Itogs - The largest run of hogs seen here ha days was on hand this morning when 250 cars, or 15,000 head, were reported in. For the first half of the week the supply amounts to 41,355 head, being 5,000 larger than a week ago, but smaller than two weeks ago by 2,000 head and a falling uff of 17,000 head as compared with the same days last year.
 Shippers hought some of the mixed and hutcher weight hogs on early rounds at prices that were not over a nickel lower, but the extreme bearishness of packers enabled them to get all the hogs they wanted later at a 100 decline, and they made most of their purchases on that same of their purchases on that are nost of their purchases on that are nost of their purchases on that hasis. They bought a good share of their fogs at 8 20,000 and a paid a top of 5.5.
 The packer trade got off to a giow

hasis They bought a good share of their hogs at B.Edil. 40, and a paid a top of the packer trade goi, off to a slow start. Early killer officer were as much as high come concessions, were water. The market opened out in fair season, first sales to packers being made at a full 30 reduction.
The market moved slong until nearly midday with fitts sporediable change from early prices. Hefore any kind of a clearance was made, however, trade weakened, not only on the lights, but on what good hogs were felt as well, and at the fail officer were for loads were still unboid, under bida that select the unbox of hogs were felt as well, and a slee of loads were still unboid, under bida that select the still as a fail 30 reduction.

Nervous Periodical Headaches

This trouble commonly called "sick head-sche, is said to be due to the retention of ures in the system. Often it is stated that poor condition of the blood is a cause of these headaches, or that it is a nervous condition; and in certain cases, no doubt this is true.

these headaches, or that it is a nervous condition; and in certain cases, no doubt this is true. Where treatment is demanded, it is more for the pain than anything else, and Dr. A. F. Schelischmidt of Louisville, has found anti-kamnis tablets to give prompt and satisfactory relief. "Esst should be insisted upon," he sars, "and the patient should go to bed, darken the room, and all the attendants and family should be as guiet as possible. An emetic will some-limes shorten the attack. The bowels should be kept open with "Actoids"; a hot bath and a thorough rub-down with a coarse towel, often give grateful relief. Two and kammin mablets when the first signs appear, will usually prevent the attack. During an st-tack, one tablet every hour or fwo will shorten the attack and relieve the usual pectation is at all druggists. Ask for A-K Tablets. They are also unexcelled for ner-roots headaches, neuraigia and all pains.
