# JULIUS F. SILBER ARRIVES IN OMAHA

Steamboat and Barge Makes Trip from Kansas City with Cargo in One Hundred Hours.

#### CARRIES SEVEN-MAN CREW

With less than 100 hours of actual voyage, the Julius F. Silber arrived o Omaha from Kansas City shortly before 11 yesterday morning, in enarge of Captain J. B. Neff. and pushing a large barge with cargo. The burge has a capacity of 100 tons, while the steamboat itself has a capacity of from 50 to 70 tons.

Omaha by river, according to Captain Neff, is 269 miles. The boat has been nine days in the upstream voyage, but made numerous stops, including a stop at St. Joseph, where another 1,000 pounds of candy was loaded for an Omaha firm. So that far you walk, or how long you remain on less than 100 hours was consumed in actually moving up-stream.

It will take perhaps half that time to

souri river navigation committee as could of a cargo to take back to Kannas City and at the same time to try to agree or movements. The boat is expected to ply between Kansas City and Omaha regu

"I found the river pretty good in most places," said the captain. "I struck no Sioux City Youth Aspires to Scintilsandbars worth mentioning. The boat draws thirty inches of water."

The Julius F. Sither is a steamboat of 150 horse-power. It carries a crew of seven besides the cook. On this initial voyage it carried cargo of merchandise for some twenty

You cannot expect to have a healthy body if you have impure blood running in your veins.

The blood is the great source of nourishment for all flesh tissues. When the blood is not pure it carries poisons and impurities to all parts of the body, causing local ills that cannot be cured until the blood is purified.

Rheumatism, Catarrh and Malaria are the direct result of impurities in the blood. It shows in such symptoms as a lack of energy, loss of appetite, sleeplessness, and many other little ills that may become serious if the cause of them, blood impurities, is not removed. Nature has given us the
