Began Getting Bigger. Large, Hard and Very Red. Scattered Over Face. Had to Scratch.

HEALED BY CUTICURA SOAP AND OINTMENT

"I noticed that my face was covered with pimples which began getting bigger. They were large and hard and were very red and there were so many festered at a time that I had to squeeze them out and they formed tike a boll under the skin. They scattered all over my face and the itching was so intense that I had to scratch my face so much it bled.

"The trouble lasted about a month and I used ------ tablets, but they did not do any good. I noticed a Cuticura Soap and Ointment advertisement so I thought I would try them. The next day I saw the pimples were going away and I used two cakes of Cuticura Soap and three boxes of Cuticura Ointment and I was healed. ainment and dance at its hall, (Signed) Eugene Vogt, 7122 Tremont Ave., St. Louis, Mo., Oct. 3, 1915.
