

F. A. High Protests Rome Miller License

Mr. F. A. High, representing the Anti-Saloon league, personally filed with the

city clerk a protest against the issuance of a liquor license to Rome Miller at 615-53 South Sixteenth street. The protest contains various allegations, one being that Mr. Miller has violated the liquor laws and another is that the signatures on the application are not

sufficient. The protest will go to the council next Tuesday morning.

NEW FOOD FOR SILK WORM DISCOVERED IN GERMANY

(Correspondence of the Associated Press.) BERLIN, Nov. 25.—The \$40,000,000, which Germany has annually sent abroad in

peace times as the purchase price of raw silk for the German silk manufacturers, will remain at home if the government's experiments in breeding silk worms in the German climate are as successful as a recent circular promises. Former experiments in silk-worm breeding have

failed because it was impossible to acclimatize the mulberry tree. It has now been discovered that silk-worms thrive on comfrey, a herb abundant in Germany. Moreover, the worms fed on the new diet produce a stouter, more elastic and more glossy silk than those

raised on mulberry. The only doubt in the minds of the government experts is whether the worms will degenerate when imported into Germany.

A "For Sale" ad will turn second-hand furniture into cash.

Glove Bonds and Merchandise Certificates

are a convenient way of sending a gift. We issue them for any amount. Call at the store, or mail instructions.
