Diamonds and Gem-Set Jewelry in Unusual Designs

The designers and workmen of C. B. Brown Company have created many new pieces for this season. New ideas which, because of unequaled facilities are found here first, each of them a special individual piece-no two alke-in designs refined and beautiful.

Special platinum mountings, and the unusually beautiful lace work will command this year's display to every one who appreciates the very fine diamond and gem-set productions

You will find engagement and gift rings set with fancy stones in special platinum mountings,-pendants, bar pins, brooches, bracelets, rings and other pieces set with selected gems-diamonds, sapphires, emeralds and rubies.

Bar pins after designs made particularly for this season and set with sapphires and rubies; gentlemen's scarf pins -none duplicated, with beautiful settings of platinum and lace work

We specialize in fine gem black opals mounted in lace ork-the setting being carried out much like that of a diamond.

A study and comparison of the pieces themselves is essen tial-illustration and description but suggest. You are welcome to look, no matter whether or not purchase is made.
