DEMOS WILL TRY TO MAKE PEACE

Convention Delegates and State Committee Called to Meet at the Same Time.

TO ARRANGE ST. LOUIS PLANS

(From a Staff Correspondent.) Lincoln, May 25.—(Special.)—An attempt of democratic politicians to iron out some of the sore spots before the Nebraska delegation leaves for St. Louis has resulted in Chairman W. H. Thompson of Grand Island calling a meeting of the democratic state committee for Lincoln, June 3, at 2 p. m.

The meeting is for the ostensible purpose of taking action on certain formal matters pertaining to the Nebraska representation at the St. Louis convention and possibly to select temporary state chairman for the convention in July.

For the same day at 4 p. m., Chairman Thompson has called a meeting of the sixteen delegates who will represent Nebraska at the democratic national convention and for the purpose of organizing and making final arrangements for the trip. This meeting will also be held in Lincoln.

To Issue Credentials.

The state committee will issue credentials to all of the delegates and to the alternates who were elected in the primaries who have received certificates of election from Secretary of State Pool. It will also fill all vacancies in the list of alternates, where no names were written in.

Besides electing a chairman for the St. Louis convention, the delegates at their meeting are to make several other selections.

Oldham for Resolutions.

If the anti-Bryan men have their way it is expected that W. D. Oldham of Kearney will be made the Nebraska member of the resolutions committee. W. H. Thompson will nominate Governor Morehead for vice president; W. B. Price to second Wilson's nomination for Nebraska, and H. E. Gooch, a member of the legislature to notify the president of his renomination.

In order that all of the Nebraska contingent to the St. Louis convention may travel together, the committee arranging the hostess' special for Governor Morehead have arranged that it be hooked onto the regular train which will carry the Nebraska delegation.

Notes from Beatrice and Gage County

Beatrice, Neb., May 25.—(Special.)—Funeral services for the late Mrs. Nora Davis, wife of Conductor J. H. Davis of the Union Pacific, were held yesterday afternoon from the Christian church, conducted by Rev. C. F. Stevens. The services were in charge of the Order of Eastern Star.

Mrs. Herman Schlegel of West Beatrice was thrown from a buggy in a runaway Tuesday evening and sustained a broken arm and severe bruises about the body.

Archie Klemm, a boy who is charged with taking an automobile belonging to Floyd Smith of West Beatrice and driving it to Pickrell in company with a number of other boys, was brought here last evening from Waterville, Kan., and lodged in jail. He was recently paroled to Miss Julia Fuller, the probation officer, but broke his parole by going to Kansas.

Robert Sheldon and Miss Mary Witkowski, both of this city, were married yesterday afternoon at the court house by County Judge Walden.

Captain Crawford of Company F of Wymore yesterday notified Captain Lawrence Jones of Company C that he would bring his company of sixty men here on Decoration day to participate in the exercises.

Announcement was received here last evening of the death of Will Wiggins, aged 31, of this city, which occurred at Lincoln Wednesday afternoon. The body will be brought here for interment.

Maternity! The Word of Words

It is written into life's expectations that motherhood is the one sublime accomplishment. And if there is anything, no matter how simple, that may help, assist or in any way comfort the expectant mother, it is a blessing. And such is a remedy called "Mother's Friend."

When you apply it over the stomach muscles, it is gently rubbed on the surface, and makes the muscles pliant; this relieves the strain on ligaments, natural expansion takes place without undue effect upon the uterus. And as the time approaches, the mind goes through a period of repose, of quiet expectancy, and this has an unquestionable influence upon the future child. That this is true is evidenced by the fact that three generations of mothers have used and recommended "Mother's Friend." Ask your nearest druggist for a bottle of this splendid remedy. He will get it for you. And there will be a booklet containing a most interesting book of information to prospective mothers. It is mailed free. Write today. It is a book you will enjoy.

Pimples Disappear

And this remedy can be used with safety, even on the most sensitive skin. It is a most interesting book of information to prospective mothers. It is mailed free. Write today. Fireman Narrowly Escapes Bad Injury

North Platte, Neb., May 25.—(Special.)—J. J. Sawyer, a Union Pacific fireman, narrowly escaped death or permanent injury when his foot slipped from the running board of a switch engine on which he was riding and he was dragged a considerable distance before the locomotive could be brought to a standstill. He was severely skinned and bruised about the legs and ankles.

Tom Iawaya, a Jap fire lighter in the Union Pacific roundhouse, was painfully burned about the head and face when oil which he shot into a firebox ignited too quickly and the backfire struck him in the face.

William H. Wilson, 70 years old, died at the home of his daughter here from the effects of a fall at the Union Pacific icehouse sustained two months ago. Death was due to a blood clot which formed on the brain. He is survived by four sons and a daughter.

Orville Fast, 16-year-old son of Mr. and Mrs. Orlando Fast of Sutherland, died at a local hospital from a complication of diseases. The youth was brought to North Platte several days ago suffering from a combined attack of typhoid fever, pneumonia and measles. The body will be taken to Newmarket, Ia., for burial.

Hail Breaks Window Panes.

Valentine, Neb., May 25.—(Special.)—One of the worst hail storms in years came up suddenly Wednesday morning at about 2 o'clock. Immense hailstones a half inch in diameter fell in great quantities. Sixty windows in the city school were broken and forty in the Valentine Automobile company garage, as well as many windows in private residences. The hail was followed by a heavy rain, which gave this section a thorough drenching.

Next year will mark the centennial of the beginning of construction of the Erie canal.
