CLUB OPENING IS OFF TILL TUESDAY

Postponed Out of Respect to Mrs. G. W. Wattles, Who Died Thursday.

CHURCH SOCIAL IS CANCELLED

By MELLIFICIA—May 26.

As if in closing climax to a year of unprecedented bereavements came the news of the passing away of Mrs. Gordon W. Wattles yesterday afternoon. It has seemed that the commencement of every festive season has been marked by a grief that marked itself into the event.

The members of the Country club have no desire to give their gaily planned opening tomorrow evening and the affair has been postponed to May 30. While many younger members of the club will give the dinners they planned for Saturday evening, the occasion will have none of the feature of a formal opening and the club flag will be at half mast.

Among those who have recalled or postponed their invitations are Mr. John Caldwell, Mrs. Casper E. Yost and Mr. W. Farnam Smith.

The big parish party which was to be given this afternoon and evening at All Saints' parish house has been postponed indefinitely.

Benson Club's Luncheon.

The annual social affair of the Benson Women's club, a luncheon for members and guests at the Loyal hotel today at 1 o'clock, closed the year's program of the club. A musical program was given during the afternoon. Covers were laid for:

Timely Fashion Hint

By LA RECONTEUSE.

An effective summer frock is shown in a cross bar and flowered printed linen, the style of which is quite in keeping with the material. A very full skirt is topped by a suspender bodice, which is relieved by the bands of black velvet ribbon. The

daintiest batiste guimpe with high collar and long sleeves is also trimmed with the narrower velvet ribbon. Tiny pearl buttons fasten the guimpe down the front. A small Milan hat and kid button boots complete the outfit.

"MERE MEN" ATTEND COOKING LECTURE

Prospects of Verbal Pyrotechnics by Mrs. Rorer Makes Them Adventurous.

THEY HEAR ABOUT "FRYING"

Two brave and adventurous men, their cars no doubt filled with the goings-on at Mrs. Sarah Tyson Rorer's cookery lectures at the Orchard-Wilhelm store, left their offices Friday morning and hid themselves to the scene of the much-discussed fray—er—we mean, lectures.

But alas, their advent was ill-timed. No verbal pyrotechnics were on the program, aside from the public avowal of several cooking heresies by the well known expert from the east. The said gentlemen were game, however, and sat through the whole lecture, absorbing much wisdom on "The Philosophy of Frying."

Mrs. Rorer emphasized all the objectionable and indigestion-producing effects of cooked fats, and particularly warned her audience against eating food fried in butter. "You can't fry in butter; you only brown the food. Better use olive oil," she said. "It is likewise folly to cook cocoa in milk. Cook it in water and then heat the milk," she advised.

Boosts Bread and Butter. "It only children whole wheat bread and butter and you won't have to take them to dentists so much," said Mrs. Rorer, "for whole wheat bread is rich in minerals."

ing except for the moment. Eat fruit ices instead, and get the benefit of the fruit acids.

The common practice of heating butter over the fire was derided by Mrs. Rorer. "It only decomposes the butter," she said. "Likewise, there is no such thing as roasting meat. You bake it, according to her. And not only that, you must not close the oven door. Leave it open, because the air gives a flavor to the meat, she said.

An Ideal Remedy for Nursing Mothers

Compound of Simple Laxative Herbs Safe for Baby and Mother.

Constipation is a condition that affects the old, young and middle-aged, and most people at one time or another need help in regulating the action of the bowels. Harsh cathartics and purgatives should not be employed to relieve constipation, as their effect is only temporary, while they shock the system unnecessarily.

A remedy that can be used with perfect safety for the tiniest babe and strongest constitution is found in the combination of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin and sold in drug stores everywhere for 25 cents a bottle. This is an ideal household remedy and should be in every family medicine chest.

Mrs. F. I. Barsolow, 18 Leslie St., Holyoke, Mass., wrote to Dr. Caldwell, "Syrup Pepsin certainly is fine. I gave it to my baby, Evelyn, and also took it myself. It is the only medicine I have been able to take without affecting Baby in the nursing. I have used it for all four chil-

dren and it is fine; they like it and ask for it." A trial bottle of Dr. Caldwell's Syrup Pepsin can be obtained, free of charge, by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

Many sold previously as high as \$75.00.

RIBBONS

I wonder if any of you used to sing when young, "Oh my tum a reedle tum, roodle tum, Johnnie is gone to the fair—I declare, to buy a bunch of blue ribbons to tie up his darling's back hair." We hark back in memory to the jolly times spent at fairs in our youth. Yes, we sometimes bought ribbons, too. Don't have to go to fairs nowadays. Go to Kilpatrick's Saturday—A wonderful sale. Two lots, 22c and 33c. All we ask is a comparison and then there will be no doubt as to who will get the business. Ladies, these are wonderful values. Judge ye.

Phew! A little warm under the collar and elsewhere as we write. Well, what of it?

Almost June and Wash Goods Weather

Summer is crowding along, indeed we are commencing to clean up. Saturday two lots of sheer summer fabrics. Imported voiles and Irish dimities, in neat flower effects, 19c instead of 25c. At 35c a wide range of printed and woven sheer voiles and novelties, 40 and 42-inch. Awning and upholstery stripes for skirts. Such are the combinations this year, and don't you know—on a REAL girl they look quite spiffy, 35c to \$1.00.

Thou Art the Man!

Mr. Man, if you wear summer weight underwear, union suits, this is for thee. East-

ern tracks loaded with munitions, have not been able to care for merchandise shipments properly. A case has just arrived, after weeks of side-tracking. Half of it long sleeves. These will go with the SHORTS. Saturday, each, 59c

We show a great lot of summer shirts—soft collars attached or negligee bands, soft cuffs. Material most excellent washable madras. Price \$1.00 each.

Wherever two or three women of intelligence, and some times residence, are gathered together nowadays someone is liable to talk summer underwear, and it will be strange indeed if they fail to get personal and talk Kilpatrick. There is something in a name, after all—isn't that the truth? Saturday, three groups priced particularly—39c, 59c and 69c.

Fine rib, tight knee, round or V neck, 39c. Lace or tight knee and lace yoke suits, 59c. Tight knee, round neck, scalloped trim; also V neck, lace trimmed, 69c.

Three wonderful numbers in black silk Hose, 79c, \$1.00 and \$1.25.

Each worthy of getting into the first class as far as value goes.

In trying on thousands of pairs of gloves some will show imperfections. Some others will become soiled or shopworn. Just now we have repaired a lot of these and will sell them at your risk—29c per pair Saturday—The Kaiser has no objection to your buying your fabric gloves of American make as long as he cannot sell them. His namesake, Kayser, makes the best, we have them in great variety.
