I have half section of fine land, 7 1/2 miles southeast of Ogallala. Every foot level, no improvements. Is on the edge of the German Lutheran settlement and is but a mile from that church. Will sell at \$25 per acre. Terms, \$5,000 cash, balance on farm; or until paid at 6 per cent with privilege of paying out at any time. This land will probably make a larger jump in price than any piece of land I have on the market, as German farmers are buying up surrounding lands. Also, have a beautiful one-half section 5 miles northeast of Ogallala, unimproved; in German settlement. This all cut hay this year and is a beauty. Will divide this land in quarters, if still desired. We have sold five quarters recently, adjoining this, who are going to build this spring, and will make this go up fast. This is \$25 per acre, with terms.
