ROTARIANS PLAN FOR PAST MEMBERS

Harry Weller Suggests Solution Which May Be Taken Up at National Meeting.

WHEEL FOR PAST SERVICES

A heretofore unproposed possible solution of the problem of involuntary past Rotarians—Rotarians who, by no reason of their own, through change of classification or removal from the city, lose their memberships, was advanced by Harry Weller at the weekly luncheon and meeting at the Hotel Fontenelle. Mr. Weller suggested that involuntary past Rotarians be given the rotary wheel for distinguished service as a member of the organization and, although not being allowed to vote on club affairs, be given all other privileges.

The proposal was put in the form of a motion and seconded, with the idea that it will be put up before the international convention of Rotary clubs at Cincinnati in July. The involuntary past Rotarian question will be one of the important problems to come up before the international convention and the Omaha delegates may win the honor of solving it. The luncheon at the Hotel Fontenelle had a practically 100 per cent attendance. The principal address was made by C. W. Y. Loucks of the McKeen Motor Car company. Two new members, W. R. Wood and C. H. English, and possibly a third, John P. Letton, the new manager of the Hotel Fontenelle, were introduced. "Jack" Letton is a former member of the Galveston and Atlanta clubs and a booster for everything Rotary. Daniel Baum, Jr., presiding as chairman, who introduced Mr. Letton, averred that the new hotel manager came to Omaha probably more strongly recommended than any member from another city ever introduced to the local club.

VOCATIONAL GUIDANCE BOARD TO EXTEND WORK

To begin vocational guidance work with Seventh and Eighth graders next year, as well as with high school students, is the plan of the vocational guidance section of the Association of Collegiate Alumnae, which has already established such a bureau in the Board of Education rooms, in charge of Miss Myrtle F. Roberts. At the final meeting of the section, held Tuesday at the Young Women's Christian association, Miss Nan Frankish of the Central high school faculty was elected chairman, succeeding Miss Elizabeth Brenner, who has left the city. Mrs. Hubert Owen is the vice chairman; Mrs. Paul Hoagland, secretary, and Miss Tone C. Duffy, treasurer. The executive board, including Mrs. Edgar Scott, Mrs. Hoagland and Misses Jessie Towne, Elizabeth Rooney and Jessie Duffy, was continued. Employees of Firm of M. E. Smith Have New Welfare League

The employees of M. E. Smith & Co. have organized a welfare league for social and benevolent purposes, and the organization starts with more than 400 members.

The purpose of the league is to assist members in time of sickness or accident by providing not only free medical attendance, but also weekly cash benefits during disability, as well as a substantial death benefit to be paid to the beneficiary of the members who may die during membership. The firm of M. E. Smith & Co. has made the league a cash donation of \$50, so that it starts with a goodly cash balance in the treasury. The monthly dues, which are small, will build up a handsome surplus, it is believed. The first election of members of the governing board, which will have charge of the affairs of the league, was held Tuesday, and the following were elected: Charles Herbst, Glen Wurm, L. P. Bushnell, Miss Emma Hansen, Miss Anita Novak and Miss Jennings. Mr. C. W. Russell, vice president of the company, has consented to serve on the board in an advisory capacity.

Business Women Discuss How to Get Rid of Their Money

When a staid member of the Business Women's club rose at the meeting Tuesday evening at the Young Women's Christian association and suggested that "How to Spend Money" should be a subject for discussion next year, the other members listened decorously. But when she continued, "And I think we should discuss ways to invest money, as well"—the audience went off into gales of laughter. "If we had the money, you can bet we'd know what to do with it," was the consensus of opinion. Miss Belle Bliss was elected president to succeed Dr. Nora Fairchild. Miss Grace Grant is the vice president; Miss Mable Kendie, treasurer, and Miss Jennie Neigh, secretary. The Business Women's club number fifty-five members.

IMPORTANT COFFEE DON'TS. We have been roasting coffee for years. Today we are roasting an immense quantity of the best coffee in the world. For this reason we believe you will be interested in the "Don'ts" we have found important. Don't buy coffee which has been exposed. Like butter, coffee absorbs odors, and its flavor is quickly impaired. Then you get an insipid drink. Choose a coffee that is sealed in an air tight can. Don't buy large quantities of coffee at a time. Don't use a coffee pot that is not scrupulously clean. Don't use the same mill to grind OMAHA MAID that has just been used to grind some other brand, as it will impair the flavor. Don't forget to try our new 30-cent coffee, Omaha Maid, when next you purchase. Roasted in Omaha by McCORD-BRADY CO. OMAHA, NEBRASKA.

"And six cans of Cottage Milk". Don't just say "evaporated milk"—say "Cottage Milk." Order Cottage Milk by name, if you want the milk without the pronounced cooked taste. Cottage Milk is simply fresh, pure, rich cow's milk with most of the moisture removed by evaporation. You can depend on Cottage Milk. Sterilized Unsweetened. It's always the same—rich, delicious, pure and clean. You'll know satisfaction in milk when you try your first can of Cottage Milk. You can't help but notice its superiority for Cottage Milk has twice the food value of bottled milk. Use it in coffee, on breakfast foods, just as you would use cream, dilute it and use as you would use milk, either for cooking or for drinking. Your grocer has Cottage Milk and he recommends it, too. Buy and 10c a can AMERICAN MILK CO. Chicago.
