"BILLY" SUNDAY IS COMING TO OMAHA

Tells Omaha Visitors at Kansas City That He Will Speak in Nebraska in August.

DETROIT NEXT LARGE CITY

"Billy" Sunday is coming to Omaha and Nebraska to start off the fall campaign the latter part of August. He practically gave his definite promise to do this when a delegation of twenty-five men from Omaha visited him in Kansas City Sunday.

"He said that, while his plans were not definitely settled, he felt very confident he could give us a few days of his time," said Elmer E. Thomas, who returned from Kansas City yesterday. "Billy" has changed his plans somewhat since he was in Omaha. He has cancelled the Honolulu, Hawaiian Islands, campaign. After the close of the meetings in Kansas City he will go to Baltimore to have a minor operation performed. This is for a slight hernia, due to the strain of speaking. Then he will go to his ranch home, Hood River, Ore., where he will remain until the middle of August. Then he intends to come to Nebraska for the campaign and go on from here to Ocean Grove, N. J., where he has a short engagement opening August 27.

Nebraska Boy Who Was at Vera Cruz Enlists Once More

Charles Alfred White of Pickrell, Neb., has re-enlisted in the United States marines at the Omaha recruiting office. Charles Alfred was one of Uncle Sam's soldiers of the sea who were present when the American flag was hoisted at Vera Cruz, and also at Nicaragua. He received two campaign medals and when he mustered out received a good conduct medal. After he had resigned Charles Alfred came back to Nebraska, but found life in Nebraska was not sufficiently exciting, so he re-enlisted and goes to Chicago to enter recruiting service there. Clifford McHugh, who hails from Ohio, breezed into Omaha with a circus last week. He decided that he had had enough of circus life, so he came to the conclusion he would like to be a marine. He applied at the recruiting office, but was four pounds under weight. Sergeant Buck, however, who is in charge of the local office, is an initiative sort of chap, so he found McHugh a boarding place where three healthy meals are served each day. "I'll fatten him up in twenty-four hours," said Buck, "and then I'll have another rookie."

Omaha Leads.

"One thing I learned that made me prouder than ever of Omaha, namely, that the expense money was raised in Omaha more quickly and with less trouble than in any other city the Sunday party has ever visited. We had the expense money in hand in

two weeks. In Kansas City they have not got it all yet and he's been there four weeks. The tabernacle there is about 50 per cent bigger than ours was. "They are most pleasantly situated there. Judge Wallace gave up his splendid home to them. It is about as big as the Joslyn castle and stands on a bluff overlooking the Missouri river, about two miles from the tabernacle. "The party of workers is still intact. Rev. J. W. Welsh, who was advance man, will retire from that position at the close of this season, and next year George Sunday is to be advance man."

Benson Schools Raise Flag and Hold Exercises

The Benson schools celebrated Decoration day with a flag raising and exercises Monday afternoon. Prof. John Spedie was in charge of the program, which was given on the High school grounds. The 1,700 children were grouped around the new flag pole, where the new sixteen-foot flag was presented and raised by Herbert Gustafson, member of the graduating class which presented it to the school. Veterans C. Stiger and H. Hilligas were seated in the center of the group and made short talks. The program was as follows: Our Flag. First and Second Grades. Gaynor salute to the flag. Third and Fourth Grades. A Yaw. Fifth and Sixth Grades. American Boy. Seventh and Eighth Grades. Keller. Sixth, Seventh and Eighth Grades. America. Ensemble. Presentation of flag. Herbert Gustafson. Salute to the flag. Herbert Gustafson. Star Spangled Banner. Ensemble.

Sheriff McShane Flies High in New York and is Hurt

How close the democratic central committee came to being forced to find a substitute candidate for sheriff of Douglas county several days ago, is related by Mrs. Felix McShane, jr., wife of the sheriff, who has just learned of his attempts to become a high flier in New York. McShane went to New York last week on business, and while there met an old friend, Aviator "Dutch" Thompson. The next day Thompson, with McShane for a passenger, flew to a high altitude. In making the landing, the machine struck hard and was badly damaged. Both occupants were considerably bruised, but not hurt. McShane telegraphed to his wife, telling her of the incident before she could hear of it in the newspapers. "Don't worry, you're not a widow yet," the telegram read.

Comes to Station To Report Robbery And Gets Pinched

Police Captain Mike Dempsey demonstrated his shrewdness Monday night by trapping one Nelson Hines, wanted in Grand Island on a charge of embezzlement. Early in the evening a request came from the Grand Island authorities asking Hines' arrest. Late in the evening a man came to headquarters and complained of being robbed. He said he was Fred Nelson of Columbus. Captain Dempsey looked at him again and said: "You're Nelson Hines of Grand Island, or this description I've got here is the strangest coincidence I ever heard of." A search of the man's clothing revealed letters addressed to Nelson Hines. He is being held for the Grand Island authorities. He denies the embezzlement charge.

An Agreeable Surprise. There are many who are careful for their meals, and who must be very careful as to what they eat, that would be agreeably surprised if they were to take a few doses of Chamberlain's Tablets. These tablets strengthen the stomach and enable it to perform its duties naturally. Hundreds have testified to the great benefit they have derived from the use of these tablets. They only cost a few cents. Obtainable everywhere.—Advertisement.

AFTER SIX YEARS OF SUFFERING

Woman Made Well by Lydia E. Pinkham's Vegetable Compound.

Columbus, Ohio.—"I had almost given up. I had been sick for six years with female troubles and nervousness. I had a pain in my right side and could not eat anything without hurting my stomach. I could not drink cold water at all nor eat any kind of raw fruit, nor fresh meat nor chicken. From 178 pounds I went to 118 and would get so weak at times that I fell over. I began to take Lydia E. Pinkham's Vegetable Compound, and ten days later I could eat and it did not hurt my stomach. I have taken the medicine ever since and I feel like a new woman. I now weigh 127 pounds so you can see what it has done for me already. My husband says he knows your medicine has saved my life."—Mrs. J. S. BARLOW, 1624 South 4th St., Columbus, Ohio. Lydia E. Pinkham's Vegetable Compound contains just the virtues of roots and herbs needed to restore health and strength to the weakened organs of the body. That is why Mrs. Barlow, a chronic invalid, recovered so completely. It pays for women suffering from any female ailments to insist upon having Lydia E. Pinkham's Vegetable Compound.

THURSTON LOGAN CAPTAIN OF H. S. TRACK TEAM

Thurston Logan, a sophomore, has been elected captain of the Central High track team for next year. He has already won his letters in foot

ball and basket ball this year, starting in both. The high school will send a team to represent Omaha in the meet at Chicago if some means can be found for raising sufficient money. The athletic treasury is flat at the present time, as track and base ball proved a dead expense this year.
