THE FACT THAT Polly Prim Polish is employed in fine homes, hotels, art salons, plano and furniture show rooms all over America and Europe is evidence of its unusual and exclusive merits. It is indispensable in the proper care of good furniture, planos, oil paintings, automobiles, carriages, hardwood floors, wood-work and all finely finished surfaces.

Polly Prim Polish lengthens the life and restores the new glistening lustre of all varnished surfaces. It cleans, brightens, preserves—at one operation. It will impreve the looks of your home and your own looks—for less time applied to

work means more time for rest and social duties.

All mops are mechanical devices —even the Folly Prim, the best of them all. Folly Prim Polish, made under the world famous formula of Dubeck-Monhardt of Germany, is a scientific compound. The varnish pores take up Polly Prim Polish and it prevents crystalisation, "age dry," drying, checking, cracking, scaling and dulling. It heals a cracked or checked varnished surface like a lotion heals scratches on the skin. Bolly Prim Polish emouses atains

Polly Prim Polish removes stains, dirt, dust, grime and other undesirable settlings. Contains no gum, rosin, acid, sikali or other harmful ingredients. Will not gum, become rancid or precipitate (settle), and is a clear solu-tion without grit or solids. It will not soil or stain clothing, curtains, rugs or carpets.

A full quart (32-oz.) can for \$1.00; 14 oz., 50 cents; 6 oz., 25 cents.
