MANY NEW FACES IN BELLEVUE FACULTY

Next Year Will See Numerous Changes in Teaching Staff.

INSTRUCTORS LEAVE IN JUNE

More new faces will appear in the Bellevue college faculty next year than for several years past, President William E. Nicholl announced yesterday. The roll of the teaching corps has been pretty much the same for the last three years, but in addition to several changes in jurisdiction and a new president, four professors will leave at the end of the present year.

Prof. William E. Nicholl, head of the department of education and psychology, has applied for leave of absence for one year, dating from July 1. He expects to enroll as a graduate student in the department of education at Columbia university. In addition to his regular work in his department, for the two and one-half years since the resignation of President Stephen W. Stookey on February 1, 1914, Prof. Nicholl has been acting as president of the college. Dr. David R. Kerr, who was head of Bellevue college from 1890 to 1904, has been re-elected to the presidency and will assume active charge July 1. An instructor to replace Prof. Nicholl in education and psychology will need to be secured, however, as Dr. Kerr will do no teaching.

Miss Bailey Quits, Too.

Another important change will be the resignation of Miss Sarah Bailey, matron and head of the domestic science department.

Miss Bernice Miller, instructor in French and swimming for the last year, will accept a position as teacher of swimming next year at either the University of Nebraska or the University of Iowa. She will be replaced at Bellevue by her sister, Miss Vivian Miller, who will be graduated this year from Iowa Wesleyan university.

F. E. Benjamin, director of athletics, will take over the work in zoology and physiology left by the resignation of Dr. A. A. Tyler on February 1 last. Prof. P. W. Evans has been in active charge of the biology work since Dr. Tyler's resignation and will retain next year all save that taken over by Mr. Benjamin, who will rank as instructor in the department and who will continue to act as athletic director.

Miss Phelps to Come.

Miss Myrtle E. Hunter, instructor in English and Latin in the Bellevue academy, has resigned to take up graduate work in Latin. She will be replaced by Miss Katherine Phelps, graduate of Bellevue college in the class of 1915.

Miss Luella M. Carter, head of the department of German, will resign charge next year of the position of dean of women which she has been filling for several years past. She will retain her present work in German, but no successor has yet been appointed to take over her work as dean of women and preceptress of Fontenelle hall, the girls' dormitory.
