> Abraham Byers Celebrates His Eightieth Birthday

The eightieth birthday anniversary of an Omaha man was celebrated in remarkable manner at the Wigwam hotel, St. Petersburg, Fla., February 18.

He is Abraham Myers Byers, whose Omaha home is at 1320 South Thirtyfifth avenue. The St. Petersburg "Independent" contains a column account of the affair, including a number of poems which were written in honor of the octogenarian. Says the "Independent:

"A merry birthday party was given Abraham Byers, of Omaha, Neb., at the Wigwam hotel last Friday. Secret preparations had been made by the many friends of Mr. Byers and his apartment was decorated with violets and at the breakfast table at his plate were placed many cards and letters wishing him many more happy years. At dinner Mr. Byers was further surprised to find the guests standing in a circle around the table. on the center of which was a beautiful birthday cake, decorated with 80 candles. As he entered the room, the guests present applauded and cheered and demanded a speech. Mr. Byers responded, saying that so far away from home, to find so many friends completely paralyzed his powers of speech and that it spoke well for southern hospitality. He said that he could not find words to express his thanks for the kind rememe brances of his friends."

Mr. Byers was a personal friend of Abraham Lincoln. He worked in a store in Springfield, Ill., when he was a young man. The store was near Lincoln's law office and young Byers would often go in and listen to the stories and jokes of the great man. Later he opened a photograph gallery in Beardstown, Ill., and there Lincoln sat for a photograph. He heard a number of the Lincoln-Douglas

debates. He will return to his home have
