The nominees are as follows:

- FOR PRESIDENT: Dr. G. W. A. Luckey, Lincoln, 627; H. H. Hahn, Wayne, 358; E. U. Graf, Omaha, 357; H. V. Clark, Kearney, 148; Earl Cline, Nebraska City, 129.

- FOR VICE PRESIDENT: Principal A. P. Hillyer, Beatrice, 129; Principal Masters, Omaha, 73; Superintendent E. U. Graf, Omaha, 72; Dr. Luckey, Lincoln, 70; Superintendent Hunker, Lincoln, 65.

- FOR TREASURER: J. F. Matthews, Grand Island, 1,019; E. U. Graf, Omaha, 74; Earl Cline, Nebraska City, 33; Belle Kgan, Omaha, 32; N. M. Graham, Omaha, 13.

- FOR EXECUTIVE COMMITTEE: V. G. May, Lincoln, 29; Fred Hunter, Omaha, 28; Charles Taylor, Lincoln, 9; Earl Cline, Nebraska City, 9; J. A. Dorfman, Omaha, 9.

- THIRD DISTRICT: A. H. Dixon, Tokamah, 27; R. M. Campbell, Columbus, 12; J. J. Shaw, Schuyler, 9; A. H. Waterhouse, Fremont, 7; A. E. Condon, Fremont, 6.

- FOURTH DISTRICT: John Woodward, Seward, 7; R. R. McGee, David City, 7; Rev. John J. Sheridan, St. Louis, 6; A. E. Fisher, Aurora, 3; W. B. Johns, York, 3.

- FIFTH DISTRICT: R. J. Barr, Grand Island, 64; T. W. Everhart, Hastings, 6; Mitchell, Kearney, 5; W. T. Davis, McCook, 5; O. Muck, Grand Island, 3.

- SIXTH DISTRICT: H. O. Sutton, Kearney, 29; E. E. Hays, Chadron, 7; W. T. Skolden, Chadron, 5; Wilson Yout, Fort Platte, 3; Edward Huwaldt, Kearney, 2.

Five Committee Vacancies. Five members of the executive committee must be elected this year. Ordinarily three are elected, but on account of several moving from the state during the last year it was necessary to elect five this year.

These are elected by congressional districts. The second district, which is the district in which Omaha is located, is the only district that has a committee-man holding over. Consequently none is to be elected from the second district this year.

There are necessarily twenty-five candidates for these five places as by the constitutional provision there must be five nominated for each of the five places.

Within the next ten days the official ballots are to go out to the teachers all over the state, members of the association. This will mean the mailing of 4,183 ballots. Besides containing the names of all these candidates for the offices the ballot will contain the names of Omaha and Lincoln as places for holding the next convention. The teachers will register their preference on this matter also.

SUNDAY PUSHES SYRACUSE FIGHT

Workers Particularly Active Among Factories, Where Has Good Results.

ARMED NEUTRALITY IS EVIDENT

SYRACUSE, N. Y., Nov. 6.—(Special Telegram.)—With an attendance record of 107,500 and a financial record of \$4,745.76 to date, as compared with \$5,000 and \$4,803.92, for the same period of his Omaha campaign, "Billy" Sunday took the bull by the horns, figuratively speaking, and told Syracuse that he was going to preach the truth even if he had to load his trunk upon a wheelbarrow at the expiration of his soul-saving fight here in order to reach Trenton, N. J., where he will conduct revivals during December.

"Billy" Sunday's first week here has been a busy one. His forty-two-centimeter gauge has so far been raised upon negligent and selfish parents, grafters, religious shamans and evils that threaten in youth. In addition he has defended his methods against assaults by clergy and laymen made in local papers.

Work in Factories.

Over 50,000 people in shops, factories, stores and offices have heard Sunday's workers preach, while thousands more have attended the hundreds of prayer meetings being held in Syracuse homes every morning.

Sunday himself is delighted with the prospects here. "You're a nice bunch of people," he said tonight. "Most generally it takes us two weeks to feel at home, but in Syracuse we were at home the day after we arrived."

Threatened opposition on the part of Unitarians, Universalists and Congregationalists has so far failed to materialize. Those opposed to him are maintaining an attitude of "armed neutrality" and "watchful waiting." The Congregationalists have raised a fund to fight him if he attacks their creed.

But one attack upon him has been made and it was ignored. It came from Rev. John J. Sheridan, rector of St. Louis Catholic church and was against the use of public schools as meeting places for students before marching to the tabernacle.

