

CALLED A TRAITOR, YET GIVES SONS TO COUNTRY

(Correspondence of the Associated Press.) LONDON, Dec. 25.—Lord Ribblesdale, whose attack on the British army staff in the House of Lords caused him to be

called the next thing to a traitor by Lord Derby, has given two sons and a son-in-law to his country, besides being a brother-in-law of the premier and head of one of the old county families of Yorkshire. One son was killed in Somaliland ten years ago, and the other sons and the son-in-law met their deaths

fighting in France during the last year. In defense of Lord Ribblesdale, his friends say he betrayed no military secrets, as criticisms of the management of the war are outspoken in England, and common rumor had it that General Munro was in favor of abandoning the Dardanelles. Besides, it is declared, if

the lord's speech was deemed harmful to the military interests of the country, it could have been easily stopped by the censorship, which had only to notify the press. A "For Sale" ad with turn second-hand furniture into cash.

FRESH VEGETABLES HARD TO GET IN THE CANAL ZONE

(Correspondence of the Associated Press.) PANAMA, Dec. 19.—Owing to the difficulties of obtaining fresh vegetables from the United States, the canal supply de-

partment is negotiating with the truck gardeners of Costa Rica for the shipment of Costa Rican vegetables from Port Limon on the refrigerator ships of the United Fruit Steamship line. Every effort has been made to interest the natives of Panama in vegetable-growing, but the movement has been unsuccessful. The

Panama natives prefer cattle-raising to the more laborious agricultural pursuits. The Cause of Rheumatism. Use Sloan's Liniment and you won't care what causes it. The first application helps. Good for sciatica, neuralgia, etc. All druggists.—Advertisement.
