

OMAHA TO HAVE BIG PATRIOTIC PARADE

Twenty-two Organizations Have Been Invited by Commercial Club to Participate.

PARADE COMMITTEE IS NAMED

Twenty-two separate organizations in the city are being invited by the Commercial club to co-operate in the arrangements for a big patriotic parade and demonstration to be held in Omaha on Flag day, June 14.

Letters of invitation on this matter have gone out to the heads of these various organizations asking co-operation. "The object of the parade," says the letter, "is to show reverence to the flag and to stimulate patriotism and American ideals."

Following is the executive committee in charge of the parade: General George H. Harries, A. C. Smith, H. O. Edwards, T. C. Byrne, John T. Yafes, W. D. McHugh and August Lockner.

Those Invited.

- The organizations to which invitations have already been sent are the following:
 - J. A. Sunderland, president Commercial club of Omaha.
 - C. F. Harrison, Real Estate exchange.
 - A. T. Benson, president Associated Retailers of Omaha.
 - G. J. Ingwersen, president South Omaha Live Stock exchange.
 - P. A. Edquist, president Noon Day club.
 - Tom Lynch, president Knights of Columbus.
 - George F. Gilmore, president Young Men's Christian association.
 - R. W. Besley, president Omaha Manufacturers' association.
 - R. B. Wallace, president Omaha Ad club.
 - Harley Moorhead, president Rotary club.
 - V. R. Gould, president Builders' exchange.
 - F. Pratt Harwood, exalted ruler of Elks.
 - E. Buckingham, president Ak-Sar-Ben.
 - Mrs. E. M. Syfert, president Omaha Woman's club.
 - Mrs. F. R. Straight, president Daughters of the American Revolution.
 - Mrs. J. M. Aikin, president Young Women's Christian association.
 - Tom Reynolds, president Central Labor union.
 - Rev. D. E. Jenkins, president University of Omaha.
 - Rev. Francis X. McMenamy, president Creighton university.
 - A. D. Falconer, adjutant general Nebraska National Guard.
 - H. M. Johnson, president Concord club.
 - W. T. Bourke, secretary Shriners.

MANY FROM COAST GOING TO CHICAGO CONVENTION

Already twenty sleepers have been lined up and all the space in them sold to parties in San Francisco and Los Angeles going to the Chicago republican convention. It is understood that somewhat more have been ordered. Eastbound the Pacific coast delegates and visitors to the convention will pass through Omaha June 3, traveling on the Pacific and Los Angeles Limited. Here ten of the cars will be turned over to the Milwaukee and the others distributed among the other Omaha-Chicago roads.

PARENTS INVITED TO SEE FIELD DAY EXERCISES

Miss Etta Smith, principal of Monmouth Park school, believes the fathers and mothers should witness the annual field day exercises of her school. She has announced that the program will be given at 6:30 p. m. next Friday at the school grounds and has invited all the parents of the district.

Help Your Liver—It Pays. When your liver gets torpid and stomach acts queer take Dr. King's New Life Pills. You will feel better. Only 25c. All druggists.—Advertisement.

LECTURE AT CITY HALL ON THE SMOKELESS CITY

W. A. Pittsford, C. L. Collette, G. W. Bogardus and J. S. Miller, representing the Kewanee Boiler company, are here in the interests of a "smokeless city" campaign, being held throughout the middle west. An illustrated lecture will be given Thursday evening in the city council chamber, to which architects, building owners and contractors are invited. Mr. Pittsford will speak in connection with methods and value of obtaining smokeless burning of soft coal. Practical illustrations will be given of good and bad installations.

Doctors Relieved Of Responsibility Of Marble Law Suit

Drs. A. T. Gordon and C. H. Newell have been relieved from responsibility as defendants in the \$25,000 damage suit brought against them and the Nicholas Senn hospital by Dr. R. E. Marble. District Judge Troup, in whose court the lawsuit is now being tried, ruled that the hospital alone was the proper defendant. Dr. Marble sued because of injuries alleged to have been received when 25,000 volts of electricity passed through his body from an X-ray machine. He alleged the machine was faulty. The defense claims Dr. Marble was suffering from a form of epilepsy at the time and that this was the real cause of his injury.

METAL MEN HOLD SPRING MEETING

Members of Western District of Sheet Metal Products Manufacturers Assemble.

HIGHER WAGES SEND PRICES UP

Members of the western district of the National Association of Sheet Metal Products Manufacturers held their spring meeting in Omaha yesterday convening at the Hotel Castle. There were some fifty of the manufacturers present, representing Nebraska, Iowa, Kansas, Missouri, South Dakota and Illinois. At noon the members of the gathering were the guests of A. N. Eaton at the Commercial club at luncheon. The meeting closed with a banquet at the Hotel Castle last evening.

At the morning session considerable of the time was taken up with speeches by mill and material men, who discussed the quality of iron, the output, the supply and the future with reference to prices.

The general opinion in close touch with iron production and manufacture was that while there may not be any material advance in prices in the near future there is little prospect of a reduction.