Takes on New Worker.

Syracuse has so many factories and the work in the industrial section of the city was going so well that Rev. Isaac Ward of Philadelphia has been added to the party. Rev. Mr. Ward was very successful in the shop districts in the Philadelphia, U. S. campaign so that reason was invited here on leave of absence from his church.

New Hotel Will Be Built at Alliance

Guy Lockwood, for the last six years manager of the Burlington hotel at Alliance, and E. T. Kibble, a prominent real estate dealer of northwestern Nebraska, completed plans in Omaha yesterday for the construction of a new \$200,000 hotel at Alliance, which will be managed by Mr. Lockwood. The new hotel will have fifty-five rooms, will be three stories in height and the building will be entirely fireproof.

"It will be one of the best hotels in the state," declared Mr. Lockwood yesterday. "It will be thoroughly modern in every respect. Alliance is a growing town and its need of a good hotel is urgent. Mr. Kibble and myself have made arrangements for what we believe will be a hotel fully in keeping with the rapid strides made by the city."

NISH IS CAPTURED AFTER LONG FIGHT

German Official Report Announces Fall of Serbian Stronghold and Several Other Cities.

MANY PRISONERS ARE TAKEN

BERLIN, Nov. 6.—(By Wireless to Sayville.)—The capture of Nish, Serbia, by the Bulgarians was announced officially here today. The capture of Varvarin, on the Morava river, in Serbia, about forty miles northwest of Nish, was announced today by the German War office. More than 3,000 Serbians were taken prisoners.

The town of Kraljevo, thirty-five miles southwest of Kragujevatz, also has been captured by the Germans, who are pursuing the Serbians to the east of that point.

The Germans have reached the Zupanyevac district and in the Morava valley have pursued the Serbians beyond Obrodinac.

The Bulgarian conquest of Nish was effected after three days of heavy fighting. In these engagements the Bulgarians captured 350 Serbians and two cannons.

Near Lukovo the Bulgarians defeated the Serbians and in the vicinity of Sokobanja also they won a victory, taking more than 800 prisoners and six cannons. Bulgarian and German forces got in touch with each other near Kr'ivr.

With the exception of Belgrade, Nish is the largest city in Serbia. Soon after the outbreak of the war the capital was transferred from Belgrade to Nish. There the government remained until the city was threatened by the invaders. In the last month various towns have been mentioned as the temporary seat of the government. Nish is situated on the main railroad line of Serbia, running from Belgrade to Saloniki. There are no recent statistics of its population, which twenty years ago was 21,500.

Fifteen Chinese Provinces Vote for Monarch's Return

PEKING, Nov. 6.—Fifteen of the eighteen provinces of China are said by the government to have voted in favor of a monarchy.

The minister of foreign affairs, Lu Cheng Hsiang, made this statement to M. Oshata, secretary of the Japanese legation, in explaining why, in its opinion, the government could not legally defer the decision of the people concerning the proposal to re-establish a monarchy. The foreign minister contended China was misrepresented by reports that hasty action was contemplated and pointed to the advanced stage which the elections already had reached. He assured M. Oshata, the Chinese government was considering the friendly advice of the powers in the same spirit in which it was offered. It is reported from a reliable source that the government may request the council of state, acting as parliament, to legislate a postponement of the monarchical restoration should it finally be decided upon.

The French, British and Russian ministers have not asked China to explain its reply, as it was considered by them to be satisfactory.

Yankton Girl is Shot by Hunter

YANKTON, S. D., Nov. 6.—(Special Telegram.)—Beale Wallace, 14-year-old daughter of Dave Wallace, was accidentally shot at 8 a. m. today by an unknown hunter. The bullet, a 12, entered the body an inch below the heart. The girl is in a dangerous situation.

DOCTORS HELD BY VILLA REACH NACO

American Physicians and Chauffeurs Thrice Condemned to Death Executed by Lone Tramp

AUTO AND WATCHES ARE TAKEN

NACO, Ariz., Nov. 6.—N. R. Thielen and James Miller, American doctors, and two chauffeurs, A. L. Wilson and J. B. Pylant, whom Villa reported to have been shot, arrived here early today from Villa Verde, twenty-two miles south, in Sonora.

Weary from long marching a-foot and suffering from the nervous strain of having been thrice condemned to die by Villa, the four Americans almost dropped in their tracks after crossing the line and were at once put to bed.

