REMEDIAL LOAN

PEOPLE GET BUSY

Stock Subscriptions Being Solicited by Backers of Movement, but No Money Paid In Yet.

STILL TALK OF MORRIS BANK

Stock subscriptions are already being taken by the men back of the movement for a remedial loan association in Omaha, which is to furnish small loans in a way to relieve the small borrowers from the clutches of the loan sharks that have preyed upon them for years.

A definite organization has not yet been formed, and no stock has as yet been paid in. It is expected that definite steps to organize will be taken within a week by the election of temporary officers at least.

Those heading the movement are Paul Kuhns, William Adair, F. S. Knapp, Wilbur L. Burgess, Dr. Ira Porter, W. L. Palmatier, I. W. Carpenter, A. F. Stryker and J. B. Palmer. The company will probably be incorporated for \$100,000.

In the meantime there is still some talk of the organization of a Morris Plan bank in Omaha to serve a similar service. Representatives of the parent Morris Plan bank in New York are still in the city doing some work, and a meeting was held a few days ago by some of the local men interested in this plan, when the representatives, Linder and West, were present. Following this meeting, however, no information was given out as to what is the present status of this movement in the light of the activity of the remedial loan people.

c. C. George, who favors the Morris Plan bank, said if the remedial loan people get started right he will not hesitate to take stock with them, even though he is championing the Morris Plan system at present.

Seats for Grand Opera Engagement Are Selling Fast

Requests for seat reservations for the coming short season of grand opera at the Auditorium, April 13 and 14, by the Boston Grand Opera company and the Pavlowa Imperial Ballet Russe, have been sent in steadily by letter and telephone ever since the announcement of this extraordinary engagement. Although the regular seat sale was advertised not to start until April 4, through a misunderstanding, about \$1,000 worth of tickets had been disposed of before Local Manager Pryor discovered that seats were even on sale.

"Well," said Pryor, when informed of the error, "I hate to turn down real cash, keep it up, fill all orders whether made in person by phone or by mail," and as a result up to Thursday noon worth of tickets had been sold, and that nearly a month before the opera. In asking Manager Franke and phoning ex-Manager Gillan of the Audiooth stated that in their experience a large advance sale so long before the acual performance had never occurred in their time.

A considerable number of people have made requests for seats the night Felice Lyne sings. As Miss Lyne was a Kansas City girl, many of our prominent folks are very familiar with her singing, Mrs. A. L. Mohler phoned for seats and stated that she hoped Miss Lyne would sing in the cast of "La Boheme," for she said that she had many times heard this charming soprano sing solos from that opera and could hardly wait to hear her sing the entire role. Mr. Pryor had not at that time received the casts, so he wired for particulars and finds that Miss Lyne will sing "Mimi" in "La Boheme." Other members of the cast of that opera will be Musetta-Olivet Marcel, Rodolfo-Godenzi, Marcello-Thomas Chalmers, Collene-Jose Mardones, with Morangoni directing, following by the Spanish dances with Pavlowa, A. Volinine and the entire corps de beliet with Adoph Schmidt directing for the ballet.

Nels J. Petersen. Seventy-Nine Years Commits Suicide

Despondent over his ill health during recent years Nels J. Petersen, a retired blacksmith, who has resided in Omaha for thirty years, took his own life by slashing his throat with a razor at the home of his daughter, Mis. C. P. W. Hansen, 915 North Forty-eighth avenue.

Petersen was 70 years old and of recent years had suffered from asthma. The return of the affliction with the warmer weather proved too much for the aged man and this resulted in the suicide. He is survived by one son, one daughter, one brother and one sister.

The funeral will be held from the residence of the daughter, Mrs. Hansen, Sunday afternoon at 2 c'clock, with interment in Forest Lawn cemetery.

WHITE COMPANY SALESMEN AND MANAGERS MEET HERE

Omaha received a marked recognition from the White company of Cleveland, when twenty salesmen and district managers from the western organization of the White company gathered in Omaha for their annual meeting. This meeting has heretofore been held at the factory, but this year the local representatives were influencial enough to bring the session to Omaha.

Pelton, local representative, outlined the program for the day as a general business and sales meeting, which included a banquet at the Fontenelle hotel, together with talks by the various men attending the meeting.

Prominent among the factory men attending the meeting is C. E. Denzer, western sales manager. Mr. Denzer, who is in close touch with the sales situain, is very enthusiastic regarding the cowing the "westerners" are making.
