HARPER HURLS A GOOD GAME

BOSTON, April 18.—For the first time since 1914 the Washington team defeated the Boston Americans here, the score being 4 to 2.

Timely hitting by the visitors coupled with first class pitching by Harper, gave Washington the victory. In both the first and second innings the first batsman singled and eventually scored.

Lewis drove in Boston's two runs in the eighth with a double. Score:

What Does "Punitive" Mean? Simple, Yes, But Many Omahans Didn't Know

The "punitive" expedition into Mexico will probably be over before half the people know what a "punitive" expedition is.

Did you know what "punitive" meant when you first saw the word in connection with this military expedition into Mexico? There were hundreds who did not know.

Carl B. Kraus, building supply man in the Omaha National Bank building, was not sure what the word meant. "I thought it meant about the same as 'puny,' or 'small,'" said Mr. Kraus. When he was told he was wrong, he set out to find what other men had thought of it. He was determined not to be alone in his error.

So he made it a hobby to ask every one of his friends what "punitive" meant. When he had asked fifty men he got pretty much the same answer from most of them. One answered: "It means a kind of a—er, well, temporary expedition."

Another answered: "It means a well, say, a kind of a preliminary-like expedition."

Others were strictly with Kraus on the matter and said: "It means a puny, tiny, or small expedition, insignificant in numbers."

Only one of the fifty gave him the right answer. "Why, you silly," he said, "it means a punishing expedition—an expedition to punish a man or party of men for a specific offense. Why didn't you consult the dictionary at your elbow instead of running all over the street asking fifty men for a definition?"

Tigers Whip Indians. CLEVELAND, April 18.—Triples by Viti and Veach allowed Detroit to overcome Cleveland's early lead and win, 4 to 2. Cleveland knocked Cleveland from the box in the first inning, but could do little with Dubuc. The Indian filled the bases with only one out in the eighth, but Cobb caught Howard's fly and doubled Speaker at the plate.

NEW YORK, April 18.—New York won the first game of its series from Philadelphia today, 4 to 2. Shawkey, a former athletic pitcher, was in the box for New York, and fine support offset his wildness. Two great plays by Baker widened him in the eighth inning when the visitors had the bases full, one run in, and none out.

The batting of Gedeon, purchased by the New Yorks from the Newark Pelegrals, again featured. He has made six hits in his last two games. Score:
