MAIL VOTE MAY DECIDE ONE NOMINEE IN HALL
GRAND ISLAND, Neb., April 21.—(Special.)—It was not until today that the results of the primaries on one of the county nominations was definitely known, and it will require the official ballot to make that result absolutely certain owing to the votes by mail. The only close race was in the democratic contest in the nomination for county attorney among A. L. Joseph, C. J. Southard and William Suhr. While the latter was supposed to be third in the race, it is one of the surprises of the local election that he was voted out ten ahead of Joseph, and it is generally conceded that the votes by mail will be in his favor. Harold Prince, son of W. A. Prince, recently graduated from the University of Nebraska, will be Mr. Suhr's opponent. The rest of the county ticket is as follows: Representative—A. L. Scudder and Leo Stupp, rep.; M. H. O'Malley and C. A. Hill, dem. County Clerk—J. E. Lyle, rep.; Peter C. Gimple, dem. County Treasurer—Gus E. Neumann, rep.; M. M. Kings, dem. Clerk of the District Court—A. U. Hannon, rep.; Walter H. Rausert, dem. Sheriff—John McFutcheon, rep.; Gus Stevers, dem. Superintendent—Dorothea Kelle, rep.; Dorothea Kelle, dem. Assessor—George C. Humphrey, rep.; H. A. Edwards, dem.

LOS ANGELES, Cal., April 21.—No women's clubs of Los Angeles or this vicinity will receive officially the party of women who will arrive here tomorrow representing the congressional union for woman suffrage, according to club women here today. Instead the approach of the "suffrage special" was the cause, it was said, for the passage of resolutions today by the Friday Morning club stating the club was "unfavorably opposed to a woman's party."

TEACHERS AND PUPILS HONOR DEAD CARETAKER
ALEXANDER, Neb., April 21.—(Special.)—James Luster, caretaker of the public school house and grounds, died suddenly while at work Monday. Mr. Luster was one of the most popular men in the community and the school grounds, which had been in his charge for several years, had the reputation of being the most beautiful in the state. His funeral was held in the public school building and was conducted in a beautiful and impressive manner by teachers and pupils. The body of their friend lay virtually buried with the flowers that he loved. Rev. M. Clark of the Methodist church preached an excellent sermon. It was strictly a school funeral and was an example of the true greatness of one who although alone in the world has won the love of little children. The service at the grave was conducted by teachers and pupils.

Hoagland Returns From Trip in East
(Lincoln, April 21.—Special.)—Senator Walter V. Hoagland of North Platte was a caller at the state house this morning. Senator Hoagland has just returned from a trip to Washington and other eastern points and says that republican sentiment in the east is rapidly increasing, although it has been strong for some time. While the industrial conditions are good, caused by the European war, the people of the industrial centers well recognize the fact that were it not for the war conditions among the laboring men would be deplorable. He says that the whole country appears to be for Hughes. There is Hughes sentiment everywhere, although in certain parts the politicians are strong for Roosevelt. These are generally those interested in munition plants and their friends, and what in his mind was strange, the politicians who were strong against Roosevelt four years ago appear now to be his strongest boosters.
