Health Commissioner Says Better Compliance Will Be Required Hereafter.

SCHOOL WILL NOT BE CLOSED

A more strict quarantine will be required for those living in the homes of the sick in the Central Park district. This was the assurance given by Dr. Connell, health commissioner, at a meeting held at the home of W. C. Hughes, 4016 Grand avenue, when a large number of the residents of that section of the city were present. The meeting was also attended by Superintendent Graff of the school board, Miss Elizabeth Rooney, principal of the Central Park school and A. C. Wakeley, member of the Board of Education.

The meeting was called to consider the necessity of closing the school because of the prevalence of so much aickness. It was decided, however, that it would be better to keep the school open and to enforce more strict quarantine rules. One of the complaints was that in case of sickness it was generally three days

Vesta Laird, 2711 E St., So. Side., who collected 546 pictures. My, what a lot. De don't believe it will take as many pictures to get Dorothy, but we can't tell. You just keep pegging away and collect all the pictures you can, and may-

be you will win her. There's one thing sure, some little girl will win her this week. Some say she is even more beautiful than Alice. Anyway, she is certainly very pretty, with her dark hair and eyes; beautifully dressed, and 24 inches high.

Dorothey will be given Free to the little girl, under 10 years of age, that brings or mails us the largest number of doll's pictures cut out of the Daily and Sunday Bee before 4 p. m. Saturday, Nov. 27th.

Her picture will be in The Bee every day this week. Cut them all out and ask your friends to save the pictures in their paper for you, too.
