10 ACRE FARMS, $150

PAYABLE 50 CENTS WEEKLY

20 ACRE FARMS, $300

PAYABLE $1.00 WEEKLY

$15 Per Acre for 10 Acres or 100 Acres

No Interest. No Taxes. No Forfeiture.

On our plan you cannot lose what you have paid in, even if for any reason you have to stop paying. Every dollar you pay goes into the land and none can take it away from you.

Get a spot of ground all your own. Men find it the greatest satisfaction of their lives to own a piece of farm land. It means a home. There are a hundred possibilities in a piece of land—in its earnings, in its perfect security for investing your savings, and as a growing business to step right into when you are tired of your job or your job is tired of you. It is a self-sustaining proposition that puts money in the bank; besides money invested in Real Estate cannot be easily lost and in fact, under our most liberal contract, it cannot be lost at all. No one who has a house, a few acres of land, cow, some pigs and chickens need ever suffer want. It is astonishing to any who have not learned by actual experience how much easier it is to live in comfort—how much farther the same amount of money will go in the country than in the city where everything, even pure water, must be paid for.

These farms are in Shannon county, Mo., on the St. Louis & San Francisco R'y. None are over two miles from a railroad station.

We have productive soil, good schools, churches, good roads, close to good sized towns and within one night's ride of four big markets.

Our contracts are the most liberal ever offered by a real estate firm.

Whether you are looking for a home or want to hold your tract as an investment and for increase in value, our proposition must appeal to you. Our prices are reasonable. You get land for every dollar you invest. There are no forfeitures. You pay no interest or taxes. If you die the money will be returned to your family. You are dealing with a long established conservative firm of ample resources to carry out every obligation and to protect your interests.

We have endeavored to make the terms within reach of everyone.

NEBRASKA FARM, UNIMPROVED.
FOR SALE, for CASH.

I have for sale 1,280 acres of land in Morrill county, Neb., that is about 14 miles from two railroads. The same quality of land close to the railroads is selling for $35 to $50 an acre, unimproved. I have been advertising this land for $25 an acre, and my parties have just wired me that they would consider an offer of $20 an acre net to them. I will answer any correspondence on this property and will go and show it, and if it is not as represented I will refund all expenses, and should you purchase it I will deduct all expenses. Will except as my commission 5% on the first thousand and 2½% on the balance. I have not been ashamed to show this property at $25 an acre, and while I have never seen it, those who have say it is worth the money, and less than five months ago I refused an all cash offer of $25 an acre on it. Try and interest yourself in this tract of land for investment. There is more land being sold in that part of the country than any other in Nebraska or Colorado. This land should be put in wheat and could pay for itself in one year. For further particulars call on or write

WILL SELL
20-ACRE FARM FOR ONLY
$300
ON TERMS OF
$10.00 CASH AND $5.00 MONTHLY,
WITHOUT INTEREST OR TAXES.

I am having splendid success with my 1,000-acre orchard and farm in southeast Missouri. Have 100 acres in peaches, 150 in apples, 6 in grapes, 3 in strawberries, 4 in blackberries and raspberries, and 150 in vegetables, grains and grasses. The balance will be planted to grapes and fruit trees next spring. The peaches have been running over $100 per acre, berries and grapes $300, tomatoes $100 ($10 per ton at the canning factory), etc. Apples just coming into bearing.

I have a large amount of land surrounding my 1,000-acre orchard and farm, much more than I will ever be able to get under cultivation myself, and will sell 10 to 20-acre tracts at $300, on terms of $10.00 cash and $5.00 monthly, without interest or taxes.

FARMS FREE TO LIMITED NUMBER

For a limited number of persons I have an arrangement whereby they can obtain a farm tract free.

My location is in southeast Missouri, midway between the Ozarks and the lowlands, elevation above sea level about 350 feet.

Before offering any of my land for sale I went to the authorities of the seven nearby states having the so-called "Blue Sky" laws and asked them to pass on the printed matter I had prepared and to send their expert land men to inspect my orchard, farm and land offered. After doing this, and also investigating my financial responsibility and past business record, they quickly granted permission to sell my land in their states.

A few acres here, properly looked after, will bring you a splendid income, besides providing the best of everything for your own use. $100 to $300 clear profit per acre can be made. Fruits, berries, vegetables, grains and grasses will produce these results. A single acre can be made to pay $10 clear profit every month. $100 will build you a cozy, comfortable home in our mild climate that will seem like a little heaven compared with the ordinary, crowded, brickbound city flat.

With a few chickens, pigs and a cow, fruits, berries, vegetables and a little meadow to start with, your health, wealth and happiness come into your own hands. You are boss of all, with room to grow, and no one to say enough to come to and give you orders. We have good schools, churches, 6% free delivery and mutual rural telephone lines and good towns.

FREE RAILWAY FARE

to purchasers. If days that is to visit and make your selection; money back after one year if dissatisfied. Payments stop in case of death; money insures for improvements; perfect title; immediate possession.