Thielsen said there were taken for spies when they arrived Wednesday on the Agua Prieta battlefield without credentials.

Villa declared them Carranza agents despite their protests that they had come to aid his wounded lying in windows after the terrific hail of bullets and shells from the Agua Prieta garrison, and the order for their immediate execution was rescinded only after Colonel Bracamonte of Villa's staff, who knew the doctors, had interceded for them.

They had marched one foot under heavy guard from Agua Prieta to Villa Verde and arrived Thursday night after Villa had informed General Funston and other American army officers that they had been killed by rifle or shell fire from the Carranza trenches.

Again at Villa Verde the following day Villa ordered the men shot and once more Bracamonte's intercession saved them. Apparently to make his statement good, the men said, Villa again sentenced them to death. Then yesterday came the order for their release and, for the first time free, they made their way alone to Naco, Ariz. Meanwhile, they were relieved of their watches and coats by Villa soldiers, while the chief himself confiscated the automobiles driven by Pylant and Wilson.

Kitchener Goes to Near East and May Leave the War Post

LONDON, Nov. 6.—The Post says that Earl Kitchener, secretary for war, has been entrusted with an important mission to the near east and already has departed from London.

"It is generally believed," says the Post, that Earl Kitchener's business will necessitate a stay so prolonged that it will be necessary to fill his place at the war office before long. It is true that he has not resigned, but the importance of his present errand makes it certain that his resignation is only delayed.

The suggestion has been made that Lord Haldane be brought back to the war office, but this is probably unfounded.

Retraction of the report that Earl Kitchener had placed his resignation as secretary of state for war in the hands of the king has brought forth an official report to the contrary.

According to the Daily Graphic, Earl Kitchener made the king Thursday night, as was announced yesterday at the king's own request.

The Graphic, urging the government not to delay disclosure of the actual facts, suggests that Lord Derby, who is now in charge of British recruiting, would make an excellent war minister.

Fire on Sugar Ship Rio Lages Caused by Incendiary Bomb

HALIFAX, N. E., Nov. 6.—The fire in the cargo of sugar on the British steamer Rio Lages, which put in here late last night with the flames still smoldering, was caused by an incendiary bomb, according to a statement today by Captain Bel of the steamer. The fire is now virtually out after having been fought with steam and water continuously since it was discovered early Thursday, the fourth day out from New York.

Captain Bel said the cargo, which was consigned to the British sugar commission at Queenstown, had been loaded by Austrian and German stevedores at Yonkers, N. Y., and that there was ample opportunity for a spy to place an incendiary bomb in the sugar bags. He added that spontaneous combustion in such a cargo was practically unknown.

GERMAN SUBSEAS PASS GIBRALTAR

Kaiser's Submarines Sink Two French and One Italian Ship in the Mediterranean.

CREW OF ONE CRAFT MISSING

PARIS, Nov. 6.—The straits of Gibraltar have again been passed by German submarines, which on Thursday sank two French and one Italian steamship. The crew of one vessel is missing.

The following statement was made by the marine ministry today: "The enemy's submarines, coming from the Atlantic, passed through the straits of Gibraltar on the night of November 3. They sank on November 4 the French ship Dahra, off Arzew, Algeria, and the French ship Calvados and the Italian ship Ionia, near Cape Ivi.

"The crew of the Dahra and the Ionia were saved. There is no news from the crew of the Calvados."

Ship Sank Off Algiers. ALGIERS (Via Paris), Nov. 6.—The steamship Sidi Ferruch was sunk yesterday forty miles off this port by a German submarine. The steamer's crew of twenty-eight men arrived today at Algiers. The Sidi Ferruch carried no passengers.

The sinking of the Ionia was reported from London last night. The Dahra, 2,177 tons gross, sailed from Port Talbot, Wales, on October 7, for Tunis. The Calvados is not mentioned in maritime records.

German submarines have penetrated the straits of Gibraltar previously during the war. This was first accomplished successfully when Captain Herring made his now famous trip with the U-51 from Germany to the Dardanelles last spring. In September a number of merchantmen and transports were sunk in the Mediterranean by submarines.

Morgen Post Attacks President Wilson

BERLIN (Via London), Nov. 6.—The Morgen Post attacks President Wilson sharply today for remarks in his speech in New York on Thursday concerning persons in the United States who are patriots of other causes than that of America and have forgotten that their chief allegiance is to the American government.

