

Thirty-Eight Seniors Are Given Highest Honors in Scholarship at University.

"FRAT" MEN SHOWING BETTER

(From a Staff Correspondent.) LINCOLN, March 23 .- (Special )- Thirty-eight seniors in the University of Nebraska, including four Omaha boys, were awarded Phit Beta Kappa honors here today-the highest scholarship honors in the university. Phi Beta Kappa awards were announced at a special convocation in which the sophomores and juniors meet in an interclass championship debate, the second-year men winning on the question of the abandonment of the Monroe doctrine.

Fraternity and sorority members find a lot of solace in the awards, as more Greek letter society members carried of? honors than over before. Five fraternity men won Phi Beta Kappa as against nine non-fraternity men. The co-ed honors were more evenly distributed with eleven belonging to sororities as against thirteen non-sorority members. Twenty-four girls won against fourteen boys.

#### Basis of Awards.

The award was made on the basis of activity in college affairs as well as scholarship. The highest grade this year | was 92.8 as against 95.2 last year. Oneeighth of the senior class was chosen this year as against a seventh last year.

William Noble, Slevers Susman, both members of the Phi Kappa Psi, Hedvic and three children. The funeral will A. Provagnek and Edwin M. Partridge be held Friday at 10 o'clock, are the Omaha students who won the honors.

#### COUNTRY IS LEARNING UNPREPAREDNESS LESSON

AMES, In., March 23 .- (Special Telegram.)-Five thousand people here today heard former President William P. Taft in a stirring plea for preparedness against war. The same kind of providence that guides stops of drunken men and children cared for the United States in the past, he declared, but it is expecting too much from providence to hope for continued prosperity and safety without co-

peration Turning his attention to Mexico, the former president said the United States is getting an excellent lesson in unpreparedness

"I hope we will learn a lesson," he said. 'Mexico has been an international nulsance for years, and I am afraid we are been renewed. The origin of the fire is now seeing only the beginning of our believed to be sparks from a Union Pa-trouble there. If it becomes necessary cifle train. The high wind made it imfor the United States to take Mexico in hand it will require an army of 400,000 men and years to accomplish it."

### **HEALED BY CUTICURA** SOAP AND OINTMENT

"I had eczema on my chest and back for about a year. The first appearance was a scariet rash and it would itch and when I

rubbed it or scratched it little blisters would come. (R) and if rubbed open would run water and then dry up and have a fine scale, It would itch and burn so I Ť thought I would go out of my mind and I could not 112 rest at night or do my work in the day.

"I got no relief until I tried Cuticura. Soap and Ointment. I washed the affected parts with Cuticura Soap and then gently rubbed on the Ointment, and in two weeks I was healed." (Signed) Miss Ella M. Yates, Coleman, Mich., July 14, 1915.
