LOOK FOWARD TO BIG MARKET WEEK

Retail Merchants from Half Dozen States Assure Omaha Wholesalers They Will Attend.

PLAN MANY ENTERTAINMENTS

Letters continue to arrive daily at the wholesale houses of Omaha from retail merchants throughout half a dozen states within Omaha's trade territory, indicating that the crowds that are to attend merchants' market week activities and entertainments this year in Omaha will be exceptionally large.

Merchants' market week this year begins on February 28. Advertising matter sent out by the committee this year has gone into every corner of Omaha's great trade territory. Merchants have been invited to bring their families for the week and many will do so.

More and more the retail merchants are bringing their families for this occasion, as they are coming more and more to appreciate the judgment of their wives and daughters in the matter of the design, quality and quantity of women's apparel to stock up with at certain seasons of the year.

Tuesday, Wednesday and Thursday evenings of Merchants' week will be the principal evenings from the standpoint of the entertainments planned.

Big Dinner and Dance.

A theater party at the Orpheum is scheduled for Tuesday evening. On Wednesday evening a prize night is to be held at the Commercial club rooms. Hundreds of prizes are here to be distributed to the visiting merchants and their families. On Thursday night the dinner and dance is to be held at the Fontenelle hotel. This will be the crowning event of the week.

Tickets for these various entertainments are to be limited and issued only visiting merchants and families, as on account of the vast proportions to which these activities have grown it is found impossible to accommodate also the throngs of local merchants who would like to attend. Tickets, the committee says, will not be issued to any of the Omaha or Council Bluffs merchants.

Howell Switches Hughes to Cummins

According to word from Lincoln R. B. Howell, who wants to run again for the Water Board and for member of the national committee at the same time, has switched on president from Hughes to Cummins. He was down at Lincoln to confer with the manager of the Cummins campaign in Nebraska and assures him of his co-operation in the Cummins propaganda. Howell was one of the ring-leaders in the meeting held in Omaha the night of the Burton address, called to project Senator Norris as a candidate for president, which, however, decided Hughes would be stronger, and signed up and filed the Hughes petition, which petition the judge forthwith repudiated. Four years ago Howell was a loud Roosevelt rooter, but when Howell ran for governor Colonel Roosevelt came to Nebraska and advised all his followers to vote against him.

PARRISH WANTS SCHOOL SUPERINTENDENTS' MEET

School superintendents from all over the country are at Detroit at present in the convention of the department of superintendence. Omaha is in the field as a candidate for the next place of meeting. The Omaha and Nebraska delegation of superintendents in attendance are working for Omaha as the next meeting place. E. V. Parrish, manager of the bureau of publicity, who sent out many hundreds of letters to the various superintendents asking them to vote for Omaha, has also gone to Detroit to look personally after the case of Omaha as a candidate for the next convention place.

CONNELL FIRM ABOUT CHILDREN AT THEATERS

Health Commissioner Connell announces he is very much in earnest regarding his order against admitting children under 12 years of age to places of entertainment. He said he had information against four offenders, who will be prosecuted in police court.

FRITZI SCHEFF TO BE AT THE ORPHEUM IN MARCH

Manager Byrne of the Orpheum has received advice from Martin Beck that Fritzi Scheff had been booked for Omaha for the week of March 5. Miss Scheff appeared at the Orpheum three years ago, the engagement proving one of the biggest of that season.

NO CASES IN DISTRICT COURT FOR THIS MORNING

On account of the funeral Judge English this morning no session will be held in the various district courts during the morning, and sessions will be held in the afternoon, only in pending cases where juries have been impaneled.

MEMORIAL SERVICES FOR JUDGE ENGLISH MARCH 4

Judge Sears has named Saturday, March 4, as the day for memorial services by the Omaha bench and bar for Judge English. He will appoint a committee on arrangements and program shortly.

