Bethlehem Steel assumed some of its former prominence, making a maximum main of 254, points to 2545. The strength of these and kindred issues was attended by circumstantial reports of additional contracts and the fact that these rumors were not denied, carried conviction to speculative circles.

Cruchle Steel, which led the list as the most active stock on its rise of \$5, to \$3, was helped by very favorable February carnings, and steels and coppers shares were lifted to higher levels on intimations of higher prices for such products.

timations of higher prices for such products.

In the later dealings the inquiry embraced a number of investment stocks, chiefly ralls and United States Steel, the latter making an extra rise, of Ns to Sigfrom the new low price of the morning. The case with which some of these leaders responded to mederate absorption indicated a scarcity of supply and induced wonsiderable short covering. Final prices are mostly at or near highest levels.

Total sales of stock amounted to 20,000 shares.