Speakers asserted the advance that has occurred during the last year in a great measure has been brought about by reason of the increase in wages paid to workmen. This advance has applied to all classes, from the man in the iron mines up the line to the expert who turns out the finished product.

Another reason for the advance in price was attributed to the scarcity of finished material and the many new uses to which iron and steel is put. It was pointed out that in the construction of buildings, especially large structures, a few years ago wood was the principal material used, whereas now it has been almost entirely displaced by iron and steel.

There was no election of officers, this being a matter to come before the general meeting of the organization to be held next fall.

Meat Eating Makes Bad Kidneys

Heavy meat meals are all right for athletes, for people who work hard out of doors and for dogs, but for the average person, such a diet is apt to lead to kidney trouble. Backache, lame aching back, blue, nervous spells, dizziness, heart fluttering, rheumatic pains and bladder troubles indicate weak kidneys, and fortify danger of dropsy, gravel and Bright's disease. Don't neglect this condition. Use Doan's Kidney Pills. They have quick relief to thousands.

Omaha Proof:

Edwin Meredith, 1423 Sherwood Ave., says: "I had been annoyed more or less all my life by kidney complaint. The trouble was brought on by a severe ailment I had some years ago and I suffered everything from it. Of all the medicines I ever used, Doan's Kidney Pills have proven most efficient. They strengthened my kidneys so that I seldom have any annoyance now."

REAL ESTATE MEN GUESTS AT PICNIC

Hastings & Heyden Give Luncheon At Benson Garden for Exchange Members.

TWO HUNDRED ARE IN PARTY

Members of the Omaha Real Estate exchange were the guests of Hastings & Heyden at a picnic luncheon and get-together meeting at Benson Gardens at noon yesterday, the trip to the grounds at the Post Farm being made in automobiles. The 200 guests, in forty motor cars, left Hastings & Heyden's office shortly before noon, making the trip over the Military road. On the road to Benson Gardens the real estate

men inspected the tract known as Benson Acres.

Following the luncheon addresses were made by several real estate men, including E. R. Benson, sales manager of Hastings & Heyden, who said that the total sales to date aggregated \$160,000. Mr. Benson pointed out that 23 per cent of all acreage prospects coming to the office had purchased lots.

D. C. Patterson and C. F. Harrison in short addresses complimented Hastings & Heyden on the development of the tract.

That the real estate men as a body should purchase an acreage there was the contention of Harry Wolf.

PERSONAL PARAGRAPHS

Henry Carrington, foreign representative of the Standard Oil company, is a guest of N. W. Naken.

Mrs. J. P. Gibbons, manager of the Nu-Bone corset shop in the Brandeis Theater building, left yesterday for Corry, Pa. for a two weeks' course of lectures in her line of work.

FEW MAIL CLERKS WERE ON SICK LIST LAST YEAR

The best way to be immune from sickness and death is to belong to the Mutual Benefit association, the insurance organization of the Omaha mail clerks. So says Secretary Emil Bandhauser. There are about sixty members.

They pay in \$1 a month and get sick benefits of \$1 a day after the first five days' illness. In case of death \$75 is paid. At the end of the year whatever has not been paid out in benefits is paid back to the members. Last year \$11.60 was paid back to each member out of \$12 paid in by each, thus giving him the insurance for the year for 40 cents. Few were sick and none died.

Wedding Bells Ring and Suit is Dropped

Following the marriage of Paul Witascheck, 45 years old and a wealthy Omaha baker, to Miss Frieda Schmanse, 17, the \$50,000 breach of promise suit filed by the latter's father has been dismissed.

W. L. DOUGLAS

\$3.00 \$3.50 \$4.00 \$4.50 & \$5.00 SHOES

You Can Nurse Your Baby Longer

Instead of weaning him at five or six months, you can nurse him the full nine months that you should if, when he is little, you substitute Jone feeding a day of Nestlé's.

It is so like mother's milk that the baby will feel no difference. Nestlé's gives him just that little extra food he needs to help along his growing little body. And when weaning time comes, he will change to the bottle gradually and easily on

Nestlé's Food
(A Complete Food—Not a Milk Modifier)

It is better for the baby and is better for you. Your own health will be better because you are allowed to miss a nursing or two and go out into the fresh air.

When you wean your baby on Nestlé's you know he is safe, because Nestlé's is always the same, always free from germs, always contains the same things that your baby needs. Don't wean him on cow's milk. You can never be sure of cow's milk even if you know it comes from a clean dairy, even if you know it is free from sickness. It has a tough curd the baby can't digest, and home modifying is uncertain. You cannot modify it with such scientific care as Nestlé's does it for you.

In Nestlé's—milk from healthy cows, purified, free from germs—the calf needs are modified, the baby needs are added. Reduced to a powder—it comes to you in an airtight can. No hand has touched it—no germ can reach it. It is a complete food, so you add only water and boil one minute—and you know that you are giving your baby the food that his little body needs.

For your own sake and your baby's send this coupon today.

Send the coupon for a FREE Trial Package of 12 feedings and a book about babies for specialists.
