DEAR OLD SANTA CLAUS IS
HERE IN TOY TOWN AGAIN

HE arrived Friday morning at 10 o'clock and held a reception for the little folks all day.

And my, my, such a buzzing and whirring, such an uproar as came from this land of make-believe. Trains whizzing around sharp corners; men of war and submarines in battle array; dolls that talk, dolls that walk; walking animals, too—all waiting to entertain their very welcome guests, the little folks of Omaha.

But come see for yourself Saturday. Old Santa Claus has a gift for every child accompanied by an adult.
