

Nebraska FIND PLACE FOR STATE AID BRIDGE

Controversy Between Boyd and Holt Counties Bids Fair to Be Settled.

PUT IN AT PARSHALL CROSSING

(From a Staff Correspondent.) LINCOLN, Nov. 6.—(Special.)—The controversy which has been on for some time between the people of Boyd and Holt counties, over the location of a state aid bridge across the Nebraska river, has been settled.

Some of the people were anxious to have the bridge put in at Butte, while others insisted that it should be built at Parshall Crossing, about five miles northwest of Butte. The matter has been settled and the bridge will be put in at the latter place.

It will be 400 feet long and will cost in the neighborhood of \$50,000. Bridge Inspector Albert of the state engineer's office is up there now making the surveys for the location.

The state engineer's office is also preparing plans for a new bridge across the Elkhorst at Gretna. This structure will be about 300 feet long and will cost about \$250,000.

Nebraska GRAPES GROW WELL HERE

State Fruit Expert Thinks Nebraska Farmers Are Neglecting an Opportunity.

GIVES RESULT OF EXPERIENCE

(From a Staff Correspondent.) LINCOLN, Neb., Nov. 6.—(Special.)—In growing the American varieties of grapes the Missouri river valley region promises to equal or surpass the older grape section of the east in the commercial production of the fruit, according to state horticultural society experts. Its seasons of ripening vary from the very earliest in the southern part until the very latest in the northern part, so that in some places throughout this great territory all the different leading commercial American sorts and their hybrids can be successfully produced.

Grown for Fifty Years.
Grapes have been grown in Nebraska for more than fifty years. Two of the most important vineyard centers are in Douglas and Nemaha counties respectively.

In Nemaha county the chief acreage of grapes is around Peru and Brewerville. At the latter place the Central Fruit Growers' association has an auxiliary association which handles the major part of all fruit grown there.

Several other varieties are growing successfully and producing commercial crops. The leading sorts are Moore's Early and Campbell's Early for extra early, Worden (black), Moore's Diamond (white), Brighton (red), medium and Niagara (white), Woodruff (red, with the Concord (black). The market does not take as kindly to a white grape as to the black because of the color.

Nebraska DEMOS STIRRED UP OVER BRYAN

Attitude on Prohibition, Coupled with Criticism of President, Makes Big Rumpus.

LOOKS LIKE SPLIT IN PARTY

(From a Staff Correspondent.) LINCOLN, Neb., Nov. 6.—(Special.)—Cussing Bryan is the favorite pastime around the state house today. The effect of his week ago pronouncement to the effect that all candidates for nominations on the democratic ticket must come out for prohibition or they could not receive "our" support, had to some extent worn off, but Mr. Bryan's latest in coming out in opposition to a democratic president has caused those who before spoke with hushed breath now openly to express themselves in most instances as of the opinion that the time has come when democrats who have the picture of Mr. Bryan hanging on the walls of their homes should turn the picture around and upside down and no more point with pride to the original.

Big Eaters Get Kidney Trouble Says Authority

Take a tablespoonful of Salts to flush Kidneys if Back hurts.

Omit all meat from diet if you feel Rheumatic or Bladder bothers.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out. They weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Advertisement.

Enjoys Good Health at 78

Duffy's, the great tonic-stimulant, gave Mrs. Catharine Doebler relief from stomach trouble after everything else failed.

"I suffered with stomach trouble for years. I consulted several of the best physicians, but no medicine did me any permanent good. Then I began to use Duffy's Pure Malt Whiskey. It helped me from the start, and I will never be without it. It is certainly a fine medicine for old people and I feel better now than I have for years."—Mrs. Catharine Doebler.

Proving that Duffy's stands the test of time, Mrs. Doebler recently wrote us as follows:

"I have been taking Duffy's for quite a while and feel much better and stronger than before I commenced to take it. It is a fine medicine for old people and I feel better now than I have for years."—Mrs. Catharine Doebler, West Willow, Lancaster Co., Pa.

NOTE: Get Duffy's from your local druggist, grocer or dealer. If your bottle cannot supply you, write us, we will let you where to get it. Medical booklet free.