Enthusiasm of Amateur Gardeners Waxes Great These Warmer Days

"Jim" Nickerson, deputy United States marshal, waxed enthusiastic these warm days about the "ever-bearing strawberries" that (he says) he is going to raise this summer.

"Jim" is of confiding nature.

Spring after spring he has put his trust in some horticultural wonder, only to see his hopes blasted in the early summer.

Once it was "Himalayan berries." He bought a "bush" and planted it in all good faith. The bush waxed great, attaining a length of fully fifty feet by fall. But nary a berry appeared, "Himalayan" or otherwise.

Again it was a "red Astrakahn" apple tree. The tree grew tall and broad and finally the fruit appeared. But alas, it was small and sour and altogether unpleasing.

Then, one spring he and Captain Haze ran across an advertisement of "six strawberry plants for 10 cents." They both promptly sent their dimes and—but let us draw the curtain kindly over that sad story of a cruel deception perpetrated on trustful horticulturists.

And now it's "ever-bearing strawberries." Despite repeated disappointments hope springs as high as ever in the breast of Nickerson.

He's telling his friends how they start bearing when the frost is barely out of the ground and keep it up all summer and most of the fall.

Not satisfied with such prodigious labors these remarkable plants use their spare moments in producing new plants which carry on the "ever-bearing" business the next summer.

Oh, it's great! We can hardly wait till the frost's out of the ground to see 'em started.

Mebby—now, this ain't official—but mebby, "Jim'll" put in some cream plants in one corner of the garden an' some sugar bushes in the other.

Then there will be sompin doin,' huh?

Tecumseh Man is Hurt by Explosion at Mason City, Ia.

MASON CITY, Ia., Feb. 22.—(Special Telegram.)—Clarence D. Riley of Tecumseh, Neb., driller for the Intermountain Bridge and Construction company, working on a big sanitary sewer here, probably was fatally hurt this morning when he drilled into an unexploded dynamite charge in a sewer trench. He will lose one and probably both eyes if he lives. A workman standing beside him was not injured by the explosion.

MRS. EAST FILES ACTION TO RECOVER DAUGHTER

(From a Staff Correspondent.)

LINCOLN, Feb. 22.—(Special.)—Original habeas corpus proceedings were filed in the office of the clerk of the supreme court this morning brought by Ellen D. East to recover possession of her 14-year-old daughter, Goldie East, whom she alleges is being unlawfully detained by Probation Officer Gus Miller of Douglas county and deprived of her freedom.

The case is one in connection with the arrest of L. T. Goldaberry, charged with statutory assault on the person of the East girl. Mrs. East claims that Goldie is not a bad girl and that the alleged crime was committed while she had been placed by her in the charge of Goldaberry, who was going from Lincoln to Omaha and agreed to take charge of the girl on the trip.

War Needs Increase World's Crop Area

ROME, Feb. 21.—(Via Paris, Feb. 22.)—The February report of the International Institute of Agriculture, compiled from official data supplied by each country, indicates that war needs have increased the crop area of the world 7.3 per cent. Increases in corn, wheat, oats and rye in the United States, Canada and elsewhere are more than neutralized by a decrease in cultivation in Russia and Hungary. The forecasts that the wheat production of Argentina and Australia would show an increase are confirmed.

Cattle in the United States increased 5.3 per cent, or 3,112,000 head, thus making a total of 61,461,000 head.

Cereal crop conditions are backward in France and England, and favorable in Italy, Switzerland, India, Algeria and Egypt. In Spain there is an increase of 6 per cent in wheat, of 21 per cent in barley and of 17 per cent in oats over the corresponding period of last year.

Don't Use Dangerous Antiseptic Tablets

It is an unnecessary risk. Use the safe antiseptic and germicide, Absorbine, Jr.,—it kills germs quickly and surely without any possibility of harmful results; made of pure herbs, non-poisonous, and there is no danger whatever if the children get hold of the bottle. It retains its germicidal powers even when diluted one part of Absorbine, Jr., to 100 parts water—and its antiseptic powers one part Absorbine, Jr., to 200 parts water.

