"Why Not Buy It in Omaha?"

When an Omaha manufacturer makes as good an article as is produced by a foreign factory—why not buy the Omaha product? By doing so, you help build up Omaha's industries, and thereby directly assist in making Omaha a better place in which to live yourself. And all this costs you nothing extra, for Omaha made goods cost no more than the other kind.

"IDEAL" SHIRTS

are the equal of those produced anywhere in the world. No matter what style you wish, or what price you wish to pay, Omaha's leading stores can supply you with an "IDEAL" shirt to meet your needs.

"MINA TAYLOR" DRESSES

are quality garments which women will appreciate. They have many points of superiority. Particular women will find them a real joy in comfort and durability. You will find them on sale in Omaha's leading stores. Look for the label when buying.
