

ONLY TWO SPRING GAMES FOR OMAHA

Rourke Cards Exhibition Games with the Brandeis Semi-Pros and Luxus Amateur Champs.

NO OTHER PRESEASON FRAYS

Only two exhibition games will be played by the Omaha Western league ub before the season opens this year. Heretofore Pa Rourke has annually

carded a number of pre-season combats with major league and Class AA teams to help his athletics whip into shape for the pennant flight, but this year he has discarded this system.

The two exhibitions games which will be

played this spring will be with local amaour nines. . The Brandels team, the semipro outfit which played under the Stors liation last season, will battle the kes on April 16, while Johnny Dennion's amateur champions, the Luxus, will play the pros on April 15. The Luxus late is Saturday and the Brandels Sun-

be staged is that practically all of Rourks training will be done at Be-t. The Rourklets will not break amp at the Gage county city until April
4. While in Beatrice the Omahans will
slay a number of games with Sloux City,
which will train at Fairbury, nearby, and Lincoln, and possibly a game or two with St. Joseph or Topeka may be arranged. This will be sufficient, believes Rourke.

Jetters Shoot Low in First Trials on Alleys at Toledo

TOLEDO, O., March 13.-(Special Telegram.)-Jetter's Old Age team of Omaha Mide 2,488 on the late shift of the fiveman teams in the American Bowling consress tournament tonight. The same d produced several high marks, with Richle of Columbus the best with 1.86, depriving the Jose Gomez of Chicago

The Jetters never got started and Graham ... need with sid, rading away in the LOUIS FLESCHER RECALLS

A curious feature of the Jetters was the performance of Balser, who rolled ton spares in his last game, counting nine plus on every shot for 190, Scores;

ous feature formance of Barrier in his last game, consorting on every shot for 190. Scores JETTER'S OLD AGE—OMAHA.

OLD RACING DAYS HERE

Louis Flescher, motorcycle manufacturer, was in a reminiscent mood yesterday, when in looking over some of his old trophies he found a gold medal which he won at the old Collseum just twentyfive years ago. The occasion was called a six-day tug-of-war, and to win the medal it was necessary to win eleven

FATHER HAS SOME **DUTIES TO PERFORM**

Should Be of Greater Help to Mother in Bringing Up Children, Says Stymest Stevenson.

GRAFF ON BABY WEEK PROGRAM

That "Father has something more to de than pay the grocery bill and then kick about it"-that he should learn really to know his children, visit the schools occasionally and join fathers' clubs to meet in the school houses and talk over affairs bearing on child welfare in a man's way-these points were urged by Stymess Stevenson of Council Bluffs, originator of the fathers' club movement, in a talk at the baby health exhibit at the court house, Monday evening.

"How much time do you spend with your children?" was a pointed question becoming effeminate, what with being LETE.

FRENCH VICTORS IN RECREATION BOARD GREAT SKY BATTLE BECOMES THE GOAT

Members Admit that They Acted Irregularly and Promise to

board, and the general tenor of the meeting reverted to the Hummel-WOMEN ARE MORE TEMPERATE English controversy, which broke Morte Homme and the Bois Bourrus, the out last week,

The gist of the conference was that the recreation board ordinance should be Corbeaux, probably with the intention amended so as to give the board defined uthority, and in turn, the board should adopt rules and regulations and also de-

Board Acts Irregular. Mayor Dahlman, who presided, told Superintendent English that in drawing up the program for the playground institute the recreation board should have been consulted, and he added that the chairman and superintendent of the board should work together, the latter recognizing that Mr. Hummel is his superior. The meeting was marked by good feeling all around, and members of the recreation board individually admitted that they have not met on regular dates, and they likewise admitted that they of pregnancy calling into activity dis- have not been holding their meetings in

