OMAHA FIRM WILL LOAN MONEY ON AUTOMOBILES

An institution designed to loan money on automobiles, thereby making it possible for persons to purchase cars and pay for them on the installment plan, has

been arranged by the City Safety Deposit company of Omaha. This company was recently acquired by Dan and Dave Gault and Dan Galt. These men decided to institute this automobile loan department, which has now been in operation for several days. A number of such loans have already been made, as the

department was opened Tuesday of this week. It will be in full operation next week, with Dan Baum in charge. Time, tide and Bee Want Ads wait for no man. An opportunity missed is an opportunity lost.

REFUSES TO BE EXAMINED IN PERSONAL INJURY CASE

After the plaintiff, John J. Putman, had declined to submit to a physical examination, his suit for \$30,000 against the Missouri Pacific railroad was continued

over to next term by Federal Judge Woodruff, though a jury had been impaneled to hear it. Putman claimed to have been injured in the Falls City roundhouse. Want Ads never shirk their work—they will get results, if anything will.
