SHE SAYS TANLAC WILL HELP WOMEN

Mrs. Frank Friday Got Relief From Nervous Debility by Using Master Medicine.

She Calls It Wonderful

"Tanlac is a wonderful medicine and I am very glad to recommend it to women who are ill with nervous debility." So spoke Mrs. Frank Friday, of 1955 Paul street, Omaha, yesterday.

Mrs. Friday bases her recommendation of this Master Medicine on personal experience. She knows the value of Tanlac.

"I had nervous headaches and severe pains in my back," continued Mrs. Friday. "Sometimes I would have to stop work and rest. I had practically no appetite and often times hot flushes would pass over me, showing the disordered condition of my nerves and stomach.

"I saw Tanlac advertised and so highly endorsed that I decided to try it. Now, since taking Tanlac, I feel like a different woman. I told my husband last night how it was helping me.

"I no longer have headaches and my back does not bother me. I have a good appetite, which, I believe, is a sure sign of returning strength."

"How many women are there who would give almost anything to say, 'I have stopped having headaches?'" asked the Tanlac Man after he had heard Mrs. Friday's story. "Thousands and thousands of women," he continued, "go on suffering because they shrink from making known their ills. The subject of the ills of women is a delicate one, but it is perfectly proper to say that in most cases women suffer from lack of vitality that brings on nervous breakdown and often affects the stomach.

"Tanlac is specially designed to overcome these so-called 'Modern maladies,' and I believe there is no medicine that acts so favorably upon the woman who says, 'I am nervous and all run down. Life is just misery.'"

Tanlac is being specially introduced in Omaha at the Sherman & McConnell drug store, 16th and Dodge streets. There the Tanlac Man daily explains the Master Medicine, how it should be taken and the results that may be expected from pale, droopy, run down men and women, who need better digestion, more strength and a toning up of the nervous system.

Tanlac may be obtained in Benson of the Schiller-Beattie Drug store; Springfield, H. Fiegenbaum; Weeping Water, Meyer Drug Co.; Nebraska City, Henry Schwake & Co.; Auburn, E. H. Dort, Ashland, H. H. Careless Use of Soap Spoils the Hair

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary mulsified cocoanut oil (which is pure and greaseless), and is better than the most expensive soap or anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get mulsified cocoanut oil at any pharmacy, it's very cheap, and a few ounces will supply every member of the family for months.—Advertisement.

BAD FEET AN OBSTACLE TO SUCCESS IN LIFE

"I never employ a salesman who suffers from bad feet," says a big merchant. "I know that no man or woman who suffers from foot troubles can possibly do justice to any kind of a job, because bad feet torture a man's body so that his mind can't be on his work." Thousands of men and women are handicapped in their life race by bad feet. It is such a useless handicap nowadays because a very simple home remedy will cure them. A 25-cent package of Wa-Ne-Ta will bring instant relief to foot sufferers. You drop two or three of these tablets in a pan of hot water and bathe the feet in it for a few minutes. The pains, aches, burning sensation and irritation vanishes like magic and the feet are cool and comfortable in no time. Delightful for use in bath. Leaves skin soft and sanitary. If your druggist hasn't Wa-Ne-Ta, we will gladly send you a sample package if you will send us 10 cents to cover cost of mailing. Ft. W. Landon Co., South Bend, Ind.—Advertisement.

POOL GIVES POINTS ON VOTE FOR JUDGE

Party Men Ballot for Exact Number of Officials Who Are to Be Chosen.

DOUBLE NUMBER ON BALLOT

(From a Staff Correspondent.)

LINCOLN, April 11.—(Special.)—Many people appear to be "up in the air" regarding the number of candidates to be voted for on the nonpartisan ballot for the different judicial offices, and Secretary of State Pool has been appealed to set them right.

It appears that many people believe because the law requires that twice the number of candidates shall be selected than the number to be elected at the regular election that each voter must vote for twice the number, yet the secretary of state says that each voter may vote for but one candidate for chief justice of the supreme court and for three candidates for associate justice.

The two candidates receiving the highest votes for chief justice will have their names placed upon the ballot while the six candidates receiving the highest votes for associate justice will also have their names printed on the regular election ballot.

Blank Line on Judicial Ballot.

There must be a blank line for the writing in of a name on the nonpartisan primary ballot as well as on the regular ballot, according to an opinion given by Attorney General Reed in answer to an inquiry made by F. A. Barton, county attorney of Pawnee county.

The same opinion has be given by Secretary of State Pool in answer to inquiries coming to him.

Otoe Republicans Rally at Syracuse

SYRACUSE, Neb., April 11.—(Special.)—The republican county central committee held a rally and get-together meeting at the opera house here last evening. The house was well filled and the occasion one of enthusiasm. Hon. J. Ran McKee of Palmyra, the weteran war horse of Otoe county republicanism, presided and introduced the various state and county delegates, who were followed by Mayor Madgett of Hastings, who gave a good talk.

The main address of the evening was to have been made by ex-Senator E. J. Burkett, who was detained by business matters, so ex-Governor Chester H. Aldrich delivered the address, taking the administration to task for its actions and its weak policy in foreign affairs. He handled national affairs without gloves and urged the republicans to get together and present a united front to the democrats this fall. The central committee was highly complimented for the meeting by all the candidates.

The Best Recommendation.

The strongest recommendation any article may receive is a favorable word from the user. It is the recommendations of those who have used it that makes Chamberlain's Cough Remedy so popular. Mrs. Amanda Gerhart, Wayne-field, Ohio, writes, "Chamberlain's Cough Remedy has been used in my family off and on for twenty years and it has never failed to cure a cough or cold." HORSE YARDS IN A BLAZE

Thousand Dollars Damage Done at Grand Island, but Animals Saved.

ALLIES' PROPERTY IS DAMAGED

GRAND ISLAND, Neb., April 11.—(Special Telegram.)—Fire late this afternoon broke out in the horse yards of Hilliker, Simpson & Smith, contractors for French and British horses, and caused some loss to buildings and a general scare for the section of the city occupied as the horse market.

The fire originated from the sparks of a railroad engine, communicating to the hay in the feeding troughs. The flames made rapid headway during the high wind. These yards are out of the water limits and, while the department soon had a 2,000-foot line of hose laid, some of the hose nearest the hydrant proved defective and it took some minutes to uncouple and replace it with other hose.

The firemen, nevertheless, not only kept the flames confined to the yards of this company, but even saved most of the long sheds in the path of the wind. Seven hundred head of horses, already the property of the allies, were run out and others led to other corrals, and not an animal was lost. The loss of hay, buildings, etc., will not reach over $1,000. The prairie northeast caught fire, but communicated to nothing of vaue and was soon put out.

Notes from Lindsay.

LINDSAY, Neb., April 11.—(Special.)—At a meeting of the men of the Holy Family parish it was decided to hold a parish picnic at the dedication of the new monastery in June. The C. O. F. had a meeting last night and decided to put on a play and turn the proceeds over to the monastery.

The 6-month-old son of L. G. Winkler was buried in the Catholic cemetery today. The loss strikes the bereaved parents especially hard, as it was their only son.