Will Co-operate Hereafter. "The whole fault seems to lie with the recreation board," was a statement made marked physically because of anything by Commissioner Drexel. Commissioner Jardine made a similar remark. Dr. J. P. Connolly and Dr. Zoro D. Clark of Speaking of the Chicago case, where a the board took unto the issives some badly deformed baby was allowed to die a measure of blame for the situation, and promised closer co-operation in the future. A general sentiment prevailed that with the physician. It is his duty to do Commissioner Hummel did splendid work everything to preserve life and not to ait in starting the practical playground movement in the parks, and it was the desirable or not. The child should not sense of the conferees that he should be assisted in every way possible. There also were expressions that Superintendurging a strict registration of births. In ent English should bring before the board lack of such registration, she said, the all matters which he may wish to carry United States is in a class with China out, such as the institute proposition,

which caused the rumpus. The recreation board will meet in regular session on Thursday evening, when the rules and regulations will be considered, and the board will then resolve to start out in a businesslike manner. Chairman Hummet denied in emphatic terms that there had been any suspension of Superintendent English, as had been reported. He said the matter has never been mentioned or thought of by him. Mr. English is still superinter work in harmony with the board, asking that his duties be better defined, so that

The meeting closed with a few informal expressions by Commissioner Jardine of the general topic of play. "What I want to know is where this supervised play is going to end. It may be all right, but I wish Mr. English could devise some plan whereby parents would not be required to tell children forty times to do some who are playing all of the time are go The state championship match to be ing to make a living some day," said Mr.

AMERICAN CANNON SHELL OWN FORTS

Iwo Super-Dreadnaughts Bombard Armor Test Ramparts Near Fort Monroe.

PERFORMANCE IS UNIQUE ONE

MOBILE, Ala., March 13 .- An experiment unique in the country's military history was begun here today when two American battleships, he New York and Arkansas, bomparded armor test fortifications near Fort Monroe. All day long the two superdreadnaughts hurled big proectiles from their main batteries nto the fortifications with high oficials of the War and Navy department's looking on. The results of he test, which ultimately are exsected to have an important bearing n future fortification construction were not announced.

General William Crozier, chief of rdnace of the army; General W. L. Black, chief of engineers, and Representative Sherley, chairman of the house subcommittee, were among the officials who watched the operations today. Merchant craft had been warned out of the danger zone and the Mobile quarantine station was abandoned during the firing.

It is explained at Fort Morgan that the bombardment arranged by the bureau of fortifications was being carried out through co-operation of the War and Navy depart-

Dress Warm and Keep Feet Dry

Tells Rheumatism Sufferers to Take Salts and Get Rid of Uric Acid.

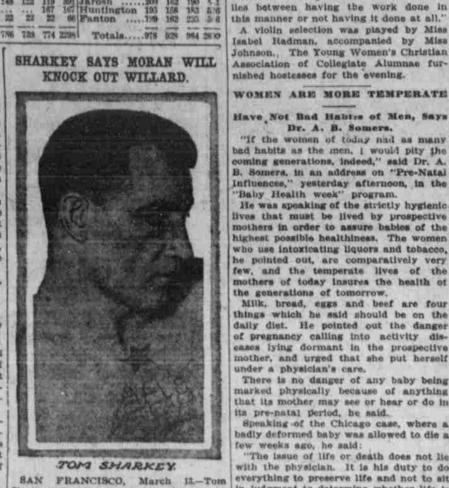

Rheumatism is no respecter of age, sex, color er rank. If not the most danger-ous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exhad this assembling point under the fire posure and, above all, drink lots of pure

Rheumatiam is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the kidneys to do double work, they beinate this urle acid which keeps accumtem, eventually settling in the joints and muscles causing stiffness, soreness and

At the first twinge of rheumatism get ing the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and sector, there have been violent artillery is made from the acid of grapes and duels. In Galicia, southeast of Kolki lemon juice, combined with lithia and and along the middle Stripa river, the is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys .- Advertisement.

Sharkey, the former pugillat, who fought Jeffries, Fitzsimmons and Corbett, expects Frank Moran to win from Champion Jeas Willard, by a knockout, when the two meet in the ring in Madison Square Garden, New York, on March 35. "I have seen both men box and I really believe that the challenger from Pitta-
