is call	CATTLE-Receipts were light this morning, only forty-nine cars being re- ported in, but that was about as many as were to be expected, considering that it was a Friday and that the market has a downward tendency this week. For the week receipts amount to 39,471 head, the largest since three weeks ago and over 12,000 larger than a year ago. The trade is slow to lower. Packers have been heavy buyers all the week and were not in need of any additional cattle, and if they bought anything they seemed to want sufficient reduction on it to pay them for carrying it over. Prices are safely 5635c lower on the general run of beef steers, and medium kinds of cows and beifers. Canner cows