The germicidal properties of Absorbine, Jr., have been tested and proven both in laboratory and actual practice. Detailed laboratory reports mailed upon request.

Use Absorbine, Jr., wherever a liniment or a germicide is indicated; to reduce sprains, wrenches and swollen veins; to heal cuts, bruises and sores.

LINEUP OF JUDGES CHANGED BY DEATH

Members of Bench Had Agreement to Stick Together for the Coming Campaign.

GOVERNOR TO NAME A JUDGE

The unexpected death of Judge English has already completely transformed the contest for the seven district judgeships to be filled at this year's election.

Up to this week it was understood that the seven sitting members of the bench were not only all to run again, but had entered into a "gentleman's agreement" to work together and competitors were shy in manifesting themselves. The death of Judge English means that at least one place must go to an outsider and likewise breaks the combination with corresponding stimulation to the ambition of would-be judges by removing the one reason for hesitation to file.

Governor to Fill Vacancy.

Governor Morehead will have the filling of the temporary term, but as the primaries come in April, that will be of little advantage to the man he picks out. The presumption is he will choose a democrat inasmuch as Judge English was a democrat.

Among the names being mentioned are former Judge Charles T. Dickinson, S. A. Searle who was under consideration when the last vacancy was filled by the appointment of Judge Redick, W. A. Foster, Frank H. Woodland and Police Judge Charles E. Foster, all republicans, and Arthur C. Wakeley, Robert W. Patrick, John D. Ware, E. C. Page, W. M. Giller, all democrats. It is suggested as a possibility also, that County Attorney Magney might look to the bench for his line of promotion as did Judge English when county attorney.

First Verdict is Returned Under the New Jury System

The first verdict against the street railway company under the new jury system was returned in District Judge Troup's court this morning in the suit brought by George H. Woodward. He sued for $20,000 and the verdict awarded him damages of $1,000.

It is said that the jury was divided as to the amount of damages to assess, and at first ranged in opinion from $1 to $5,000. Then they averaged the sums they thought right, and finally agreed upon $1,000.

An unusual feature of the case was that the lawyers for the plaintiff had not filed a lien for a large sum, so Woodward had some chance of getting some cash out of the small judgment. He sued on account of a leg injury sustained at Forty-sixth and Cuming streets last September, while getting off a street car, which had stopped at the end of the line.

DOUBLE WEDDING FOR BROTHER AND SISTER

A double wedding was forecasted Monday by the issuance of two marriage licenses, in which John and Barbara Volenec, both of Omaha, figure as groom and bride in the two respective couples. Volence was licensed to marry Rosa Synost of Omaha and Frank L. Knapp of Clarkson was licensed to wed Miss Volenec.

Wants Court to Confirm Divorce Granted in 1882

In order to make her eligible to draw a government pension as a civil war veteran's widow Mrs. Lettie Smith, a resident of California, wife of the late Albert C. Smith, has filed a petition in district court to now secure a formal decree as of date 1882, affirming a divorce which her husband secured then from his first wife, Mary A. Smith.

It appears that Smith was granted such a divorce by default in 1882, but through an oversight the formal decree was never signed by Judge James W. Savage, and was never entered in the journal of the clerk of the court. Smith then married again and lived with his second wife for over thirty years until his death.

When the second wife, the present Mrs. Lettie Smith, sought to secure a pension she was unable to do so, as no satisfactory court record could be furnished proving that a formal decree of divorce from his first wife was ever granted Mr. Smith. So in order to clear up the marital status of the late Mr. Smith and prove that Mrs. Lettie Smith was his lawful wife the present petition has been brought for a "nunc pro tunc" decree, that is, a decree now, as of the date of the original divorce.

Stella B. Wilson, one of Omaha's first woman lawyers, is attorney for the widow.
