At a special meeting of the Nebraska Humane society, called to consider the request of the Omaha Coursing club, contained in a letter from J. A. Knaparek,

that no action be taken by the society toward interfering with the coursing meet to be held in Douglas county, the chairman of the meeting was instructed to reply to the letter and a committee appointed to wait upon County Attorney Magney, file an information and take such other action as was necessary to prevent the carrying out of the purpose

of the coursing club; also that the State Society for the Prevention of Cruelty to Animals should be advised of the action and requested to take similar measures elsewhere in the state.

A Room for the Roomer, or a Roomer for the Room. See Want Ads Do the Work.

Come, Children and Tell Santa Claus What You Want for Your Christmas!

We determined at the outset to have the biggest and best stock of toys in the western part of this country, and to give the best values.

Our plans were carried out by carefully making purchases much earlier than usual and by giving over twice as much space to Toyland in our store than formerly.

As a result of our energetic work early in the season we have more new toys than were ever before seen in this store—and there is no shortage of either foreign-made or domestic-made toys here.

With our stocks, space and our forces increased and improved and safeties and conveniences above any other store in the west, we are going for and expect to establish a new high record in good work.

BRANDEIS STORES

Hey, Diddle, Diddle, the Cat and the Fiddle

All the Fairies, Favorites and Funny Things are in readiness in our great TOYLAND, opening Monday. The city of dolls and toys is complete, and what a wonderful place it is. Toys, dolls, games and playthings for the tiniest tot to the active, athletic youth.

And Santa Claus will be here, sure as you live. He wants you to come and tell him what you want for Christmas. You and he understand and believe in thousands of beautiful things that grown-ups can only puzzle and wonder about.

And the toys here now are thousands of toys, with lots of room to breathe in, for toys, you know, mustn't be crowded any more than children. We believe there are more dolls than ever, and we know they are prettier.

GREAT CHRISTMAS FAIRYLAND OF TOYS

To stimulate early buying and to demonstrate what wonderful values you can expect from us this year, we will offer the following special values for Monday. These are toys that were secured by us with a vast amount of trouble, for they are unusual, but they are on sale at wonderfully low prices