SENIORS WIN THE HIGH SCHOOL MEET

Sophomores Second with Juniors a Strong Third and Freshmen Come in at the End

FULLAWAY INDIVIDUAL WINNER

The seniors took the Central High school class meet Friday, winning fifty-two points, while the sophomores won twenty-five, the juniors twenty and the freshmen sixteen. Wilber Fullaway, a senior, was the individual point winner, taking twenty-two and one-half points, including three firsts, two seconds and tying for another second. "Chuck" Morearty with sixteen points, won three firsts and one third.

"Chuck" Morearty broke the record set by Hubert Wood several years ago, making 21 feet 4½ inches on his first jump and setting up a mark of 21 feet and 11 inches on a jump a short time afterwards. Howard Turner broke the inter-class record for the high jump by clearing the bar at 5 feet 9¾ inches, an inch better than the former record.

The seniors had a corner on the field events, while the sophomores were much in evidence in the distance runs. Rountree sent a thrill through the crowd by racing "Chuck" Morearty to a dead in the first heat of the 100-yard dash, but "Chuck" easily showed his superiority in the final heat by running away from his opponent.

Logan, Paynter and Burgess proved easy winners in the distance runs, having too much experience for their opponents. The following are the winners of the meet:

The Winning Ones.

Running High Jump—Howard Turner, first; Wilber Fullaway, second; Charles Morearty, third; height, 5 feet 9¾ inches.

Running Broad Jump—Morearty, first; Dwight Danforth, second; James Raynolds, third; distance, 21 feet 4½ inches.

Pole Vault—Wilber Fullaway, first; Robert Downs, second; Robert Fessler, third; height, 9 feet 9 inches.

Shot Put—Wilber Fullaway, first; John Crowley, second; Thurston Logan, third; distance 35 feet 11 inches.

Discus Throw—Wilber Fullaway, first; Thurston Logan, second; James Raynolds, third; distance, 84 feet.

100-Yard Dash—Charles Morearty, first; Dwight Danforth, second; Thaddeus Rountree, third; time, 10⅘ seconds.

220-yard Dash—Charles Morearty, first; Joe McConney, second; Alvan Geisler, third; time, 24⅘ seconds.

440-Yard Dash—Thurston Logan, first; Pierce Rogers, second; Nathan Kesselman, third; time, 57 seconds.

One-half Mile Run—Floyd Paynter, first; Arno Harper, second; Dick Giller, third; time, 2:12.

Mile Run—Raymond Burgess, first; Lawrence Underwood, second; Andrew Johnson, third; time, 5:13⅘.

Half-mile Relay—Seniors, first; sophomores, second, freshmen, third; time, 1:43.

URGES CITIZENS' TRAINING CAMP

Wharton Clay of Chicago Addresses National Security League at Commercial Club

GENERAL HARRIES PRESIDES

"No man wants less to go to war than he who has been in one of the citizens' training camps, for only after such a course does he realize how terribly deficient he is," declared Wharton Clay of Chicago, in addressing some thirty Omaha men, members of the local branch of the National Security league at the Commercial club.

The men were invited to the meeting by General George H. Harries, local head of the Security league. Mr. Clay happened to be in Omaha on business. He represents the United States Gypsum company.

"It was a mistake to represent me as an officer of the Illinois militia," said Mr. Clay. "I am not. I am an architectural engineer in Chicago and happen to be one who is interested in these citizens' training camps.

"If Omaha cannot get a local encampment, then I wish all Omaha men would boost for the Indianapolis camp, for that would be the logical center for men from here, if Omaha does not get one.

Must Make Sacrifices.

Mr. Clay insisted that the moral regeneration of the country can come only through those who are willing to make some little sacrifice for their citizenship instead of merely accepting the result of the sacrifice made by their forefathers as a gift without carrying any obligations with it.

"We want the gentlemen from Nebraska to make a little sacrifice," he said, "to let the people of the United States know that you are with us in putting the fist in 'pacifist.'"

General Harries said he had been in communication with the War department with regard to getting the use of Fort Crook for a citizens' training camp at Omaha and that it was practically certain Omaha could get it, but that his negotiations had been with General Scott and had necessarily stopped abruptly when Scott went to the border.

General Harries is now scouting around trying to find regular army officers or militia officers enough to take hold of the camp and handle it.

QUARREL OVER AUTO REPAIR BILL MAY LAND IN COURTS

F. L. Jacobs, an automobile repairman, 4010 Hamilton street, was arrested yesterday evening and charged with grand larceny on a warrant issued by John R. Gift. Gift says Jacobs stole his automobile after he had left it with him to repair.

The facts of the story became known to the local police yesterday evening, however, and Jacobs was released. It seems, according to statements made by the police that Jacobs repaired the car for Gift, who refused to pay the bill upon the terms which the former demanded. Jacobs forbade Gift to remove his car from his place of business without the cash and the latter immediately set about to replevin it. Jacobs then hid the car so that it could not be found to replevin and Gift had him arrested.

The case will probably be taken to the civil courts for adjustment.
