Mrs. Nora DeBolt Loses Ouster Suit in Fight for Position of Supreme Banker.

Mrs. Ida M. Kelly of Davenport, an ouster suit brought by Mrs. Nora rewski's mother, from whom it is said he the supreme forest in Minneapolis practically unaided, last July.

On the first ballot Mrs. Kelly received thirty-two votes and Mrs. DeBoit thirtyone. There was one blank vote, which later was to result in a long dispute. The court held that this ballot was legal.

Upon the outcome of the suit depended the balance of power between two factions in the governing council of the Woodmen circle, it is said.

Vote Again.

Paderewski an Example of What Hard Work Will Do for Genius

Paderewski, who appears in piano r ital at the Auditorium Monday evening January 17, in the fourth concert of the charity concert course, is one of the most striking examples of the definition that genius is the capacity of taking infinite WAS DISPUTE OVER ELECTION pains. His life began with sortow. His father, a gentleman farmer in Podolis, Russian Poland, became involved in the great revolution in the early sixties and la., is supreme banker of the Wood- in 1863, when Ignace was 3 years old, was men circle, according to a decision banished to Siberia, whence he returned rendered by District Judge Sears in several years later a broken man. Pade-M. DeBolt of Oklahoma City, Okl. child. From earliest childhood the sreat her opponent at the election held by plantst had to work out his own career

Paderewski's success was belated. He was 28 years old before the world realized that in him it had the greatest plants of his time if not of all times. His talent had shown itself when he was very young. but it had no chance to develop. He was in his teens before he had any real instruction in music, in Warsaw, where he studied the piano with Janotha and harmony with Roguski. When he was 16 he made his first concert tour in Russia, a mplete failure from every point of view. At the election Mrs. Kelly was declared He was desperately poor, this fact havelected by Mrs. Emma B. Manchester, ling urged him to try his luck with the spreme guardian, and had made a speech public. It was winter and he had neither sufficient clothes nor sufficient food. Moreover, we have it from his own lips ballot had been cast. This was done and that he was in no way prepared to play the second ballot gave Mrs. DeBolt thirty- in public. His technique was so wretched that whenver he came to a difficult passage he was forced to improvise to get through with it.

Utterly discouraged, he returned to Although the critics, as usual, were a suit followed. Jefferis & Tunison and Warsaw feeling that he had no future as little slow in recognizing his genius, he Warsaw conservatory and then went to on its affections which has never weak-Berlin to study composition with Kiel and ened. No piantst has had success in Urban. In 1884 he went to Vienna to America comparable with his. Boys Treat Girls to Penny Lunches at Train School

The Board of Education will not interfere with boys treating their friends to penny funches at Train school. It is not selieved this practice comes within the anti-treat law.

Friday noon a sixth B boy threw down nickel and ordered soup for five. Another boy invited one of the girls to dine with him. One of the fifth A girls took advantage of leap year privileges by asking a boy friend to imbibe soup with her. Principal White reports the idea has and a successful start and believes it will result in much good.

Three mothers called at the school to xpress thanks because their children could be cared for at noon in this manner while they were out working to help support their families.
