VOTE RECOUNT IN OLD LANCASTER

Overhauling of Ballots Results in Discovery of Great Many Errors.

SIZER NOW MAKES CONTEST

(From a Staff Correspondent.) LINCOLN, May 3.—(Special.)—Recounting the ballots cast in the Lancaster county primary is the order of the day since the election. The first recount was made on Justice of the Peace, and the result completely changed the selection of two candidates, the third man from the top, who contested the count, now is shown to be the high man.

This has started another contest. Ed Sizer, who was defeated for county treasurer by about two dozen votes, now calls for a recount, alleging irregularities in every voting precinct in the county.

Pardon Board to Meet. The State Pardon board will meet tomorrow to take up several applications for parole. There are no applications for pardon and has not been for the last three meetings.

Getting in Hughes' Vote. Two counties in the state, Seward and Banner, returned no figures on the vote which may have been cast in those counties for Charles E. Hughes.

In one of these counties, Seward, one of the papers in publishing the unofficial returns show that Hughes received 150 votes. Secretary of State Pool this morning called up the county clerk of Seward county and called his attention to the omission of the Hughes vote in the official count, and was told that the vote would be sent in, but that the Hughes vote was 131 instead of 150, as published in the Seward papers.

KEARNEY MEN TO COURT TO CONTEST PAVING LAW

KEARNEY, Neb., May 3.—(Special Telegram.)—That the law allowing city councils in cities of the class of Kearney to create paving districts and which provides for the filing of protests within thirty days, is unconstitutional and that there was error in its passage by the last legislature is the contention made in a suit filed here yesterday asking a restraining order against the mayor and city council from proceeding with the work in five districts.

A temporary injunction was granted by the county judge in the absence of Judge Hostetler of the district court and the case was set for Wednesday, May 10.

Kearney has paved several miles under the new law and it is supposed that a number of local people who have lost out in their campaign for protest are behind the move. A sharp legal battle will ensue.

M'DONNELL THE NEW HEAD OF FAIRBURY COMMERCIAL

FAIRBURY, Neb., May 3.—(Special Telegram.)—At a special meeting of the new board of directors of the Fairbury Commercial club officers were elected for the ensuing year as follows: J. W. McDonnell, president; L. J. Rasse, vice president; H. H. McLena, treasurer; Roy E. Riley, secretary.

COMMERCIAL TRAVELER SUES ROAD FOR INJURIES

KEARNEY, Neb., May 3.—(Special Telegram.)—John J. Spies, well known traveling man of Kearney, filed suit in the district court here yesterday against the Union Pacific for personal injuries received by the plaintiff when his automobile was struck by a passenger train on the K. & B. H. at Amherst last November.

Spies was badly injured and has not been following his occupation of a salesman since that time. Judge W. B. Odham and T. J. Doyle of Lincoln are the attorneys for the plaintiff.

FEDERAL AUTHORITIES TAKE OVER INVESTIGATION

LINCOLN, May 3.—(Special.)—Food Commissioner Herman has turned over to the federal government the investigation which has been started covering the sale of a substance known as "Gaso Tonic," which is supposed to strengthen the efficiency of gasoline as used in automobile service.

Notes from Gage County.

BEATRICE, Neb., May 3.—(Special.)—A petition is being circulated requesting the city commissioners to call a special election for the purpose of submitting the salary ordinance of city officials to a vote of the people. The proposed ordinance reduces the salaries of the city commissioners, chief of police, policemen and a number of other appointive offices.

Tim Miller, for the last thirty-five years a resident of Butler and vicinity, died yesterday at a local hospital, aged 89 years. He leaves a widow and a number of children.

About 30 business men of St. Louis will arrive in the city Thursday evening on a special train for the Burlington and remain in the city for a few hours. They will be entertained at a formal reception and luncheon by the Commercial club.

Mrs. Sarah Weaver, for the last thirty-five years a resident of Gage county, died here yesterday. She resided three miles south of Corral. She was 82 years of age and leaves her husband and six children.

Notes from Lindsay.

LINDSAY, Neb., May 3.—(Special.)—Lawrence, the seven-year-old son of Joseph H. Holman, nearly met with a fatal accident yesterday afternoon. When out in the field with his father he was waylaid under the plow and it went over him. He was badly lacerated, but no bones were broken, and if no internal injuries show up soon the little fellow will soon be around again.

Johnny Nelson, the newly appointed marshal, taking office May 1, planned his first official act into operation today by ordering all the cats paroled in the center of the street.

Dr. King's New Discovery. There is nothing better for your cough or cold than Dr. King's New Discovery. It is the best remedy guaranteed. All drug stores—a 7-cent bottle.

Howard Says He's For Keith Neville

(From a Staff Correspondent.)