The Morgen Post says the elections of Tuesday "brought a heavy moral defeat" for the president and that his speech was obviously directed against German-Americans.

SHRINERS PREPARE FOR A CEREMONIAL

Members of Tangier Temple Are to Take Large Class of Candidates Across Burning Sands.

PLANS FOR MAKING TRIP EASY

Members of Tangier temple, Ancient Order of the Mystic Shrine, have completed their plans for the ceremonial session and grand carnival of indoor sports, to be held Friday, November 19, and it gives promise of being one of the most instructive and enjoyable functions in the history of Shrinedom, so far as Omaha is concerned.

Besides the members of Tangier, it is expected that there will be present large numbers of Shriners from out in the state and from over in Iowa.

The program that has been issued and which contains the menu of the good things to be served for local Shriners and visitors, carries on its front page a picture of the new Masonic building, which is also to be the future home of the nobles of Tangier. This building, the plans for which have been prepared and which will be erected on the quarter block on Douglas street, just west of the Hotel Fontenelle, will be eight stories high, fire proof in every sense of the word, and with the exception of the lower story, will be used exclusively for lodge room purposes, the occupants being the Shrine and the Blue lodges of the Masonic order.

New Building Next Year. The new Masonic temple and future home of the Shrine will be completed next season, and will be ready for occupancy before the first of 1917. It is probable that the foundation will be put in this winter and that the work of construction will start early next year. In connection herewith, The Bee prints a picture of the temple, showing what it will look like when completed.

But getting back to the ceremonial that Tangier temple will hold Friday, November 19, the Shriners logged out in full regalia and all wearing the fox, the first session will convene at 10:30 o'clock in the morning in the large lodge rooms in the old Masonic temple at Sixteenth street and Capitol avenue. First there will be the routine business of the lodge, which will be followed by the election of a large class of candidates who have previously expressed a desire to cross the burning sands, learning the secrets of the Shrine, and now and then stopping by the wayside to partake of the cam-

ZAIMIS AGREES TO RECONSTRUCT GREEK CABINET

Latest Report from Athens Says that the Premier Will Stay On the Job and Chamber Will Be Dissolved.

BLOW TO HOPE OF THE ENTENTE

Step Means that Anti-War Party Probably Will Remain in Control for Some Time.

SERBS WIN BATTLE AT ISVAR

LONDON, Nov. 6.—Any hope which the entente allies may have entertained that the friendly neutrality of Greece might be converted into something more positive in their favor seems to have been dispipated by the latest news from Athens. It is reported that Premier Zaimis has consented to reconstruct the cabinet and that the Chamber of Deputies will be dissolved.

Details of Victory.

Additional details were received today from Serbian sources concerning the victory which the Serbians say they have won over the Bulgarians at Istar, situated at the entrance to Babuna pass in the southern section of the country. British cavalry and French infantry are said to have taken part in the battle. If it is true that the Bulgarians were routed and are in full flight for Veto, the safety of Philip and Monastir is assured for the present and the way to Uskup may be paved.

The Bulgarians are within a short distance of Nish. According to one account, they have actually penetrated the city. Their Austro-German allies have reached Paracin, an important junction point on the Eastern Danube railroad, fifty miles northwest of Nish.

Fortunes of War.

The fortunes of war are showing the customary fluctuations along the eastern front. Vienna asserts that the Russian thrust along the Stripa has been repulsed completely, 2,000 men being captured. Petrograd asserts that the attack of the invaders west of Dvinak was beaten back with 1,000 of their dead left on the field. In the defense of Rigas the Russian troops are now assailed by warships which have been shelling German positions at Schlick.

The morning newspapers of London devote considerable space to speculation in regard to war office affairs, but beyond the brief official announcement that Premier Asquith is in charge temporarily, no authoritative information has been given out.

French Repulse German Attack.

PARIS, Nov. 6.—A fresh German attack against the French position at La Courtaie has resulted in failure, according to announcement made this afternoon by the French war office.

The text of the communication follows: "From the Champagne district there was reported last night a fresh German attack against our trenches at the position known as 'La Courtaie' which resulted in complete failure."

"During the fighting with mines, which is going on almost without interruption between the Argonne and the Meuse, this blowing up this morning of one of our collections of explosive materials damaged seriously certain German detachments in the sector of Malancourt. The night passed with relative calm on the remainder of the front."