LINCOLN, May 3.—(Special.)—In a letter to The Bee correspondent Edgar Howard of Columbus denies the story published under a Lincoln date line that he might retire from the race for lieutenant governor on the democratic ticket, but on the other hand, says he is for Keith Neville for the governorship, notwithstanding he is the selection of the boozing element in the democratic party, while Mr. Howard himself was the selection of the water-wagon bunch and about the only one they landed for a nomination.

Mr. Howard says that The Bee story must have been intended as a joke in the hope that it would cause discord in the democratic party. As the story was also published in one of the leading democratic daily papers of the state at the same time, the information came from a family source and should have been authentic because of the unity which exists in the democratic household.

DOUGLAS COUNTY DAMAGE SUIT IN SUPREME COURT

(From a Staff Correspondent.) LINCOLN, May 3.—(Special.)—An appeal from a judgment of the district court of Douglas county has been filed in the supreme court which covers a complicated case involving damages from injuries received by Foster M. Shick, who was injured while in the employ of the Omaha Steel Construction company, of which Frederick R. Johnson is the principal owner.

It appears that the construction company was insured against damage to workmen in the Casualty Company of America. Shick sued the construction company for \$3,000. In the first trial a judgment was given the plaintiff for \$2,500 against Johnson. The case was appealed and sent back for trial. In the meantime Johnson, according to the papers filed in the supreme court, managed to get a settlement with Shick for \$1,000. A second trial was had, in which Shick was given a judgment for \$13,500. The claim was assigned to John J. Boucher, who now asks the supreme court to affirm the judgment.

Johnson says that he is unable to meet the alleged excessive judgment and that after he had made a settlement with Shick the case had no business to be taken further for trial. Boucher sets out that the settlement made with Shick for \$1,000 was so unreasonably low that the courts should not take it into consideration.

Accused of Firing Barn. BOONE, Ia., May 3.—(Special Telegram.)—Officers this morning arrested Lee L. Perry of Perry, charged with stealing horses from Thom as Scott's barn and setting fire to the structure, which burned nine animals to death.

Treitzend, recently captured by the Russians, is famous in history as the first Greek colony reached by the "ten thousand Greeks" on their retreat after the battle of Cunaxa.

MILITIA GUARDS BIG STEEL MILLS

Riot Torn Region in Vicinity of Pittsburgh is Comparatively Quiet Today.

SEVEN LABOR LEADERS HELD

PITTSBURGH, Pa., May 3.—Troops of the Pennsylvania National Guard today took charge of the situation in Turtle creek and Monongahela valleys, where two persons were killed and a number wounded in strike riots yesterday. The governor's troop arrived this morning. Large forces of coal and iron police remained on guard at the plants of the United States Steel corporation all night, but experienced no trouble.

More workmen walked out of the Pressed Steel Car company works at McKee's Rocks today, and it was said the entire plant, employing 10,000 men, would be closed this afternoon.

Quiet prevailed throughout the night in Braddock. Fearing another outbreak citizens availed in as deputies patrolled the streets, while more than 50 guards and deputies armed with riot guns guarded the Edgar Thompson works of the Carnegie Steel company, where yesterday's rioting occurred.

Seven Labor Leaders Arrested.

Other arrests were expected today in connection with the commitments issued by Coroner Samuel C. Jamison as a result of the riot. Seven labor leaders, among whom were Fred Merrick, a former socialist newspaper editor; J. Hall and Anna Bell were arrested last night and are being held on a charge of being an accessory before and after the fact to murder. Three others were taken into custody early today and placed in jail.

A note alleged to have been found in Hall's possession read: "Five killed, fourteen injured. Phone McNamara to meet me." The corner of the note was torn off and apparently the letter "e" was missing after the "m." The coroner said he will refuse to tell who "McNamara" was.

Pickets Charge Automatic Gun.

A lone picket appeared at the Edgar Thompson plant in Braddock soon after 7 o'clock and taking a position just outside the Thirtieth street entrance, where the fighting occurred yesterday, began making a speech to the few men and women who stood around in the drizzling rain.

He was promptly arrested and was found to be armed with an automatic revolver.

Three of the eleven blast furnaces were still lighted, but the other eight had been banked and the men told not to report for duty until quiet had been restored. About the Westinghouse plants in the East Pittsburgh district not a striker appeared and no pocket lines were formed. Quiet was reported from other parts of the Turtle Creek valley.

MEDICAL CORPS OF GERMAN ARMY WELL SUPPLIED

BERLIN, May 3.—(By Wireless to Sayville.)—The congress of army surgeons at Warsaw is being attended by 1,500 men, including many university professors and

the chief surgeons of the Austro-Hungarian, Turkish and Bulgarian armies. Dr. Schjorsing, chief surgeon of the German army, said there were more than 20,000 surgeons in the army in addition to 2,000 Red Cross physicians, 400 dentists, 1,800 pharmacists and 92,000 soldiers in the sanitary corps in the field, 72,000 in Ger-

many and 20,000 at army bases back of the lines. There are 23 hospital trains in service and eighteen large disinfecting stations, which are able to attend to 100,000 soldiers daily.
